The Allies Of Humanity Two Human Unity Freedom The Hidden Reality Of Contact:

The Allies of Humanity Book Two Marshall Vian Summers, 2013-09-28 This second set of Briefings from The Allies of Humanity completes a crucial message regarding our vulnerability and potential within the Greater Community the larger physical universe in which we live Communicated by a small group of extraterrestrial observers the Briefings reveal the true nature and purpose of an extraterrestrial Intervention that has been underway in our world for quite some time This group of observers represents the Allies of Humanity an association of free races in the universe who support the preservation of Knowledge and freedom throughout the Greater Community The Allies distinguish themselves from the intervening forces that are here by maintaining their distance and not engaging directly with us Instead they offer us their wisdom about the realities of life in the universe and a warning about the dangers and consequences of premature human ET contact The arrival of The Allies Briefings was the result of a rare convergence of three powerful forces the extraterrestrial the Divine and the human It was these essential forces that joined to enable The Allies Briefings to be delivered in a form and in a language that can be understood by everyday people In this one book each of these voices is represented the extraterrestrial in the Allies Briefings the Divine in the Teachers Commentaries and the human in the Message from Marshall Vian Summers It was in December 2000 that Marshall received the entire six briefings of The Allies of Humanity Book Two Human Unity Freedom and the Hidden Reality of Contact within 24 hours The Briefings were delivered very quickly for a reason The Allies threatened with being discovered by the Intervention had to give their second set of Briefings to Marshall as quickly as possible before escaping to a distant location far from our Solar System The Allies describe this situation in their Preface to the Second Set of Briefings which is included in this volume Since that time Marshall along with the support of a growing number of courageous people has endeavored to study and to bring The Allies of Humanity Briefings and message to the attention of as many people as possible This ongoing work represents a vital mission and relies upon the contributions of readers everywhere in order to continue Whether or not any further Briefings will be sent here by the Allies is as yet uncertain But what is certain is that the information contained in these two sets of Briefings provides the missing pieces to our understanding of the extraterrestrial presence in the world today and what we must do to begin to prepare The Allies emphasize that these Briefings provide us everything that we need to know to begin this preparation with a clear understanding of our situation We cannot afford to make the same mistakes that so many native peoples have made throughout the course of our own human history regarding their first encounters with explorers from the outside We at New Knowledge Library are proud to be able to present what may prove to be one of the most important documents ever published for the advancement well being and future of humanity We recognize that some people may reject this information out of hand because of its possible association with channeled ET messages However given the high degree of his personal integrity and the extraordinary quality and relevance of his writings Marshall s work stands apart Truly the revelations that

have come to us through his work may ultimately prove to be as significant as other Divinely inspired messages in the past that have impacted the course of human history We encourage you the reader to seriously explore the crucial message presented in all of these Briefings in both Book One and Book Two and to share this message with others These Briefings represent a unique and greatly needed communication to all the people of our world at this critical turning point New Knowledge Library The Allies of Humanity Book Four Marshall Vian Summers,2019-09-15 The Allies of Humanity are a group of individuals from several different worlds who came to the vicinity of the Earth to observe the alien Intervention that is occurring in our world and to report on the activities of this Intervention and its implications for the human race The Allies of Humanity Briefings reveal the reality of Contact occurring in the world today This fourth set of Briefings focuses on freedom in the universe how it is achieved and maintained and the restraint humanity must exercise in order to become a free race in the universe The Allies also reveal a spiritual coordination which supports spiritual development awareness unity and freedom in the universe The Allies Briefings emphasize that we can understand the reality of Intervention from our own experience of colonization and conquest here on Earth Our history has shown us the evidence of intervention from one culture upon another from one nation upon another repeatedly over time This means that our own history and native wisdom can enable us to see and understand who is here and why they have come Explore these Briefings with an open mind allow your thoughts to be challenged allow old beliefs to be overturned if necessary allow something new and vital and essential to be given to you *The Allies of Humanity* Marshall Vian Summers,2004 Proyecto Erks Sebastiano De Filippi,2024-09-23 Hasta el momento el discurso tendencialmente esotrico en torno al cerro Uritorco la ciudad de Capilla del Monte el centro intraterreno de Erks y sus prceres ngel Cristo Acoglanis Guillermo Alfredo Terrera y Jos Hip lito Trigueirinho fue monopolizado por individuos que buscan sobre todo adoctrinar y lucrar Quienes pretenden posicionarse como referentes en este escabroso mbito de frontera se presentan como chamanes guas contactados gur es canalizadores iniciados maestros sacerdotes profetas santos mesas o sanadores cuando no como periodistas o escritores A menudo en competencia solo los une la carencia de escr pulos Con la difusi n creciente que los medios de comunicaci n dan a los fen menos aparentemente inexplicables que a partir de 1983 caracterizan a la zona Uritorco cada vez son m s quienes entran en contacto con las otredades de estas serran as en la C rdoba argentina buscando respuestas plausibles a planteos enigm ticos A todos los que se acerquen al tema con mente abierta est destinado este libro que conjuga aportes de doce profesionales universitarios desde disciplinas como la antropolog a la arqueolog a la historia la sociolog a la biolog a la quiropraxia la psiquiatr a la psicolog a el derecho la filosof a la teolog a y el arte **Allies of Humanity Book Two** Marshall Vian Summers,2005 The Allies of Humanity Book 2 presents startling new information on the interactions between races in our local Universe and on the nature purpose and hidden activities of those races who are interfering in human affairs This Second Set of Briefings from the Allies completes a crucial message regarding our vulnerability and potential within the Greater Community the
