Casino Child Lama Milkweed Augustine PhD, 2014-01-29 A boy who was adopted by an ebullient owner of a thriving Las Vegas casino but was born as a laiving composite. His entire torso was an unobstructed rendition of a flat top slot machine. A tale of high action but deep insights into one who is handicapped and where love takes the often chaotic foreground of this little family. The child is actually a mystical King, the King of the Slot Machines, and came here on his own accord as a diving mission to communicate the needs of his gentle slot machines of the world. However, in the process, he succumbs to a myriad of medical afflictions from being birthed in this manner, which he was known as the CASINO CHILD. He passes away from his body's reluctant holdings but long prior to his death, he touches lives of those around the Las Vegas gambling strip in a perplexity of ways, making the slot machines respond by a mere spoken word or a whispering conversation. Facing catastrophic loneliness and truthfully realizing life from no longer the perspective of his obedient slot machines, he brings people into the state of awareness in ways not normally achieved. When the child passes away at his father's sparking casino at night, the entire strip is doused into an inky blackness as every slot machine the world over mourns for the death of their gentle and mystical King, and Creator has passed into the very Heaven. He has long ago created for his quiet and gentle own King of the Slot Machines. He came to his parents in a dream three days after his passing and bequeathed his divine knowledge about his mission to communicate the needs of his slot machines but perhaps our needs as well. **American Book**

Answer: You serve

it up anyway Why let a few lumps of clay and the odd metal screw spoil a decent meal When Bunmi Asaolu arrived at the grand gates of St John Mary s Unity Secondary School SAJOMACO as a first year student you d be forgiven for assuming he was swapping life on the serene university campus he grew up on for another of equal civility Wrong Behind the gates of SAJOMACO lay a world of contradictions unspoken but strict hierarchical codes juxtaposed with utter chaos Asaolu presents a wry satirical and at once serious look at a Nigerian public boarding school in the 1990s through the eyes of a sheltered child navigating its brutal corridors In Surviving SAJOMACO Asaolu s experiences and those of his contemporaries are laid bare giving the reader a raw and at times jarring insight into the incongruencies of school life whilst subtly tracking the story of Nigeria itself Books in Print Supplement ,2002 Snowflake Arthur Jeon,2021-04-14 EDITOR S CHOICE Booklife
