The Agency When Souls Collide:

The Agency Lynn Yvonne Moon, 2004-09 This book is a novel It is a work of fiction and is not intended to represent a real person However this book combines fiction realities of life and the Bible to present the dramatic story of Wyatt Spencer a very selfish and dangerous man whose life went from bad to worse to even worse This book does provide a spiritual message Wyatt s life and his decisions are very depressing and discouraging Even when he is innocent he still goes to prison But just when it looks totally hopeless with some dramatic and unexpected events awareness begins to dawn on the selfish and self centered Wyatt Although very slowly Wyatt finally begins to see that there is more to life than just himself The road upward is a long difficult and sometimes frustrating journey but it will hold the reader s interest to see this struggle and its outcome

When Two Souls Meet Vahe Salibian, 2010-08-24 From Beirut and from the south of Lebanon three of the characters in the novel find themselves in Montreal Canada and through a set of unpredictable circumstances find themselves related to each other where their lives get tangled and correlate converge and diverge on different levels Fadi is a young handsome journalism student at McGill University and chance brings him face to face with a locally born architect Andre who ends up challenging all his reservations thus far and irreversibly changes his life challenging his resolve and inviting him ever so kindly and with patience and love out of his self imposed prison the culture he left behind his upbringing and the limitations it imposes on him What happens to them would come to alter their lives in ways thus far unimagined and under no consideration into easy street Some very tough decisions are ahead Marwan is an ex militiaman who now drives a taxi in the streets of Montreal having escaped the ranks under unenviable and totally near disastrous set of events that are otherwise potentially detrimental to his well being and disruptive of his life He is a newly wed man expecting a baby with his loving wife but then things are not as simple as 1 2 3 in life and he finds himself by chance facing certain events that are to shake him to the foundations of his being challenge his emotions and threaten his loving marriage with the baby on the way His daydreaming flashes of memory from the past and the current predicament he finds himself in are at times a little too much to take for the smiling and very kind taxi driver but the only way to face his future is not through the easy way out Somehow related through destiny to the taxi driver Mohammed is also in Montreal recently though the two are not aware of this fact A chance taxi fare pick up brings them together after many years where neither one was aware of the other s whereabouts or whether one or the other was still alive Mohammed a new refugee in Canada is looking for work and working on putting his shattered life together and a fresh new start in a new city For him too life has a few surprises as he goes on about with his new life and an eventual business trip to Las Vegas ends up in turbulence and disruption of life to no total fault of his own and yet the involvement is way too much to bear and tears and black destiny are around the corner Andre meanwhile imposes silence upon himself for a while at least after he leaves the hospital after a prolonged stay but only until his brother and his family find out by chance it was not due to the loss of speech he was not talking which opens the door wide to

questions interpretations and eventual confessions and then unexpected counter confessions of his brother who had been hiding a big secret most of his life It all comes to the fore and is to effect other interrelations between the different characters by association or by mere careless mistakes that are committed coincidence doubt jealousy prying and pursuit charged human emotions with what turns out to dire results for some and worse for others Life is never easy but still interesting and worth every moment we live through Not all is bad though To some readers some of the events are a total surprise and may be hard to believe but are facts of life all the same When two souls meet things happen **Sermons preached before the University of Cambridge Dec., 1844** Daniel MOORE (Vicar of Trinity Church, Paddington.),1845

Robinson, 2021-05-27 Passion's Fictions traces the intimate links between literature and the sciences of mind and soul from the age of Shakespeare to the rise of the novel It chronicles the emergence of new sciences of the passions between the sixteenth and eighteenth centuries and it argues that this history was shaped by rhetoric that contained the most extensively particularized discourse on the passions offering principles for moving and affecting the passions of others in concrete social scenes This rhetoric of the passions centered on narrative as the instrument of a non theoretical knowledge of the passions in their particularity predicated on an account of passion as an intimate relation between an impassioned mind and an impassioning world rhetoric offers a kind of externalist psychology formalized in the relation of passion to action and underwriting an account of narrative as a means of both moving passion and knowing it This volume describes the psychology of the passions before the discipline of psychology tracing the influence of rhetoric on theories of the passions from Francis Bacon to Adam Smith and using that history to read literary works by Shakespeare Milton Haywood Richardson and others Narrative offers a means of knowing and moving the passions by tracing them to the events and objects that generate them the history of narrative practices is thus a key part of the history of the psychology of the passions at a critical moment in its development Proposal to Require Traffic Alert and Collision Avoidance Systems on Cargo Aircraft United States.
