*The Baptism Papers* Peter Frow,2011-06-16 In *The Baptism Papers* professional engineer and preacher Peter Frow attests to the disquieting reality that certain laws and disciplines within his church are being applied with such monolithic rigidity that grace is stifled Here is a poignant reminder that when denominational distinctives have greater potential to divide the Church than the cross has to unite it then such practices have become denominational idols

**Idioms and Phrases** Sura College of Competition,2004-08

*Scenes Of Murder* Winston Ramsey,2012-02-28 In this book After the Battle have explored entirely new ground to investigate 150 years of murder and present it through our then and now theme of comparison photographs Scene of crime plans and photographs from police files focus on a wide variety of murders committed between 1812 when a Prime Minister was shot in the House of Commons to killings on the streets of London in the 1960s Far too often it is the perpetrator who is remembered while their victims many lying in unmarked graves remain lost to history So this book sets out to redress the balance by tracking down the last resting places even going as far as to mark two wartime graves of taxi drivers killed by American servicemen Homicide is not a subject for the faint hearted and many of the photographs are distressing which is why the book is made available with that warning
