*Philo Judaeus* Naomi G. Cohen,1995 Philo's specific agenda is seen to be the presentation of a brief for a commitment to Judaism including the obligation both to the study and to the practice of the Torah commandments and the ancient unwritten traditions This he argues from the vantage point of a thoroughly hellenized Jew to a thoroughly hellenized audience Among the subjects treated in the book Philo as part of an ongoing Palestinian Diaspora midrashic tradition Judaism considered as a philosophy The Greek Virtues and the Mosaic Laws Philo's Shema includes a discussion of Philo's conception of the Phylacteries the Mezuzah and the absence in Philo of Parashath Tsitsith the use of many Greek words and Greek word combinations in an idiosyncratic Jewish connotation in Jewish contexts Philo's curriculum of study The Oral Law and Philo

**The Writings of Philo of Alexandria** Philo of Philo of Alexandria, 2017-09-22 Philo of Alexandria also called Philo Judaeus was a Hellenistic Jewish philosopher who lived in Alexandria in the Roman province of Egypt Philo used philosophical allegory to harmonize Jewish scripture mainly the Torah with Greek philosophy His method followed the practices of both Jewish exegesis and Stoic philosophy His allegorical exegesis was important for several Christian Church Fathers but he has barely any reception history within Rabbinic Judaism He believed that literal interpretations of the Hebrew Bible would stifle humanity's perception of a God too complex and marvelous to be understood in literal human terms Some scholars hold that his concept of the Logos as God's creative principle influenced early Christology Other scholars deny direct influence but say that Philo and Early Christianity borrow from a common source The only event in Philo's life that can be decisively dated is his participation in the embassy to Rome in 40 CE He represented the Alexandrian Jews in a delegation to Roman Emperor Caligula following civil strife between the Alexandrian Jewish and Greek communities The story of this event and a few other biographical details are found in Josephus and in Philo's own works especially in *Legatio ad Gaium* Embassy to Gaius of

**Philo Judaeus, Vol. 1 of 2** James Drummond,2015-06-26 Excerpt from Philo Judaeus Vol 1 of 2 Or the Jewish Alexandrian Philosophy in Its Development and Completion The work which is here offered to the public is not intended to be a complete introduction to the study of Philo The literature of the subject is only incidentally referred to and of the many topics which might attract the student to the writings of the Alexandrian only one has received systematic treatment My studies originated in the desire to learn at first hand what Philo thought and why he thought it and in order to guard as far as possible against every bias I have considered it best both in my own investigations and in giving the results to the public to avoid all side issues and make the discussion purely historical But while one could only gain by setting aside for the time the bearing of Philo s teaching upon Christian dogma it was impossible to understand it without tracing the previous streams of thought which met and mingled in the hospitable eclecticism of his philosophy I have therefore prefixed to the book on Philo a sketch of those lines of Greek speculation which had the most influence upon him and some account of that development of Hebrew thought of which he is the most distinguished representative About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
