For years, people have asked David Bach, the national bestselling author of *Smart Women Finish Rich*, *Smart Couples Finish Rich*, and *The Finish Rich Workbook*, what's the real secret to getting rich. What's the one thing I need to do now? In *The Automatic Millionaire*, David Bach is sharing that secret. *The Automatic Millionaire* starts with the powerful story of an average American couple: he's a low-level manager, she's a beautician, whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes, debt-free, put two kids through college, and retire at 55 with more than \$1 million in savings. Through their story, you'll learn the surprising fact that you cannot get rich with a budget. You have to have a plan to pay yourself first—that is, totally automatic—a plan that will automatically secure your future and pay for your present. What makes *The Automatic Millionaire* unique? You don't need a budget. You don't need willpower. You don't need to make a lot of money. You don't need to be that interested in money. You can set up the plan in an hour. David Bach gives you a totally realistic system based on timeless principles with everything
