*So This Is Peace?* Frederick Grossman,2014-04 As an old hippie Jesus freak I cannot help but question authority I have done so with established beliefs of major denominations I compare what denominations teach as sound doctrine and compare them to what the Bible the sole authority teaches in reality For example hell is accepted and taught as literal fire and eternal torment when Scripture actually reveals something opposite and totally different **The Garden Path** MASS,2011-07-26 This book is an illustration of social change in a time when the world is as ruthless as it can be The words guide the philosophy of mankind to the light in the changes of time I relentlessly seek to envelop peace a tool for continually The prayer for the ruthless if they took it they would have envisaged their own change and not their demise The book gives to you a strong definition of hope as it is in everyman to hope for the best hence only the best is good enough This book is not doubtful of the goodness in man but we will all have the say in finding the goodness in man through the great conversations

**Wuodha** Washington M. Osiro,2013-04 Washington introduces his best friends from school to his father whose shocking and harsh but eventually prescient response to the introduction reveals a post independent Kenyan society that is markedly different from the one the son has hitherto shared with the friends The father s brutal honesty leaves an indelible mark on the little boy s psyche and sets Washington off on a long and oftentimes arduous journey that takes him from the rural familiar and safe albeit hardy surroundings of Apondo Nyanza Kenya to the sandy beaches of San Diego Southern California finally settling him in the world famous climes of Silicon Valley Northern California Washington repeats a journey first undertaken by thousands in the 1700s A journey that became an annual ritual for millions thereafter all in their pursuit of their dream their American Dream **Destiny Waited And Courage Roared** Dale Davis,2014-04 How did a small town girl from Texas grow up to travel to twenty five nations by prayer and God s interventions How did she have the courage strength and determination to risk everything even her life to carry Bibles and the salvation message to places even some men would

not go Destiny Waited and Courage Roared tells how this gutsy woman s faith and bulldog tenacity faced life threatening adventures as she smuggled Bibles into lands where God s Word is often forbidden This is not the typical missionary or evangelistic book for it contains common sense Biblical teachings and riveting stories of narrow escapes and emotional salvation experiences Dale Davis s extraordinary relationship with her Father God will inspire you to engage in your own journey with God explore new cultures and reach the world in obedience to His calling on your life Her stories may cause you to cry and laugh but they will certainly have you in awe at how God and Dale teamed together to conquer seemingly impossible situations Destiny Waited and Courage Roared uniquely reaches people of all ages with real stories that need no embellishment and that educate evangelize and entertain which are key marks of Dale s ministry Over her forty years of serving God Dale has taught in Christian education led youth and children s ministries directed outreach and street ministries performed and taught theatrical clowning and attended Bible school in La Marque Texas Dale is available for booking engagements including teaching seminars on evangelism using drama to teach the Bible presenting motivational messages and speaking to women s groups about overcoming pain and sorrow She also leads mission tours and looks forward to meeting you in person at one of her presentations Contact Dale through her website [daledavisministries.com](http://daledavisministries.com) or her blog or by e mailing her at [dale@daledavisministries.com](mailto:dale@daledavisministries.com)

**You Are Not Dust** Adolphus Uzoamaka Cyprian,2017-10-04 You cannot exercise authority of the believer without being a fire so for you to have dominion over Satan and his agents you must become fire for Christ God did not create any man to be dust What the Bible said is that God created man out of dust and not with dust The statement Dust you are dust you shall return is the curse God placed on man for disobedience The Bible said that God is fire therefore he created man to be fire like him When he made man Adam he placed him in a garden surrounded by waters and he often comes to fellowship with the man he created until the man sinned God took away his protection God then placed the curse of being dust on man He God sent his son Jesus to come and restore that relationship which is the attribute of fire in man that made man an image of God which is the Holy Ghost So today accept Jesus as your Lord and Savior Become fire which is the original state of man from beginning or reject him Jesus Christ and remain as dust which is food for Satan

**God Is Waiting for You** Tannia M. Winston,2012-07-03 God is waiting for you is an encounter with your destiny on the path to God an illuminating exciting spiritually rejuvenating walk with God as you face real life experiences that reveal to you who you really are Breath taking steps that allows you to grow in God and mature as you journey on the path to accept your assignment from Him facing the corrupt teaching and misleading of false prophets who are denying Jesus Christ the Messiah They have laid the damaging foundations of doubt and destruction for many lost souls God Is Waiting for You is not only revealing to you how to walk on this path and take on your new assignment from God but teaching every Christian that they must learn to take the authority to throw Gods Weight around CALLING ALL CARS Dear Children this is the last hour and as you have heard that the antichrist is coming even now many antichrists have come 1 John 2 18 **Turn**

Smith, 2011-11-23 This is a true story about a young woman's struggle through the streets of Washington DC Growing up in the Southeast section of The Nations Capital with a large family in the 80s was very interesting to say the least As a child Desire Moore Moo Moo had her life all planned out after high school she would graduate from college become an Elementary School Teacher get married to a loving husband have two kids and a cat named fluffy That was all before her family became a victim of their environment Before finding her Savior she endured being homeless teen pregnancies an abusive relationship jail being raped drugs the death of her love ones and the biggest fight of her life breaking the generational curse that plagued her family Although this story is based in Washington DC this is the story of thousands of woman all over the United States of America Jesus saves **Elijah Champion of God** Sherrie Young, 2011-10-24 This is a story of the prophet Elijah and his ministry to the Children of Israel It tells of his lifetime of work in the ministry of the Lord and of the Israelites failure to worship Him It also tells of their return to the worship of God *Dear Child Molester* Ka Irash, 2015-07-10 I have learned and finally accept that there is no complete restoration from the horrific damage caused by sexual child abuse This damage on some level is permanent The victim must learn to live with the harm that has been forced into their lives Shame and guilt takes great control of a victim's life yet with help one can learn that they are not at fault for this abuse and no longer live a life burdened with shame and guilt A victim can gain self worth and in time learn to become emotionally healthy and complete Part of the healing process is to learn that the abuse will always be a part of the victim's history yet it doesn't have to control the victim's future Shame and guilt controlled many areas of my life most of my life The destruction of my abuse has been a fight for me to overcome This fight raged on even when I didn't understand the causes for my low self esteem depressions and shyness which I dealt with the greatest part of my life These emotions were rooted deep into my soul All of these terrible emotions that I dealt with over the years were caused by the abuse that I suffered with at the hands of the Monster This abuse was my ultimate betrayal this abuse is every victim's ultimate betrayal A Victim's silence is the child molester's protection **The Second Born** Arnold Robinson, 2017-01-27 Book One It was an inherited struggle for many generations of those living on the outskirts of Appalachia A poor man with poor ways our father dictated the Bible to his own liking He'd preach hellfire and brimstone from

the pulpit before falling prey to the devils holy water again Wed as a child our mother sixteen years younger than our father guided her nine children with love and hope that all things be possible through the Lords will My older brother was not just my brother but also my best friend Wed confide in each other to protect our mother as hatred of our fathers sinful ways grew With trembling hands Id reach out to touch the dead giants that I gained courage to carry on But at last a prayer was answered as we played in the cool springs at our farm and anticipated having a warm house to spend the cold winter in

**Drastic Choices During Spiritual Warfare** Minister Gertrude Mapara,2014-11-14 1 This book promotes family togetherness unity of purpose forgiving forgetting and dependency on scriptures from the Holy Bible 2 It reflects on a variety of positive drastic choices taken during spiritual attacks ills and evils that surrounds us on almost daily basis so as to expose and belittle as well as totally defeat all of them in Jesus mighty name 3 Family therapy counseling highlights are given such as the specific life cycle stages in a family and how it affects as well as influence other family members 4 The power of sharing testimonies is enhanced throughout this book coming from different people as a source of encouragement to others Testimony time is blessing time If you believe it say Amen Water Baptism Howard Daniel, Sr.,2010-08-31 One of the most segregating topics among today s Christian churches is the subject of Water Baptism Far too often we who serve the same God and Father of the Lord Jesus find it difficult to commune in brotherly love as a result of our differences Water Baptism the Revelation of Truth is a personal testimony of one individual s experience in seeking biblical truth in the biblical administration of water baptism After prayer fasting and in depth study with scriptural validation the author shares the revelation he personally experienced Through the unique use of a personal testimony this book provides a non threatening unbiased and impartial documentation of biblical water baptism *The Calling of Jujubee Forthright* Scott Philip Stewart,2006 The Calling of Jujubee Forthright is a story of a quirky yet lovable 300 pound auctioneer who leads a pack of misfits on a grace full revival where salvation is on the auction block for the lowest bidder **Getting the Holy Ghost** Peter Marina,2013-01-30 This book carries an ethnographic signature in approach and style and is an examination of a small Brooklyn New York African American Pentecostal church congregation and is based on ethnographic notes taken over the course of four years The Pentecostal Church is known to outsiders almost exclusively for its members bizarre habit of speaking in tongues This ethnography however puts those outsiders inside the church pews as it paints a portrait of piety compassion caring love all embraced through an embodiment perspective as the church s members experience these forces in the most personal ways through religious conversion Central themes include concerns with the notion of spectacle because of the grand bodily display that is highlighted by spiritual struggle social aspiration punishment and spontaneous explosions of a variety of emotions in the public sphere The approach to sociology throughout this work incorporates the striking dialectic of history and biography to penetrate and interact with religiously inspired residents of the inner city in a quest to make sense both empirically and theoretically of this rapidly changing surprising and highly contradictory late modern

church scene The focus on the individual process of becoming Pentecostal provides a road map into the church and canvasses an intimate view into the lives of its members capturing their stories as they proceed in their Pentecostal careers This book challenges important sociological concepts like crisis to explain religious seekership and conversion while developing new concepts such as God Hunting and Holy Ghost Capital to explain the process through which individuals become tongue speaking Pentecostals Church members acquire Holy Ghost Capital and construct a Pentecostal identity through a relationship narrative to establish personal status and power through conflicting tongue speaking ideas Finally this book examines the futures of the small and large institutionally affiliated Pentecostal Church and argues that the small Pentecostal Church is better able to resist modern rationalizing forces retaining the charisma that sparked the initial religious movement The power of charisma in the small church has far reaching consequences and implications for the future of Pentecostalism and its followers
