The Age of Miracles Karen Thompson Walker, 2012 Imagines the coming of age story of young Julia whose world is thrown into upheaval when it is discovered that the Earth's rotation has suddenly begun to slow posing a catastrophic threat to all life *The Age of Miracles* Karen Thompson Walker, 2012-06-21 A stunner from the first

page an end of the world coming of age tale of quiet majesty I loved this novel Justin Cronin author of *The Passage* WHAT IF our 24 hour day grew longer first in minutes then in hours until day becomes night and night becomes day What effect would this slowing have on the world On the birds in the sky the whales in the sea the astronauts in space and on an eleven year old girl grappling with emotional changes in her own life One morning Julia and her parents wake up in their suburban home in California to discover along with the rest of the world that the rotation of the earth is noticeably slowing The enormity of this is almost beyond comprehension And yet even if the world is in fact coming to an end as some assert day to day life must go on Julia facing the loneliness and despair of an awkward adolescence witnesses the impact of this phenomenon on the world on the community on her family and on herself It is never what you worry over that comes to pass in the end The real catastrophies are always different unimagined unprepared for unknown **The Age of Miracles** Ellen Gilchrist, 2013-11-22

In her exuberantly funny bittersweet collection Ellen Gilchrist offers 16 stories that delve into the vibrant lives of her signature strong willed women Ranging from hilarity to despair innocent children bewildered by their elders behavior a writer living on Xanax and a socialite seeking a health cure only to find romance instead of rest Gilchrist's high spirited characters always tend to find themselves in outrageous situations The beloved and feisty Rhoda Manning returns fighting the lure of the bottle while relentlessly going after her dream of becoming a famous writer And while the restraint of family and society continues to haunt Gilchrist's characters they prove fearless and deliciously carve their own chaotic paths toward survival Set in Fayetteville Arkansas and New Orleans Louisiana the tales are artfully fashioned providing tastes of marvelously trouble prone people at every stage of life Packed with humor sexuality and ever true to human weakness this collection is romantic and full of passion a treat in which readers will happily indulge PRAISE *The Age of Miracles* is Ellen Gilchrist's best book yet Its comedy irony sexuality inwardness and sadness all of it undergirded by a brave and funny sensibility convince me anew that her work is in the first rank of American fiction today Willie Morris Author of *My Dog Skip* and *North Towards Home* *The Age of Miracles* itself seems a miracle powerfully illustrating the serenity that people sometimes develop as they age the reward for enduring all the difficulties and disappointments of life San Francisco Examiner and Chronicle The stories in this collection are among her best Miami Herald *The Age of Miracles* Marianne Williamson, 2008-01-01 As seen on OWN's Super Soul Sunday The need for change as we get older an emotional pressure for

one phase of our lives to transition into another is a human phenomenon neither male nor female There simply comes a time in our lives not fundamentally different from the way puberty separates childhood from adulthood when it s time for one part of ourselves to die and for something new to be born The purpose of this book by best selling author and lecturer Marianne Williamson is to psychologically and spiritually reframe this transition so that it leads to a wonderful sense of joy and awakening In our ability to rethink our lives lies our greatest power to change them What we have called middle age need not be seen as a turning point toward death It can be viewed as a magical turning point toward life as we ve never known it if we allow ourselves the power of an independent imagination utilizing thought forms that don t simply flow in a perfunctory manner from ancient assumptions handed down to us but rather flower into new archetypal images of a humanity just getting started at 45 or 50 What we ve learned by that time from both our failures as well as our successes tends to have humbled us into purity When we were young we had energy but were clueless about what to do with it Today we have less energy perhaps but we have far more understanding of what each breath of life is for And now at last we have a destiny to fulfill not a destiny of a life that s simply over but rather a destiny of a life that is finally truly lived Midlife is not a crisis it s a time of rebirth It s not a time to accept your death it s a time to accept your life and to finally truly live it as you and you alone know deep in your heart it was meant to be lived
