The Amateur Boatwomen Eily Gayford,1996-04-01

The British Industrial Canal Jodie Matthews,2023-06-15

Thousands of literary popular non fiction and archival texts since the eighteenth century document the human experience of the British industrial canal This book traces networks of literary canal texts across four centuries to understand our relationships with water with place and with the past In our era of climate crisis this reading calls for a rethinking of the waterways of literature not simply as an antique transport system but as a coal fired energy system with implications for the present This book demonstrates how waterways literature has always been profoundly interested in the things we dig out of the ground and the uses to which they are put The industrial canal never just connected parts of Britain via its literature we read the ways in which we are in touch with previous centuries and epochs how canals linked inland Britain to Empire how they connected forms of labour and people to water

The Home Front in Britain Janis Lomas,2014-10-29 The Home Front in Britain explores the British Home Front in the last 100 years since the outbreak of WW1 Case studies critically analyse the meaning and images of the British home and family in times war challenging prevalent myths of how working and domestic life was shifted by national conflict
