The Alpha And The Omega:

I Am the Alpha and the Omega, The First and the Last, The Beginning and the Frank Wade,2004-12 This book notes scriptures concerned with Jesus return and events leading up to that event and even more the whole course of humanity on Earth *Alpha and Omega God* Mathewos T. Abera,2012-07 The book is about the Alpha and Omega God It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities I started to write about this supernatural and omnipotent God from the beginning which is unknown time I then proceeded in writing all the way to the time of eternity In the book I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now The Mystery of the Alpha and Omega John H. Shumaker,2007-09 Do the Scriptures really identify who the Messiah is and what His role is to be Author John Shumaker takes an in depth look into the original Hebrew Scriptures in his book *The Mystery of the Alpha and Omega* and reveals something hidden for our discovery Proverbs 25 2 says It is the glory of God to conceal a matter But the glory of kings is to search out a matter NASB God has hidden in the original Hebrew text the role of the Messiah the role that Messiah Yeshua Jesus fulfilled to the very letter recorded in the original text In his book *The Mystery of the Alpha and Omega* Shumaker takes us to eighteen of these verses and reveals to us something hidden within the text of the Tanakh Hebrew title of the Old Testament and revealed through the person of the Messiah Yeshua in the New Testament This is truly a scriptural revelation **Alpha, Omega, Alpha** Don English,2010-05 After studying and preaching Revelation Don English was left with many unanswered questions Given an opportunity by God he spent a full year studying only Revelation reading praying and asking God for answers Believing that God through his Holy Spirit had given him some answers that he could not find elsewhere Don determined to put these answers onto paper and so Alpha Omega Alpha was born A practical common sense approach to the book of Revelation Alpha Omega Alpha is a must read for serious Bible students and new Christians alike Using sound interpretation principles this book will challenge the reader to read more critically the information that God gave to his apostle John Follow along with the author as he reveals the meanings and messages behind the events from the resurrection of the dead and the seven seals to the final battle and the final judgment in one of the Bible s most important books Alpha Omega Alpha will give the reader the zeal and the desire to further study and understand the message from the hand of God The Alpha & Omega Bible I Saw the Light Ministries,2016-12-08 The original scriptures have been repeatedly translated for thousands of years But along the way mankind has added to and taken away from it as was warned in the last verses of Revelation The Alpha Omega Bible restores much of the original writings for example using the word Theos which the apostles actually wrote instead of God This study bible also does not follow suite of the traditional Assyrian Babylonian doctrines of mankind Political religious correction gets thrown overboard in preference for the unfiltered

Dawid Van Rensburg,2014-08-12 We are moving through time We are on a timeline The timeline was created by a Super Extraterrestrial The timeline started at Alpha when humans were first planted on planet earth The timeline will end at Omega at the close of human history It is the Alpha and Omega time line The Extraterrestrial has total control over Alpha and Omega but for the most part He has left the remainder of the timeline under the control of the humans Although the humans control most of the time line linking Alpha to Omega they are not infallible and continually disrupt the timeline Due to this continual disruption of the timeline extraterrestrials must constantly monitor and make adjustments to keep the timeline on course toward the already predestined Omega We know that it is theoretically possible to move up and down the timeline from its beginning to the present and even into the future By starting at Alpha the beginning and ending at Omega the end we will explore particular sections of the timeline In this book we will visit some of the past some of the present and some of the future Some think the future looks great Others say it is not looking too good Want to know what is coming on the timeline Read Dawid Van Rensburg s reveling book THE ALPHA AND OMEGA TIMELINE Then you decide This is NOT science fiction **Jesus—The Portrait and Inscription of God** George Paki, If we want to understand what God was telling John about the future we need to first understand what John understood Professor Jon Paulien Loma Linda University USA In Jesus The Portrait and Inscription of God the author pours his years of research into addressing the issue that Jon Paulien highlights Paki builds an intriguing case for a dual focused method of interpreting Revelation He uses this method to show i that Revelation was written primarily to John and his initial audience ii that the same prophecies also speak to us with clarity and force iii Then he wonders if God intentionally used the same material to speak to an audience then and now When this method is applied to Revelation 1 3 the text does come alive Deep theological truths and nuggets extracted are way too many to recount in a single book In fact this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ Some of our leading scholars agree It is well written well laid out and has good solid biblical insights Good solid evidence for Revelation s high Christology Dr Kayle de Waal Avondale College Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between Revelation 1 3 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of

Collected Supernotational Writings Vol.II John O'Loughlin,2029-09-18 In Volume II of John O Loughlin s collected supernotational philosophy project he has combined the titles Critique of Post Dialectical Idealism Philosophical Truth

Veritas Philosophicus and Last Judgements which span the period 1989-93 and have allowed him to bring some kind of strict chronology to bear on a series of writings dubbed supernotational to distinguish them from essays on the one hand and aphorisms on the other thereby treading a kind of intermediate position between essays and aphorisms in the interests of what became a gradual progression towards an enhanced sense of philosophical logic commensurate so we believe with Supertruth and ultimately a kind of plateau of aphoristic purism which took shape in the ensuing years A Centretruths Editorial

The Alpha and Omega Code Anthony Curtis Beaver, 2011-05-01 Many people are on a walk to find faith with Christ and his teachings They are searching for truth and happiness in their lives There is a passion for confirmation of what they believe This book is intended to help them understand Christ's life by telling the whole story There are also many people that do not know anything about Jesus Christ With the New Testament Gospels there is not a defined time line that is easy to read and understand Information is scattered within the Gospels and many people do not take the time to read all the books to find the truth of Christ's life A lot of people have friends that they would like to introduce to Christ but have no way to reach them in a simple manner This is the problem I have found in the past with others I have solved this problem with The Alpha and Omega Code This book would be a great discipleship tool for them The best gift you can give someone is faith in Christ So welcome to The Alpha and Omega Code I have reversed engineered or reformulated the Gospels of Matthew Mark Luke and John by taking them apart line by line verse by verse and code by code to formulate a clearer picture of what Christ's life was like here on earth This book includes all of his teachings miracles and trials to the bitter end on the cross his resurrection showing himself to his disciples including his final teachings to them before his ascension to heaven sitting at the right hand of God Never before has the Gospel of Christ been explained like this by overcoming any contradictions and filling in the holes that reading only one Gospel at a time will give you This is the Harmony of the Gospels at its best This book teaches the life of Christ the way he personally taught it by using an approach following a timeline of Christ's life For the first time people have a clear and easy to read approach to the Gospel There are no study aids needed everything is prepared for you All you have to do is just open The Alpha and Omega Code and read it I hope that this book will be the most complete and accessible account of the works of Christ on the market today I do not add any of my personal ideas or religious beliefs to any of this book
