Spies, Wiretaps, and Secret Operations Glenn Peter Hastedt, 2010-12-09 A comprehensive two-volume overview and analysis of all facets of espionage in the American historical experience focusing on key individuals and technologies In two volumes *Spies Wiretaps and Secret Operation* An Encyclopedia of American Espionage ranges across history to provide a comprehensive thoroughly up-to-date introduction to spying in the United States why it is done who does it both for and against the United States how it is done and what its ultimate impact has been The encyclopedia includes hundreds of entries in chronologically organized sections that cover espionage by and within the United States from colonial times to the 21st century Entries cover key individuals technologies and events in the history of American espionage Volume two offers overviews of important agencies in the American intelligence community and intelligence organizations in other nations both allies and adversaries plus details of spy trade techniques and a concluding section on the portrayal of espionage in literature and film The result is a cornerstone resource that moves beyond the Cold War-centric focus of other works on the subject to offer an authoritative contemporary look at American espionage efforts past and present

Driving Force Elle James, 2019-10-01 With no identity memory or past She must trust a stranger in order to survive When a woman is caught shadowing the team leader of Declan's Defenders she slams right into the man's protection detail and a former elite Force Recon marine Gus Walsh's instincts tell him she is dangerous in more ways than one Yet when he discovers that she is a Jane Doe with no memory of who she is or why someone is hunting her the pair must team up to find answers But there's no

guarantee they will survive the truth once the dust settles *Just Enemies* Sidney Bristol, 2023-04-18 Liam Keys has stayed away from the love of his life out of guilt and now he has to kidnap her Ten years ago he shattered her fractured family and hasn't forgiven himself Now Prudence is the personal body guard of his number one suspect With a ticking clock and an international incident on the horizon he's left with no options Prudence Wright never thought she'd see Liam again He ghosted her at the lowest point in her life and she hates him Now she's trapped in a basement and she has a pretty good idea why Her client's criminal husband Prudence is determined to protect the wife and get them somewhere safe until she's betrayed by the one person she thought she could trust In an unlikely turn of events Liam needs Prudence's help But she wants nothing to do with him He'll give her the long buried truth she's been after for one favor and pray he survives her wrath

Dangerous Ladies An Aegis Group spin off **Just Business Just Friends Just Casual Just Enemies The Fate of the Tala** Jeffe Kennedy, 2020-02-08 An Uneasy Marriage An Unholy Alliance The tales tell of three sisters daughters of the high king The eldest a valiant warrior woman conquered her inner demons to become the high queen The youngest and most beautiful outlived her Prince Charming and found a strength beyond surface loveliness And the other one Andi The introverted awkward middle princess is now the Sorceress Queen Andromeda and she stands at the precipice of a devastating war As the undead powers of Deyrr gather their forces their High Priestess focuses on Andi undermining her at every turn At the magical barrier that protects the Thirteen Kingdoms from annihilation the massive Dasnarian navy assembles ready to pounce the moment Andi's strength fails And though her sisters and friends gather around her Andi finds that her husband Rayfe plagued with fears over her pregnancy has withdrawn growing ever more distant Fighting battles on too many fronts Andi can't afford to weaken as she's all that stands between all that's good in the world and purest evil For Andi the time to grow into her true power has come **The Arrows of the Heart** Jeffe Kennedy, 2018-10-08 A STRANGER'S FAITH As the Twelve Kingdoms and their allies are drawn toward war a princess cast aside must discover a purpose she never dreamed of Karyn af Hardie behaved like a proper Dasnarian wife She acquiesced she accepted she submitted Until her husband gave her a choice their loveless unconsummated royal marriage or her freedom Karyn chose freedom But with nowhere to run except into the arms of Dasnaria's enemies she wonders if she's made a mistake She wants love security a family She can't imagine finding any of it among the mercurial Tala Worst of all is Zyr The uninhibited shapeshifter is everywhere she looks He's magnetic relentless teasing and tempting as if she's free to take her pleasure where she wishes As if there isn't a war rising before them against a vile and demanding force far stronger than they But with Karyn's loyalty far from certain Zyr offers her only chance to aid the defense a dangerous gambit to seek out a land not seen in centuries using clues no one can decipher Together they'll have every opportunity to fail and one chance to steal something truly precious I think where this author truly excels is in her ability to give us engaging believable heroines that pull us into her worlds and with Karyn she is absolutely spot on There's genuine emotion in this harrowing and yet enchanting story that pits mortals

against ancient Gods and its a series that I never want to end Marta Cox on Goodreads This is a series that benefits from reading in order Each book wraps up a romantic fantasy in its own charming ribbons but also serves to advance the overall plot of the series That being said I think you could hop into THE ARROWS OF THE HEART without being lost and enjoy it for its own yummy goodness before plowing gleefully into the rest of the series Make Kay on Goodreads It was also a tale of empowerment finding strength within yourself and being your own hero among so many other things Timitra on Goodreads

[Deception](#) Gary Grossman,Edwin D. Fuller,2021-06-22 Intelligence experts and thriller authors concur RED DECEPTION is A page turner by authors who might as well sit on the National Security Council When terrorists bomb bridges across the country and threaten the Hoover Dam the vulnerability of America's infrastructure becomes a matter of national security But Dan Reilly a former Army intelligence officer predicted the attacks in a secret State Department report written years earlier a virtual blueprint for disaster somehow leaked and now in the hands of foreign operatives With Washington distracted by domestic crises Russian President Nicolai Gorshkov sends troops to the borders of Ukraine and Latvia ready to reclaim what he feels is Russia's rightful territory Tensions in Europe threaten to boil over as a besieged American president balances multiple crises that threaten to upend the geopolitical order This is the chaos into which Reilly leaps headfirst Reilly's position as Global Head of Security for the Kensington Royal Hotel Corporation means he must keep his customers and staff safe as the crisis envelopes countries across three continents His past as a State Department analyst means he recognizes the connections behind the seemingly disparate terror attacks assassination plots and authoritarian power plays that dominate the headlines But it's the very knowledge that makes him good at his job that also makes him a target to the press to the government and to the forces gathering for another assault on America Follow Reilly as he travels the world to

safeguard both his company's assets and his country's secrets With the US at the mercy of an egomaniacal leader and reporters and covert agents on his tail he may be the one man who can connect the dots before an even bigger catastrophe unfolds RED DECEPTION is the second book in the RED Hotel series The New Tsar Steven Lee Myers,2015-09-29 As the world struggles to confront a bolder Russia the importance of understanding the formidable and ambitious Vladimir Putin has never been greater This gripping narrative of Putin's rise to power recounts Putin's origins from his childhood of abject poverty in Leningrad to his ascent through the ranks of the KGB and his eventual consolidation of rule in the Kremlin On the one hand Putin's many domestic reforms from tax cuts to an expansion of property rights have helped reshape the potential of millions of Russians whose only experience of democracy had been crime poverty and instability after the fall of the Soviet Union On the other Putin has ushered in a new authoritarianism unyielding in its brutal repression of dissent and newly assertive politically and militarily in regions like Crimea and the Middle East The New Tsar is a staggering achievement a deeply researched and essential biography of one of the most important and destabilizing world leaders in recent history a man whose merciless rule has become inextricably bound to Russia's foreseeable future
