Guy Davidov, Brian Langille

The American Idea Of Industrial Democracy 1865 1965:

The American Idea of Industrial Democracy, 1865-1965 Milton Derber, 1970 Discussion of labor management history and industrial democracy explores the history of American industrial democracy from psychological political institutional and social perspectives **Employment with a Human Face** John W. Budd, 2004 The objectives of the employment relationship The balancing imperative human rights in conflict Balancing outcomes the environment and human agents Balancing outcomes revisited the ethics of the employment relationship The balancing alternatives workplace governance The new deal industrial relations system The geometry of comparative industrial relations Alternatives to job control unionism Balancing the global workplace **Working-Class America** Michael H Frisch, Daniel J Walkowitz, 2023-02-03 At the time of its original publication Working Class America represented the new labor history par excellence A roster of noteworthy scholars in the field contribute original essays written during a pivotal time in the nation s history and within the discipline Moving beyond historical sociological analyses the authors take readers inside the lives of the real men and women behind the statistics The result is a classic collection focused on the human dimensions of the field one valuable not only as a resource for historiography but as a snapshot of workers and their concerns in the 1980s *The Idea of Labour Law* Guy Davidov, Brian Langille, 2013-01-17 Labour law is widely considered to be in crisis by scholars of the field This crisis has an obvious external dimension labour law is attacked for impeding efficiency flexibility and development vilified for reducing employment and for favouring already well placed employees over less fortunate ones and discredited for failing to cover the most vulnerable workers and workers in the informal sector These are just some of the external challenges to labour law There is also an internal challenge as labour lawyers themselves increasingly question whether their discipline is conceptually coherent relevant to the new empirical realities of the world of work and normatively salient in the world as we now know it This book responds to such fundamental challenges by asking the most fundamental questions What is labour law for How can it be justified And what are the normative premises on which reforms should be based There has been growing interest in such questions in recent years In this volume the contributors seek to take this body of scholarship seriously and also to move it forward Its aim is to provide if not answers which satisfy everyone intellectually nourishing food for thought for those interested in understanding explaining and interpreting labour laws whether they are scholars practitioners judges policy makers or workers and employers **Theorising Labour Law in a Changing World** Alysia Blackham, Miriam Kullmann, Ania Zbyszewska, 2019-09-05 This collection brings together perspectives from industrial relations political economy political theory labour history sociology gender studies and regulatory theory to build a more inclusive theory of labour law That is a theory of labour law that is more inclusive of non traditional workers including those in atypical work or from non traditional backgrounds more inclusive of a variety of collective approaches to work regulation that foster solidarity between workers and more inclusive of interdisciplinary and complex explanations of labour law and its

regulatory spaces The individual chapters speak to this theme of inclusivity in different ways and offer different suggestions for how it might be achieved They break down the barriers between legal research and other fields to promote fruitful and integrative conversations across disciplines In the spirit of inclusivity and intergenerational dialogue the book blends contributions from early career and emerging scholars with those from leading scholars in the field featuring critical commentary from senior labour law figures alongside theoretically and empirically informed work

The State and Economic Knowledge Mary O. Furner, Barry Supple, 1990-08-31 This book addresses an important but inadequately recognized dimension of the activities of the modern state the role it plays in producing the theoretical and practical knowledge necessary for economic policy making Over time governments in modern societies have assumed the ultimate responsibility for ensuring the economic well being of their citizens and for protecting their competitive positions in the international economy To perform their various coordinating functions effectively and to maintain legitimacy governments have found it necessary to rely on accurate information regarding economic conditions and trends and on empirically based theories or models that allow officials to anticipate the economy's performance under specified conditions The traditional assumption which this collection of essays challenges is that despite this profound dependence governments have generally acted as passive consumers of whatever ideas economists in the private sector and professions had to offer This book brings together papers that reveal the ways in which modern states have helped to generate new economic knowledge and how that process interacts with economic changes specific political institutions and ideological contexts

Talking Politics A. W. Sparkes, 2006-06-19 Talking Politics is a philosophical examination of some of the basic concepts of political discourse Its primary focus is on the ordinary on what is said by politicians in newspapers and by people in pubs rather than on the works of political theorists This is a work of but not on political theory Talking Politics is Invaluable as a source of reference for students and contains a detailed index Arranged thematically around topics such as Nation Each entry has copious cross references and suggestions for further reading A W Sparkes is uniquely qualified to write such a book combining some thirty years teaching as a philosopher with wide experience of and a life long fascination with politics His attitude is that of a critical but uncynical observer

The Oxford Handbook of Christianity and Law John Witte (Jr.), Rafael Domingo, 2024 This volume tells the story of the interaction between Christianity and law historically and today in the traditional heartlands of Christianity and around the globe Sixty new chapters by leading scholars provide authoritative and accessible accounts of foundational Christian teachings on law and legal thought over the past two millennia the current interaction and contestation of law and Christianity on all continents how Christianity shaped and was shaped by core public private penal and procedural laws various old and new forms of Christian canon law natural law theory and religious freedom norms Christian teachings on fundamental principles of law and legal order and Christian contributions to controversial legal issues Together the chapters make clear that Christianity and law have had a perennial and permanent influence on each other over

time and across cultures albeit with varying levels of intensity and effectiveness This volume defines Christianity broadly to include Catholic Protestant and Orthodox traditions and various denominations and schools of thought within them It draws on Christian ideas and institutions norms and practices texts and titans to tell the story of Christianity s engagement with the world of law over the past two millennia The volume also defines law broadly as the normative order of justice power and freedom The chapters address natural laws of conscience reason and the Bible and positive laws enacted by states churches and voluntary associations Several chapters focus on Christian engagement with specific types of law canon law family law education law constitutional law criminal law procedural law and laws governing labor tax contracts torts property and beyond Other chapters take up cutting edge legal issues of racial justice environmental care migration euthanasia and bio technology as well as fundamental legal principles of liberty dignity equality justice equity judgment and solidarity

Gunfighter Nation Richard Slotkin,1998 Examines the ways in which the frontier myth influences American culture and politics drawing on fiction western films and political writing *The New Unionism* Charles C. Heckscher,2018-09-05 In his visionary analysis Charles Heckscher argues for associational unionism a model outside the tradition of American labor law Rejecting the usual boundary between workers and management Heckscher defines a genuinely new system of representation that encourages multilateral negotiation involving management different groups of employees and other interested parties such as consumers or environmentalists *The New Unionism* a Twentieth Century Fund Book was first published in 1988 This edition includes a new introduction by the author in which he reviews the significance of recent economic and political trends and addresses some of the criticisms of the concept of an associational union *Inequalities and the Progressive Era* Guillaume Vallet,2020-06-26 *Inequalities and the Progressive Era* features contributors from all corners of the world each exploring a different type of inequality during the Progressive Era 1890s 1930s Though this era is most associated with the United States it corresponds to a historical period in which profound changes and progress are realized or expected all over the globe **Regoverning the Workplace** Cynthia Estlund,2010-01-01 This original book seeks to shape current trends toward employer self regulation into a new paradigm of workplace governance in which workers participate The decline of collective bargaining and the parallel rise of employment law have left workers with an abundance of legal rights but no representation at work Without representation even workers legal rights are often under enforced At the same time however many legal and social forces have pushed firms to self regulate to take on the task of realizing public norms through internal compliance structures Cynthia Estlund argues that the trend toward self regulation is here to stay and that worker friendly reformers should seek not to stop that trend but to steer it by securing for workers an effective voice within self regulatory processes If the law can be retooled to encourage forms of self regulation in which workers participate it can help both to promote public values and to revive workplace self governance **Technocracy and the American Dream** William E. Akin,1977 This study focuses on the genesis and development of the Technocrats

philosophy and describes the movement's initial popularity in 1932 and 1933 and its rapid decline as a result of the Technocrats' failure to develop a political philosophy which could reconcile their technological aristocracy with democracy

Solidarity and Suffering Douglas Sturm, 1998-01-01 Developing a concept of justice as solidarity this work addresses a range of urgent social issues from the meaning of human rights and the character of corporate governance to the resolution of social conflict and the moral status of the environment Alice Henry: The Power of Pen and Voice Diane

Kirkby, 1991-04-26 A biography of Alice Henry 1857-1943 a pioneer in both the Australian and American labour movements

Mutual Aid and Union Renewal Samuel B. Bacharach, Peter A. Bamberger, William J. Sonnenstuhl, 2018-08-06 The ongoing decline in union membership is generally attributed to an increasingly hostile economic legal and managerial environment Samuel B. Bacharach, Peter A. Bamberger and William J. Sonnenstuhl argue that the decline may have more to do with a crisis of union legitimacy and member commitment. They further suggest that both problems could be addressed if the unions return to their nineteenth century mutual aid based roots. The authors contend that the labor movement is characterized by two models of union member relations: the mutual aid logic and the servicing logic. The first predominated in the early days and encouraged a sense of community among members who worked to support one another. In the twentieth century it was largely replaced by the servicing model which asks little of members who remain loyal only if their leaders deliver increasing wages and benefits. Regaining legitimacy and strengthening member commitment can only happen, the authors claim, if mutual aid logic is allowed to return. They examine three unions in the transportation industry to judge the effectiveness of new programs created after the old model. **American Progressives and German Social Reform, 1875-1920**

Axel R. Schäfer, 2000 This study recreates the intellectual climate and transatlantic setting of turn of the century American reform. It examines the influence and meaning of German social thought and reform in the American Reform Movement prior to World War I. The American Progressives used the German theories in order to develop and establish new concepts of reform and to base democracy on principles other than possessive individualism, utilitarian ethics and market ideology that liberalism held in stock. However, due to the war, these reforms lost their radical character. In the end, the progressive quest for a broader sphere of public control, participatory models of reform and social ethics yielded to the liberal model of regulation, business co-operation and administrative efficiency and to the moralistic agenda of prohibition and immigration control. Axel R. Schafer's fine study of what American progressives learned from their German counterparts adds to the growing literature illuminating the cosmopolitan breadth and ideological daring of turn of the century reform. It is a testament to the argumentative force of this insightful work that it so clarifies and deepens the vital debate over the progressive legacy in our new Gilded Age. The Journal of American History Schafer did not intend to offer an exhaustive treatment; instead, he wished to show that part of progressive thought was not merely home-grown, a relection of narrow moralistic Protestantism, but had some German roots too. This he did well and readers may mine his chapters for other

insightsa German Studies Review Axel R Schafer's kenntnisreiche methodisch reflektierte und quellengesattigte Untersuchung legt die bis vor kurzem nur wenig beachteten transatlantischen Bezüge der progressiven Bewegung an der Wende vom 19 zum 20 Jahrhundert frei und bettet dieses als sehr amerikanische geltende Reformphänomen starker in seinen weltlichen Gesamtzusammenhang ein Schafer wird daher nicht nur von Amerikaspezialisten mit Gewinn gelesen werden sondern auch von Historikern die sich mit interkulturellen Austauschprozessen beschäftigen Das Historisch Politische Buch Selten jedenfalls ist die Krise des Progressivism im Ersten Weltkrieg so klar analysiert worden wie hiera Historische Zeitschrift Anachronismen vermeidend und mit grosser Fähigkeit zur Empathie zeichnet Schafer die Motive und Vorstellungswelten der Akteure nach ohne sie von vornherein zu verurteilen Auf diese Weise gelingt ihm eine sehr differenzierte Darstellung Neue Politische Literatur Franz Steiner 2000 *Monthly Labor Review*, 1993 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

Technological Utopianism in American Culture Howard P. Segal, 2005-11-07 Featuring twenty five writers in all this book includes Howard P Segal's acclaimed work on utopian visionaries *Social Change and Politics* Morris Janowitz, 2017-07-05 This classic study deals with social control in advanced industrial society especially the United States and particularly the half century after World War I The United States is representative of Western advanced industrial nations that have been faced with marked strain in their political institutions These nation states have been experiencing a decline in popular confidence and distrust of the political process an absence of decisive legislative majorities and an increased inability to govern effectively that is to balance and to contain competing interest group demands and resolve political conflicts Janowitz uses the sociological idea of social control to explore the sources of these political dilemmas Social control does not imply coercion or the repression of the individual by societal institutions Social control is rather the face of coercive control It refers to the capacity of a social group including a whole society to regulate itself Self regulation implies a set of higher moral principles beyond those of self interest Since the end of World War II the expanded scope of empirical research has profoundly transformed the sociological discipline The repeated efforts to achieve a theoretical reformulation have left a positive residue but there have been no new conceptual breakthroughs that are compelling This book is a concerted and detailed effort to organize and to make sense out of the vastly increased body of empirical research

The American Idea Of Industrial Democracy 1865 1965 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The American Idea Of Industrial Democracy 1865 1965 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The American Idea Of Industrial Democracy 1865 1965 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The American Idea Of Industrial Democracy 1865 1965 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading The American Idea Of Industrial Democracy 1865 1965. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The American Idea Of Industrial Democracy 1865 1965 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The American Idea Of Industrial Democracy 1865 1965 Books

What is a The American Idea Of Industrial Democracy 1865 1965 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The American Idea Of Industrial Democracy 1865 1965 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The American Idea Of Industrial Democracy 1865 1965 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The American Idea Of Industrial Democracy 1865 1965 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The American Idea Of Industrial Democracy 1865 1965 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
