[Afghanistan: the Perfect Failure](#) John L. Cook,2012-09-26

LONG BOOK DESCRIPTION Unparalleled access to all levels of the Afghan government and coalition forces is the result of John Cooks tenure in Afghanistan Over the past four and a half years he has developed an intimate and alarming insight into what has become a hand wringing quagmire of politically correct socially and culturally sensitive policies and programs that continue to be implemented and that can only result in catastrophic failure for the United States the coalition and the average Afghan Mr Cook offers unprecedented insight as he digs deep to rip away at the misguided and destructive policies including the infamous Rules of Engagement that doom our soldiers for the sake of political correctness and cultural sensitivity This raw and disturbing account covers the truths regarding the appalling and cruel treatment of women the squandering of foreign aid by and corruption of the Karzai centric government that includes the betrayal of its own people He presents eye opening insight into the tribal structure that has traditionally guided the Afghan mindset and despite efforts to westernize will not go away He details the inexplicable and infuriating policies regarding failures associated with poppy eradication and it is the poppies that are the fuel for terrorist activities He further provides explanations for the Talibans continuing control and the problems associated with our well intentioned but misguided counterinsurgency strategies against the Taliban and al Qaeda strategies that fail our mission and our soldiers In this reasoned forceful and intellectually honest treatise he also courageously dissects the disturbing role of Islam and forces the reader to come face to face with the reality that Islam not the Taliban is the real enemy in Afghanistan After reading Afghanistan The Perfect Failure we can only conclude we must no longer turn a blind eye to what is happening in Afghanistan Mr Cooks dissection is powerful and provocative The American public deserves more than the thin veil of reporting that has been done on the subjects in this expose Due to his longevity in this war torn country and high level access few if any have had the opportunity to gain the

inside and knowledge afforded John Cook none have had the courage to publicly reveal the shameful truth
