Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. **The Adventure of the Priory School** Sir Arthur Conan Doyle, 2021-02-25 Short story. We have had some dramatic entrances and exits upon our small stage at Baker Street but I cannot recollect anything more sudden and startling than the first appearance of Thorneycroft Huxtable, M.A., Ph.D., etc. His card, which seemed too small to carry the weight of his academic distinctions, preceded him by a few seconds, and then he entered himself so large, so pompous, and so dignified that he was the very embodiment of self-possession and solidity. And yet his first action when the door had closed behind him was to stagger against the table whence he slipped down upon the floor, and there was that majestic figure prostrate and insensible upon our bearskin hearth rug. We had sprung to our feet, and for a few moments we stared in silent amazement at this ponderous piece of wreckage which told of some sudden and fatal storm far out on the ocean of life. Then Holmes hurried with a cushion for his head, and I with brandy for his lips. The heavy white face was seamed with lines of trouble, the hanging pouches under the closed eyes were leaden in colour, the loose mouth drooped dolorously at the corners, the rolling chins were unshaven. Collar and shirt bore the grime of a long journey, and the

hair bristled unkempt from the well shaped head It was a sorely stricken man who lay before us      **Introduction to The Adventure of the Priory School** Len Deighton,1985      *Elementary Stories Sherlock Holmes Library the Adventure of the Priory School* Arthur Conan Doyle, Sir,2012-10-08 The puckered eyelids had begun to quiver and now a pair of vacant gray eyes looked up at us An instant later the man had scrambled on to his feet his face crimson with shame Forgive this weakness Mr Holmes I have been a little overwrought Thank you if I might have a glass of milk and a biscuit I have no doubt that I should be better I came personally Mr Holmes in order to insure that you would return with me I feared that no telegram would convince you of the absolute urgency of the case      *The Adventure of the Priory School* Sir Arthur Conan Doyle,Marvin P.
