Goodwin,2009-03-27 The authors of World Regional Geography have answered the need for an exceptionally brief textbook for the evolving world regional course In World Regional Geography Concepts eight major thematic concepts frame the coverage and give students a way of approach the wealth of information in the text Like the Pulsiphers longer text World Regional Geography Concepts emphasizes global trends and the interregional linkages that are changing lives throughout the world humanizes geographical issues by representing the lives of women men and children in various regions of the globe *Classroom and Empire* Wayne Dowler,2001 The central challenge to imperial powers entering the modern era was the schooling of their peoples How could they insure the literacy that modernity required without providing a foundation for nationalism among the colonised In Russia s eastern empire in the late nineteenth century Orthodox Christianity vied with Islam for people s souls Russian language competed with Tatar and local vernaculars in market squares peasant cottages and schoolrooms Arabic and Cyrillic alphabets clashed in school textbooks and western secularism undermined traditional religious authority among both Muslim and Orthodox faithful Russian nationalism peaked in the early twentieth century and public support for policies of the russification of non Russian minorities increased The inevitable clash with local languages shook the stability of the empire Classroom and Empire tells the story of the politics of alphabets languages and schooling in the eastern empire of Russia from 1860 to 1917 Wayne Dowler presents an intriguing cast of characters including Nikolai Il minskii whose method of schooling non Russian children lay at the heart of nationalist controversy Ismail Bey Gaspirali whose new method schools attempted to reconcile Islam with modern secular philosophy and science Konstantin Pobedonostsev procurator of the Holy Synod and minence grise of the reigns of Alexander III and his son Nicholas II and Sophia Chicherina feisty defender of the Il minskii school Dowler shows us that the problem of schooling non Russians was unresolved by the fall of the Romanovs in 1917 smouldered through much of the Soviet period and has re emerged today as a major source of divisiveness in the Russian Federation Wayne Dowler is professor of history at University of Toronto at Scarborough **Prairie Farmer** ,1862 *The Concept of Culture* Pennsylvania. Department of Public Instruction,1964 *Alan S. Milward and a Century of European Change* Fernando Guirao,Frances M. B. Lynch,Sigfrido M. Ramírez Pérez,2012 The main purpose of the book is to introduce the work of Alan S Milward and to acknowledge the full magnitude of his scientific contribution to contemporary British and European history

The book is a collection of essays which provide a better understanding of Alan Milward's extensive intellectual work for future scholars and facilitate the knowledge and transmission of his published work to present and future generations of students scholars in the various disciplines concerned and the general public The series of original contributions which this book contains are related to or reflect critically upon Milward's own contributions to the fields of political diplomatic and socio economic history political science economics international relations and European Studies in general This book honors Alan Milward through a better understanding of his many pioneering contributions in the fields of contemporary European history in general and the history of European integration in particular Although the volume does not aim to be a substitute for Milward's work itself it illuminates and assesses his creative process along fifty years of continued and intense work as well as the impact of his main work and the continuing relevance of his main theses today

Sociology Anthony Giddens, Philip W. Sutton, 2010 Whilst particularly useful as a companion to the sixth edition of Giddens's *Sociology* the reader is designed for use independently or alongside other textbooks

The Prairie Farmer, 1862 *The Alphabet Effect* Robert K. Logan, 1986 The author's thesis is that Western civilization's thought patterns emerged because of its phonetic alphabet

With Good Intentions Celia Haig-Brown, David A. Nock, 2011-11-01 *With Good Intentions* examines the joint efforts of Aboriginal people and individuals of European ancestry to counter injustice in Canada when colonization was at its height from the mid nineteenth to the early twentieth century These people recognized colonial wrongs and worked together in a variety of ways to right them but they could not stem the tide of European based exploitation The book is neither an apologist text nor an attempt to argue that some colonizers were simply well intentioned Almost all those considered here teachers lawyers missionaries activists had as their overall goal the Christianization and civilization of Canada's First Peoples While their sensitivity and willingness to work in concert with Aboriginal people made them stand out from their less sympathetic compatriots they were nonetheless implicated in the colonialist project as the contributors to this volume make clear By discussing examples of Euro Canadians who worked with Aboriginal peoples *With Good Intentions* brings to light some of the lesser known complexities of colonization This volume is an important resource for anyone interested in Canadian history particularly post Confederation history and in Native studies and issues of colonization of Native peoples
