Hugh Hood's highly acclaimed series *The New Age* two linked novellas explore the transforming powers of love. In the first novella Matthew Goderich discovers that his late Uncle Philip has had a secret and emotionally rewarding romantic life. In the second novella Matthew nurses his childhood friend Adam through a long painful and terminal AIDS induced illness. Matthew in the first novella is the detached observer and dogged detective who comes to understand love in the second he finally becomes fully engaged with the emotion of loving as he rids himself of his homophobia and learns to appreciate and embrace Adam his lifelong friend. Matthew's emotional awakening corresponds with society's growing awareness in the early 1980s of the nature and extent of the AIDS crisis. *Dead Men's Watches* continues Hugh Hood's vivid portrayal of Canadian social history and teaches us that the gift of love is all that matters in the end. *The Living Dead Man* Leroy Scott, 1929 [That Deadman Dance](#) Kim Scott, 2012-03-07 Set in Western Australia in the first decades of the nineteenth century *That Deadman Dance* is a vast gorgeous novel about the first contact between the Aboriginal Noongar people and the new European settlers. Bobby Wabalanginy is a young Noongar man smart resourceful and eager to please. He befriends the European arrivals joining them as they hunt whales till the land and establish their new colony. He is welcomed into a prosperous white family and eventually finds himself falling in love with the daughter Christine. But slowly by design and by hazard things begin to change. Not everyone is happy with how the colony is progressing. Livestock mysteriously start to disappear crops are destroyed there are accidents and injuries on both sides. As the Europeans impose ever stricter rules and regulations in order to keep the peace Bobby's Elders decide they must respond in kind and Bobby is forced to take sides inexorably drawn into a series of events that will forever change the future of his country. *That Deadman Dance* is inevitably tragic as most stories of European and native contact are. But through Bobby's life Kim Scott exuberantly explores a moment in time when things could have been different when black and white lived together in amazement rather than fear of the other and when the world seemed suddenly twice as large and twice as promising. At once celebratory and heartbreaking this novel is a unique and important contribution to the literature of native experience. [The Folk-songs of Southern India](#) Charles E. Gover, 1872

Of course they were not just telling but living their stories as well. *Surprising Light* is a poignant literary collection describing the ways God has revealed his love and grace in both David's personal life and through his work as a pastor. It goes to show that God uses stories to catch the ears of those willing to hear. This collection covers themes like spirituality reconciliation healing forgiveness and more.
