Christ and the Altar Fire David L. Augustine,2021 The topic of this dissertation is the center and culmination of the systematic theology of the German Catholic dogmatic theologian Matthias Joseph Scheeben 1835-88 the deification of the human being through sacrifice I argue that Scheeben is able to conceive of sacrifice as the ultimately perfective process of human deification due to his use of the Old Testament OT type of the God given altar fire as a type for grace charity and glory in the New Testament NT A corollary of this idea is that the non rational sacrificial victims of the OT plants and animals were stand ins for the human offerer It is the human being that therefore needs the NT counterpart to the sacrificial treatment the substitute victims received in the OT rites of sacrifice Offered up in sacrifice through the divine grace fire Scheeben holds that the human being is called to rise up to God in a transfigured form that is the NT equivalent to the odor of sweetness that resulted from the ritual burning of a sacrificial victim in the OT As sacrifice is about the deification of the human being this work focuses extensively on Scheeben s understanding of Jesus Christ s status as primordial priest and archetypal sacrificial victim a status that arises from his deification par excellence through the hypostatic union Scheeben grounds Christ s unique priesthood 1 in the grace of union and 2 in his attendant accidental graces In Christ s actual redemptive deed Scheeben

applies the altar fire typology twice over to 1 Christ's charity in his Passion and 2 to his bodily glorification in the resurrection. Scheeben's dual use of the altar fire typology is what allows him to give a coherent account of the unity of Christ's Paschal mystery in accomplishing redemption since it 1 preserves the properly atoning meriting modality of the Passion while 2 accounting for the sacrificial character of the resurrection and the latter's role in effecting human justification. Overall this work demonstrates how Scheeben's sacrificial theology utilizes the grammar of the OT sacrificial rites to give a lucid account of the Christological mediation of grace to humans.

Fire at the Altar PROPHETESS CLAUDETTE HOLLIDAY, 2014-03-13 Prayer must become the driving force to maintain a pure holy lifestyle and a love relationship with God. Prayer is vitally necessary to alter any given situation. Deeper prayer must be birthed out of a desire to embrace God and to build a place where God can create a cohabitation. Enhance your prayer life for a deeper relationship with God. Embrace the altar to purify your soul. Experience God's power to enhance your kingdom assignment. God desire that all would fellowship with him in persistence prayer. Prayer open up spiritual portals and releases the Kingdom of God in the earth realm. It's vitally necessary to make prayer a daily regiment to accomplish God's purpose in our life. Prayer has to be a daily personal accomplishment to fulfill eternal effective results. God will add the abundance life through sacrificial prayer.

The Altar Fire (Classic Reprint) Arthur Christopher Benson, 2017-09-16 Excerpt from The Altar Fire. Foolish and secretive reticence we lose both sympathy and help. I once heard old Mrs Procter the friend of Carlyle and Lamb a brilliant and somewhat stoical lady say to a youthful relative of a sickly habit with stern emphasis. Never tell people how you are.
