The Adventure Of The Lost Manuscripts:

The Adventure of the Lost Manuscripts & One Other Edmund Lester Pearson, 1974 **The Lost Manuscript** Gustav Freytag, 1865 *The Lost Manuscript* Mollie Rushmeyer, 2023-08-29 In the vein of *The Library of Lost and Found* by Phaedra Patrick a priceless manuscript could be one woman's key to finding her missing grandmother and to her own second chance. It's not just Ellora Lockwood's home that's being emptied as she prepares to sell her heart seems to be empty too. Since the mysterious disappearance of her beloved Grandma June and separating from her husband Alex, Ellora has felt adrift. Then comes an invitation from Alex to teach history at a summer program at Alnwick Castle in England. He's even found information about the location of a medieval manuscript that was her grandmother's obsession before she vanished. Warily, Ellora accepts Alex's offer. Surrounded by lush English countryside and captivating history, she pieces together clues about the manuscript's whereabouts and uncovers new questions. Could someone have been sabotaging her grandmother's work? Anonymous threats lead Ellora to suspect she too may be in danger, but as she and Alex work together, she's finding strength, new purpose, and the courage to see this quest through wherever it may lead. *The Lost Manuscript* Gustav Freytag, 2022-05-31 Reprint of the original first published in 1865. A Novel Translated by Mrs Malcolm *The Lost Manuscript* Cathy Bonidan, 2021-01-12 Poignant and powerful. Publishers Weekly starred review. *The Lost Manuscript* is a charming epistolary novel about the love of books and magical ability they have to bring people together. Sometimes a book has the power to change your life. When Anne Lise Briard books a room at the Beau Rivage Hotel for her vacation on the Brittany coast, she has no idea this trip will start her on the path to unearthing a mystery. In search of something to read, she opens up her bedside table drawer in her hotel room and inside she finds an abandoned manuscript. Halfway through the pages, an address is written. She sends pages to the address in hopes of potentially hearing a response from the unknown author. But not before she reads the story and falls in love with it. The response, which she receives a few days later, astonishes her. Not only does the author write back, but he confesses that he lost the manuscript 30 years prior on a flight to Montreal. And then he reveals something even more shocking: that he was not the author of the second half of the book. Anne Lise can't rest until she discovers who this second mystery author is and, in doing so, tracks down every person who has held this manuscript in their hands. Through the letters exchanged by the people whose lives the manuscript has touched, she discovers long-lost love stories and intimate secrets. Romances blossom, and new friends are made. Everyone's lives are made better by this book, and isn't that the point of reading? And finally, with a plot twist you don't see coming, she uncovers the astonishing identity of the author who finished the story.
