The After House (□□□) Mary Roberts Rinehart, 2011-10-15 By the bequest of an elder brother I was left enough money to see me through a small college in Ohio and to secure me four years in a medical school in the East Why I chose medicine I hardly know Possibly the career of a surgeon attracted the adventurous element in me Perhaps coming of a family of doctors I merely followed the line of least resistance It may be indirectly but inevitably that I might be on the yacht Ella on that terrible night of August 12 more than a year ago **Where There's a Will/The Case of Jennie Brice/The After House** Mary Roberts Rinehart, 2000-12 The Essential Rinehart Collection continues with Volume 3 of Mary Roberts Rinehart's funny and fast paced novels Her fans are in for a triple treat in this mystery collection Three of her novels all set in the early 1900's

Skidmore,2015-01-27 What exactly has Bill Clinton been doing since he left office What can he expect to accomplish What have his predecessors in his position done Many presidents have had enormous impacts on the course of history after their terms ended but not until After the White House by Max J Skidmore has their role been examined Thirty two completed their terms Four became presidential candidates again one was even elected two served in Congress one abandoned his country to accept election to the Confederate Congress one became Chief Justice and one has the unique distinction of having his First Lady become a United States senator Former presidents almost always remain influential but their post term activities have received little attention or scrutiny until now The House That Jill Built, after Jack's Had Proved a Failure E. C.

Gardner,2019-12-10 In The House That Jill Built after Jack s Had Proved a Failure E C Gardner crafts a rich narrative that intertwines imaginative storytelling with a critical commentary on the traditional gender roles of the early 20th century Utilizing a whimsical style the book employs a blend of humor and irony to explore the complexities of domesticity and the empowerment of Jill in a world where Jack s pursuits have led to disappointment Gardner s prose is both lyrical and accessible often resonating with the rhythm of traditional nursery rhymes while challenging the expectations set by their framework E C Gardner a thinker deeply engaged with the evolving discourse on feminism and societal norms during her time draws from her own experiences to illuminate the nuances of women s independence Her background in education and literature informs her narrative making it an essential exploration of a woman s journey within the confines of societal expectations The juxtaposition of Jill s agency against Jack s failures serves as a powerful metaphor for women s growing visibility and strength in a male dominated society This book is a must read for anyone interested in feminist literature and the historical context of gender dynamics Gardner s nuanced approach will resonate with contemporary readers prompting reflection on the ongoing conversation about women s roles both in literature and society Dive into this delightful yet thought provoking tale that encourages re evaluation of long held beliefs about domestic life and gender *Building a House in*
