# The American Language In The 1970s

**Glendon F. Drake**

## **The American Language In The 1970s:**

**The American Language in the 1970s** Herman A. Estrin, Donald V. Mehus, 1974      **The Role of Prescriptivism in American Linguistics, 1820-1970** Glendon F. Drake, 1977-01-01 The phenomenon of absolutist prescriptive correctness is persistent and pervasive in the linguistic through of educated and intelligent citizens of the United States This volume is not only and attempt to gain some understanding of the source nature and operation of the prescriptive attitude but also to examine it in the light of what Einar Haugen 1972 has called the ecology of language that is the relationship between language attitudes and other social and cultural behavior      **Toward a Social History of American English** Joey L. Dillard, 2015-11-27 No detailed description available for Toward a Social History of American English      *Higher Education Amendments of 1970* United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Education, 1971      **Occupational Safety and Health Act, 1970** United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Labor, 1970      *Mexican American English* Erik R. Thomas, 2019-02-21 A comprehensive linguistic analysis of Mexican American English introducing a model of the language shift that results within immigrant groups      **Readings in African American Language** Nathaniel Norment, 2003 Readings in African American Language Aspects Features and Perspectives Volume 2 brings together scholars who research various theoretical approaches of the origin characteristics and development of African American Vernacular English AAVE The advantages of AAVE codeswitching dialect interference in writing theories and politics in AAVE text analysis and critical pedagogy all are discussed in this volume Each article provides a different perspective attesting to the vitality and relevance of African American language as an academic social and cultural linguistic entry in the field of language studies      *Resources in Education* , 1977      *Word from the Mother* Geneva Smitherman, 2021-11-25 This classic text by Geneva Smitherman pioneering scholar of Black Talk is a definitive statement on African American Language AAL Enriched by her inimitable writing style the book outlines past debates on the speech of African Americans and provides a vision for the future As global manifestations of AAL increase she argues that we must broaden our conception of the language and its speakers and further examine the implications of gender age and class on AAL Perhaps most of all we must appreciate the artistic and linguistic genius of AAL from Hip Hop lyrics to the rhyme and rhetoric of the broader Black speech community Smitherman explores AAL s contribution to American English includes a summary of expressions as a suggested linguistic core of AAL and features cartoons that educate readers on the broader relationship between language race and racism This classic edition features a new foreword by H Samy Alim celebrating Smitherman s continuing impact on Black Language scholarship and her influence on the future of the field Word from the Mother is an essential read for students of African American speech language culture and sociolinguistics as well as the general reader interested in the worldwide crossover of Black popular culture      **Chicano Scholars and Writers** Julio A. Martínez, 1979 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com)

**Research 1970** United States. Social and Rehabilitation Service. Office of Research, Demonstrations, and Training. Research Utilization Branch, 1970

*African-American English* Salikoko S. Mufwene, 1998 This book covers both the linguistic features of African American English in particular the grammar phonology and lexicon and the sociological political and educational issues associated with it

A Companion to the History of the English Language Haruko Momma, Michael Matto, 2009-11-18 A Companion to the History of the English Language addresses the linguistic cultural social and literary approaches to language study The first text to offer a complete survey of the field this volume provides the most up to date insights of leading international scholars An accessible reference to the history of the English language Comprises more than sixty essays written by leading international scholars Aids literature students in incorporating language study into their work Includes an historical survey of the English language from its Germanic and Indo European beginnings to modern British and American English Enriched with maps diagrams and illustrations from historical publications Introduces the latest scholarship in the field

**Oxford Dictionary of English** Angus Stevenson, 2010-08-19 19 pages of contents in middle of book between end of L and beginning of M

American Folklore Studies Simon J. Bronner, 1986

The ^AOxford Handbook of African American Language Sonja Lanehart, 2015-06-01 The goal of The Oxford Handbook of African American Language is to provide readers with a wide range of analyses of both traditional and contemporary work on language use in African American communities in a broad collective

*Mennonites in Canada: 1939-1970 : a people transformed* Frank H. Epp, T. D. Regehr, 1974-01-01 T D Regehr shows how the Second World War challenged the pacifist views of Mennonites and created a population more aware of events problems and opportunities for Christian service and personal advancement in the world beyond their traditional rural communities

**Lau v. Nichols and Chinese American Language Rights** Trish Morita-Mullaney, 2024-08-13 This book employs a narrative policy portraiture approach to recenter the stories of the Chinese community involved in the Lau v Nichols court case of 1974 This seminal Supreme Court case ruled that the failure to provide adequate and accessible instruction to approximately 1800 students of Chinese ancestry denied them the opportunity to participate in public education and constituted a discrimination on the basis of national origin While much has been written on language education policy changes for emergent bilinguals in the US the perspectives of the key actors involved in the case are rarely heard This book brings Chinese and Chinese American voices to the forefront placing the participants within the retrospective social context as they reach their own conclusions about the process and outcomes of the case It draws upon research in language policy and Asian American studies and invites readers to imagine the social futures and possibilities for what Lau v Nichols means for the 21st century and beyond The volume fills a significant gap in narration representation and retrospective research and will be of interest to graduate students and researchers in Asian American studies bilingual education educational policy and leadership as well as teachers school administrators and policymakers

**Imagining Language in America** Michael P. Kramer, 2014-07-14 In this study of the rhetoric of American writings on

language Michael Kramer argues that the prevalent critical distinction between imaginative and nonimaginative writing is of limited theoretical use Breaking down the artificial disciplinary barriers between two areas of scholarly inquiry the literature of the American Renaissance and the study of language in the United States between the Revolution and the Civil War Kramer finds in various walks of intellectual life a broad range of writers who imagined language for the new experiment in self government Each of these men combined ideas about language with ideas about America so as to form cultural fictions or creative renderings of the nation its meaning its character and how it worked In order to reassess American linguistic and literary nationalism Kramer allows Noah Webster whose influential grammatical and lexicographic works have been considered only marginal to literary history to share the stage with more conventionally literary figures the neglected Longfellow and the canonical Whitman Then an essay on The Federalist and the pragmatic language related problems faced by the founding fathers introduces revisionary analyses of two New England writers who confronted American culture and society through their Romantic critiques of language the minister and theologian Horace Bushnell and Nathaniel Hawthorne Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **Humanities** ,1995

## Unveiling the Power of Verbal Art: An Mental Sojourn through **The American Language In The 1970s**

In a world inundated with displays and the cacophony of fast transmission, the profound energy and emotional resonance of verbal artistry usually diminish in to obscurity, eclipsed by the regular barrage of noise and distractions. Yet, located within the lyrical pages of **The American Language In The 1970s**, a interesting perform of literary splendor that pulses with natural thoughts, lies an remarkable trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, this interesting opus guides viewers on a psychological odyssey, delicately revealing the latent possible and profound affect embedded within the delicate internet of language. Within the heart-wrenching expanse of the evocative examination, we can embark upon an introspective exploration of the book is central themes, dissect their captivating writing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
