historical figures such as Scottish rebel outlaws Rob Roy MacGregor and William Wallace are examined Nollen also explores nontraditional representations of the legend such as Frank Sinatra's Robin and the Seven Hoods and Westerns featuring the Robin Hood motif A filmography is provided including production information The text is highlighted by rare photographs advertisements and illustrations Children's Catalog of Thirty-five Hundred Books H.W. Wilson Company, Corinne Bacon, 1917 *The Oxford Companion to Children's Literature* Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children's books A fascinating reference guide to the world of children's literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children's hymns **Masterplots** Frank Northen Magill, 1996 Entries are arranged alphabetically by title with the type of work author type and time of plot locale first publication date and principal characters listed A plot synopsis is followed by a critical essay and a brief bibliography Each entry is three to four pages in length The four indexes included are by chronological date by geographic locale by title and by author The title Masterplots does not convey the depth of information contained in the 12 volumes The titles treated range chronologically from antiquity to the early 1990s with the major emphasis on literature of the nineteenth and twentieth centuries While the majority of the entries are British European and United States fiction the work also encompasses drama works or collections of poetry and nonfiction Am Ref Books Annu 1997 **Myth and National Identity in Nineteenth-Century Britain** Stephanie Barczewski, 2000-03-02 Scholars have become increasingly interested in how modern national consciousness comes into being through fictional narratives Literature is of particular importance to this process for it is responsible for tracing the nation's evolution through glorious tales of its history In nineteenth century Britain the legends of King Arthur and Robin Hood played an important role in construction of contemporary national identity These two legends provide excellent windows through which to view British culture because they provide very different perspectives King Arthur and Robin Hood have traditionally been diametrically opposed in terms of their ideological orientation The former is a king a man at the pinnacle of the social and political hierarchy whereas the latter is an outlaw and is therefore completely outside conventional hierarchical structures The fact that two such different figures could simultaneously function as British national heroes suggests that nineteenth century British nationalism did not represent a single set of values and ideas but rather that it was forced to assimilate a variety of competing points of view *Chivalric Stories as Children's Literature* Velma Bourgeois Richmond, 2014-10-01 Knights and ladies giants and dragons tournaments battles quests and crusades are commonplace in stories for children This book examines how late Victorians and Edwardians retold medieval narratives of chivalry epics romances sagas legends and ballads Stories of Beowulf Arthur Gawain St George Roland Robin Hood and many more thrilled and instructed children and encouraged adult reading Lavish volumes and schoolbooks of the era featured illustrated texts many by major artists Children's books an essential part of Edwardian publishing were disseminated throughout the English speaking world Many

are being reprinted today This book examines related contexts of Medievalism expressed in painting architecture music and public celebrations and the works of major authors including Sir Walter Scott Tennyson Longfellow and William Morris The book explores national identity expressed through literature ideals of honor and valor in the years before World War I and how childhood reading influenced 20th century writers as diverse as C S Lewis J R R Tolkien Siegfried Sassoon David Jones Graham Greene Ian Fleming and John Le Carre     **The Americana** ,1923     **The Elementary School Library**
