**The Age of Innocence** Edith Wharton, 2010-08 As the scion of one of New York's leading families Newland Archer has been born into a life of sumptuous privilege and strict duty Sensitive and intelligent he respects the rigid social codes of his class and is thankful that his forthcoming marriage to May Welland is to one of his own kind But the arrival of the Countess Olenska a free spirit who breathes clouds of European sophistication makes him question the path on which his upbringing has set him As his fascination with her grows he discovers how difficult it is to escape the bounds of the society that has shaped him Wharton's Pulitzer Prize winning novel is at once a poignant story of frustrated love and an extraordinarily vivid delightfully satirical portrait of a vanished world Publisher's website [Sex, Power and the Folly of Marriage in Women's Novels of the 1920s](#) Judy Cornes, 2015-10-26 The Americans experienced great social change in the decade following World War I They were restless often discontented searching for the good life the one promised to the generation who cheered on by patriotic slogans and propaganda enlisted to fight on European battlefields While young writers such as Hemingway and Fitzgerald romanticized the lives of Americans in postwar Europe and the U S a number of women authors in the 1920s looked through a darker lens The novels of Edith Wharton Willa Cather Margaret Wilson Edna Ferber Ellen Glasgow Dorothy Scarborough and Dawn Powell set mainly in the 19th century searched the past for the origins of postwar upheaval especially with respect to the status of women Today a few iconic male novelists of the 1920s are synonymous with the spirit and culture of the Jazz Age This book focuses on their female contemporaries largely neglected by both critics and readers who remain relevant for their exploration of timeless social and psychological themes the battle of the sexes and its tragic consequences [Coventry](#) Rachel Cusk, 2019-09-17 NPR's Favorite Books of 2019 Rachel Cusk redrew the boundaries of fiction with the Outline Trilogy three literary masterpieces The Washington Post whose narrator Faye perceives the world with a glinting unsparing intelligence while remaining opaque to the reader Lauded for the precision of her prose and the quality of her insight Cusk is a writer of uncommon brilliance Now in Coventry she gathers a selection of her nonfiction writings that both offers new insights on the themes at the heart of her fiction and forges a startling critical voice on some of our most urgent personal social and artistic questions Coventry encompasses memoir cultural criticism and writing about literature with pieces on family life gender and politics and on D H Lawrence Françoise Sagan and Kazuo Ishiguro Named for an essay Cusk published in Granta Every so often for offences actual or hypothetical my mother and father stop speaking to me There's a funny phrase for this phenomenon in England it's called being sent to Coventry this collection is pure Cusk and essential reading for our age fearless unrepentantly erudite and dazzling to behold [The End of the Age of Innocence](#) A. Levander, Carol J. Singley, 2003 From the time that the infant colonies broke away from the parent country to the present day narratives of U S national identity are persistently configured in the language of childhood and family In *The American Child* A Cultural Studies Reader contributors address matters of race gender and family to chart the ways that representations of the child typify historical periods and conflicting ideas They build on the recent critical renaissance in childhood studies by bringing to their essays a wide range of critical practices and methodologies Although the volume is grounded heavily in the literary it draws on other disciplines revealing that representations of children and childhood are not isolated artifacts but cultural productions that in turn affect the social climates around them Essayists look at games pets adolescent sexuality death family relations and key texts such as *The Adventures of Huckleberry Finn* and the movie *Pocahontas* they reveal the ways in which the figure of the child operates as a rich vehicle for writers to consider evolving ideas of nation and the diverse role of citizens within it      *Communists in Closets* Bettina Aptheker, 2022-09-09 *Communists in Closets* Queering the History 1930s 1990s explores the history of gay lesbian and non heterosexual people in the Communist Party in the United States The Communist Party banned lesbian gay bisexual and transgender LGBT people from membership beginning in 1938 when it cast them off as degenerates It persisted in this policy until 1991 During this 60 year ban gays and lesbians who did join the Communist Party were deeply closeted within it as well as in their public lives as both queer and Communist By the late 1930s the Communist Party had a membership approaching 100 000 and tens of thousands more people moved in its orbit through the Popular Front against fascism anti racist organizing especially in the south and its widely read cultural magazine *The New Masses* Based on a decade of archival research correspondence and interviews Bettina Aptheker explores this history also pulling from her own experience as a closeted lesbian in the Communist Party in the 1960s and 70s Ironically

and in spite of this homophobia individual Communists laid some of the political and theoretical foundations for lesbian and gay liberation and women s liberation and contributed significantly to peace social justice civil rights and Black and Latinx liberation movements This book will be of interest to students scholars and general readers in political history gender studies and the history of sexuality     *The Bookman's Journal and Print Collector* Wilfred Partington,1920     **Bookman's Journal**

Cadima,2023-07-11 American novelist Edith Wharton 1862 1937 is best known today for her tales of the city and the experiences of patrician New Yorkers in the Gilded Age This book pushes against the grain of critical orthodoxy by prioritizing other species of spaces in Wharton s work For example how do Wharton s narratives represent the organic profusion of external nature Does the current scholarly fascination with the environmental humanities reveal previously unexamined or overlooked facets of Wharton s craft I propose that what is most striking about her narrative practice is how she utilizes adapts and translates pastoral tropes conventions and concerns to twentieth century American actualities It is no accident that Wharton portrays characters returning to or exploring various natural localities such as private gardens public parks chic mountain resorts monumental ruins or country estate follies Such encounters and adventures prompt us to imagine new relationships with various geographies and the lifeforms that can be found there The book addresses a knowledge gap in Wharton and the environmental humanities especially recent debates in ecocriticism The excavation of Wharton s words and the background of her narratives with an eye to offering an ecocritical reading of her work is what the book focuses on     Narrative in the Professional Age Jennifer Cognard-Black,2004-03-02 Challenging previous studies that

claim anxiety and antagonism between transatlantic Victorian authors Jennifer Cognard Black uncovers a model of reciprocal influence among three of the most popular women writers of the era Combining analyses of personal correspondence and print culture with close readings of key narratives this study presents an original history of transatlantic authorship that examines how these writers invented a collaborative aesthetics both within and against the dominant discourse of professionalism     *Analysis and Assessment, 1980-1994* Cary D. Wintz,1996 Twenty nine collected essays represent a

critical history of Shakespeare s play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate     *Indian Journal of American Studies* ,1998     **"The" Athenaeum** ,1897     **Subject Guide to Books in Print**
