The Alter Call:

The Alter Call Shea Rose,2002-02-01 What does a married black police officer and an unhappily married white rabbi have in common An attractive divorced black thirty something female whos recently embarked on a torrid love affair These two men are as different as night and day but they share the same sentiments about what Danielle Winters has gotten herself into theyre the crutches who get her through the valley of the shadow of death But it becomes increasingly clear that yes she should fear some evil The evil shes unwittingly drafted into her life In the throes of the good times with her hot new beau Danielle begins to experience unusual tearjerker moments and out of the ordinary occurrences that begin to take toll Realizing she needs a plan or two to help her through her two comrades say and do all they can in hopes that shell wake up and smell the coffee Stephanie her trusted cousin and confidant cant even offer any valuable advice Danielle even ignores her own intuition Its only after her unshakable alter call that she finally gets it She needed a life altering change and renewing of her thought process something she would only achieve from having heeded the Almightys call to change her life

So This Is Peace? Frederick Grossman,2014-04 As an old hippie Jesus freak I cannot help but question authority I have done so with established beliefs of major denominations I compare what denominations teach as sound doctrine and compare them to what the Bible the sole authority teaches in reality For example hell is accepted and taught as literal fire and eternal torment when Scripture actually reveals something opposite and totally different **The Garden Path** MASS,2011-07-26 This book is an illustration of social change in a time when the world is as ruthless as it can be The words guide the philosophy of mankind to the light in the changes of time I relentlessly seek to envelop peace a tool for continually The prayer for the ruthless if they took it they would have envisaged their own change and not their demise The book gives to you a strong definition of hope as it is in everyman to hope for the best hence only the best is good enough This book is not doubtful of the goodness in man but we will all have the say in finding the goodness in man through the great conversations

Wuodha Washington M. Osiro,2013-04 Washington introduces his best friends from school to his father whose shocking and harsh but eventually prescient response to the introduction reveals a post independent Kenyan society that is markedly different from the one the son has hitherto shared with the friends The father s brutal honesty leaves an indelible mark on the little boy s psyche and sets Washington off on a long and oftentimes arduous journey that takes him from the rural familiar and safe albeit hardy surroundings of Apondo Nyanza Kenya to the sandy beaches of San Diego Southern California finally settling him in the world famous climes of Silicon Valley Northern California Washington repeats a journey first undertaken by thousands in the 1700s A journey that became an annual ritual for millions thereafter all in their pursuit of their dream their American Dream **Destiny Waited And Courage Roared** Dale Davis,2014-04 How did a small town girl from Texas grow up to travel to twenty five nations by prayer and God s interventions How did she have the courage strength and determination to risk everything even her life to carry Bibles and the salvation message to places even some men would

not go *Destiny Waited and Courage Roared* tells how this gutsy woman's faith and bulldog tenacity faced life threatening adventures as she smuggled Bibles into lands where God's Word is often forbidden. This is not the typical missionary or evangelistic book for it contains common sense Biblical teachings and riveting stories of narrow escapes and emotional salvation experiences. Dale Davis's extraordinary relationship with her Father God will inspire you to engage in your own journey with God, explore new cultures and reach the world in obedience to His calling on your life. Her stories may cause you to cry and laugh but they will certainly have you in awe at how God and Dale teamed together to conquer seemingly impossible situations. *Destiny Waited and Courage Roared* uniquely reaches people of all ages with real stories that need no embellishment and that educate, evangelize and entertain which are key marks of Dale's ministry. Over her forty years of serving God, Dale has taught in Christian education, led youth and children's ministries, directed outreach and street ministries, performed and taught theatrical clowning and attended Bible school in La Marque, Texas. Dale is available for booking engagements including teaching seminars on evangelism using drama to teach the Bible, presenting motivational messages and speaking to women's groups about overcoming pain and sorrow. She also leads mission tours and looks forward to meeting you in person at one of her presentations. Contact Dale through her website daledavisministries.com or her blog or by e-mailing her at dale@daledavisministries.com.

You Are Not Dust Adolphus Uzoamaka Cyprian, 2017-10-04. You cannot exercise authority of the believer without being a fire, so for you to have dominion over Satan and his agents, you must become fire. For Christ, God did not create any man to be dust. What the Bible said is that God created man out of dust and not with dust. The statement "Dust you are, dust you shall return" is the curse God placed on man for disobedience. The Bible said that God is fire; therefore, he created man to be fire like him. When he made man, Adam, he placed him in a garden surrounded by waters and he often comes to fellowship with the man he created until the man sinned. God took away his protection. God then placed the curse of being dust on man. He, God, sent his son, Jesus, to come and restore that relationship which is the attribute of fire in man that made man an image of God, which is the Holy Ghost. So today, accept Jesus as your Lord and Savior. Become fire, which is the original state of man from beginning, or reject him, Jesus Christ, and remain as dust, which is food for Satan.

God Is Waiting for You Tannia M. Winston, 2012-07-03. God is waiting for you is an encounter with your destiny on the path to God, an illuminating, exciting, spiritually rejuvenating walk with God as you face real life experiences that reveal to you who you really are. Breath taking steps that allow you to grow in God and mature as you journey on the path to accept your assignment from Him, facing the corrupt teaching and misleading of false prophets who are denying Jesus Christ, the Messiah. They have laid the damaging foundations of doubt and destruction for many lost souls. *God Is Waiting for You* is not only revealing to you how to walk on this path and take on your new assignment from God, but teaching every Christian that they must learn to take the authority to throw God's Weight around. **CALLING ALL CARS**. Dear Children, this is the last hour and as you have heard that the antichrist is coming, even now many antichrists have come. 1 John 2:18. **Turn**

Drastic Choices During Spiritual Warfare Minister Gertrude Mapara,2014-11-14 1 This book promotes family togetherness unity of purpose forgiving forgetting and dependency on scriptures from the Holy Bible 2 It reflects on a variety of positive drastic choices taken during spiritual attacks ills and evils that surrounds us on almost daily basis so as to expose and belittle as well as totally defeat all of them in Jesus mighty name 3 Family therapy counseling highlights are given such as the specific life cycle stages in a family and how it affects as well as influence other family members 4 The power of sharing testimonies is enhanced throughout this book coming from different people as a source of encouragement to others Testimony time is blessing time If you believe it say Amen Water Baptism Howard Daniel, Sr.,2010-08-31 One of the most segregating topics among today s Christian churches is the subject of Water Baptism Far too often we who serve the same God and Father of the Lord Jesus find it difficult to commune in brotherly love as a result of our differences Water Baptism the Revelation of Truth is a personal testimony of one individual s experience in seeking biblical truth in the biblical administration of water baptism After prayer fasting and in depth study with scriptural validation the author shares the revelation he personally experienced Through the unique use of a personal testimony this book provides a non threatening unbiased and impartial documentation of biblical water baptism *The Calling of Jujubee Forthright* Scott Philip Stewart,2006 The Calling of Jujubee Forthright is a story of a quirky yet lovable 300 pound auctioneer who leads a pack of misfits on a grace full revival where salvation is on the auction block for the lowest bidder **Getting the Holy Ghost** Peter Marina,2013-01-30 This book carries an ethnographic signature in approach and style and is an examination of a small Brooklyn New York African American Pentecostal church congregation and is based on ethnographic notes taken over the course of four years The Pentecostal Church is known to outsiders almost exclusively for its members bizarre habit of speaking in tongues This ethnography however puts those outsiders inside the church pews as it paints a portrait of piety compassion caring love all embraced through an embodiment perspective as the church s members experience these forces in the most personal ways through religious conversion Central themes include concerns with the notion of spectacle because of the grand bodily display that is highlighted by spiritual struggle social aspiration punishment and spontaneous explosions of a variety of emotions in the public sphere The approach to sociology throughout this work incorporates the striking dialectic of history and biography to penetrate and interact with religiously inspired residents of the inner city in a quest to make sense both empirically and theoretically of this rapidly changing surprising and highly contradictory late modern

church scene The focus on the individual process of becoming Pentecostal provides a road map into the church and canvasses an intimate view into the lives of its members capturing their stories as they proceed in their Pentecostal careers This book challenges important sociological concepts like crisis to explain religious seekership and conversion while developing new concepts such as God Hunting and Holy Ghost Capital to explain the process through which individuals become tongue speaking Pentecostals Church members acquire Holy Ghost Capital and construct a Pentecostal identity through a relationship narrative to establish personal status and power through conflicting tongue speaking ideas Finally this book examines the futures of the small and large institutionally affiliated Pentecostal Church and argues that the small Pentecostal Church is better able to resist modern rationalizing forces retaining the charisma that sparked the initial religious movement The power of charisma in the small church has far reaching consequences and implications for the future of Pentecostalism and its followers
