The Adventures Of Pip Rewards Series 9:

Enid Blyton: The Biography Barbara Stoney, 2011-08-26 Enid Blyton is known throughout the world for her imaginative children's books and her enduring characters such as Noddy and the Famous Five. She is one of the most borrowed authors from British libraries and still holds a fascination for readers old and young alike. Yet until 1974 when Barbara Stoney first published her official biography little was known about this most private author even by members of her own family. The woman who emerged from Barbara Stoney's remarkable research was hardworking, complex, often difficult and in many ways childlike. Now this widely praised classic biography has been fully updated for the twenty-first century and with the addition of new colour illustrations and a comprehensive list of Enid Blyton's writings documents the growing appeal of this extraordinary woman throughout the world. The fascinating story of one of the world's most famous authors will intrigue and delight all those with an interest in her timeless books. *Bookseller and Stationery Trades' Journal*, 1948 **Current**

literature of the month, 1924 *Level Up Your Life* Steve Kamb, 2016-01-12 For the past 5 years Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte Carlo and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals he built a system that allowed him to complete quests, take on boss battles, earn experience points and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit hole, Steve's book *Level Up Your Life* is for you. He will teach you exactly how to use your favorite video games, books and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website NerdFitness.com and leveled up their lives, losing weight, getting stronger and living better. In *Level Up Your Life* you'll meet more than a dozen of these members of The Rebellion, men and women young and old, single and married from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide you'll follow in their footsteps and learn exactly how to create your own Alter Ego with real-life super powers, build your own Epic Quest List broken into categories and difficulty levels, hack your productivity habits to start making progress, train your body for any adventure, build in rewards and accountability that will actually motivate you to succeed, travel the world freely and cheaply, recruit the right allies to your side and find powerful mentors for guidance. Adventure is out there and the world needs more heroes. Will you heed the call? *The American Weekly Mercury*, 1905 *The Railway Clerk*, 1924 **The Bookseller**, 1911
