## **Smart Contracting For Local Government Services Processes And Experience:**

**Smart Contracting for Local Government Services** Kevin Lavery, 1999-03-30 Privatization of local government is making headlines throughout the world Scottsdale Arizona contracts for fire protection Baltimore to run nine city schools and Chicago and Philadelphia for a range of services from janitors to recreational facilities The United Kingdom New Zealand and Australia have arguably gone further than the United States But much of the debate on contracting has been high on politics philosophy and emotion with little attention to practical issues of how to do contracting well The book shifts the debate away from the politics and rhetoric to the practicalities and realities of contracting The book is concerned with four issues the role of contracting in government the appropriateness of different contracting strategies the process of contracting and who does the contracting Drawing on examples in the United States and the United Kingdom the author considers the historical and cultural context of contracting where contracting works and where it doesn't the features of smart contracting and the conditions that are conducive to smart contracting The book provides an invaluable guide to those concerned with the practicalities of contracting

**Alternative Service Delivery: Readiness Check** Gerald T. Gabris, Heidi O. Koenig, Kurt Thurmaier, Craig S. Maher, Kimberly L. Nelson, Katherine A. Piker, Alicia Schatteman, Dawn S. Peters, Craig Rapp, 2014-04-15 Alternative Service Delivery Readiness Check synthesizes academic and practitioner knowledge about alternative service delivery ASD systems This handbook offers information and insights that local governments can use to provide public services more effectively and efficiently It serves as a primer about alternative service delivery intended to guide investigation of new approaches to service delivery It derives from multiple conversations with local government practitioners in Illinois who were frustrated by a lack of guidance on how to think about alternative service delivery methods for public services and in what circumstances different alternatives were more or less successful This handbook is written for both appointed managers and elected officials who are looking for innovative ways to consider service delivery and want to answer the basic question Can we be doing this better Why does your local government want to consider providing public services in new alternative ways As the cases in this handbook demonstrate jurisdictions that successfully develop and implement an alternative service delivery method are driven by a desire to improve service effectiveness Local governments that move from tactical to strategic thinking about service delivery are the ones more likely to improve services using different forms of alternative service delivery The kinds of issues and types of questions examined in this handbook range from how to best handle such demand driven services as allocation of police and fire resources to how to share expensive equipment that your jurisdiction needs only some of the time The stories solutions and evidence are intended to help local government officials understand the differences between delivery alternatives and the prerequisites for developing and implementing each option

context     *Restructuring Education* Simon Hakim, Daniel Ryan, Judith C. Stull, 2000-08-30 American education is undergoing rapid change. Concern over poor student performance, the ability and motivation of teachers, and the inefficiency of school bureaucracy have led to numerous recommendations for changing the structure of American education. These vary from small changes in the current structure to wholesale privatization of public schools. The contributions in this book discuss a wide range of proposals, including greater school choice, charter schools, promoting contact with the business community, public-private partnerships, and more. Several chapters assess the current research on choice and restructuring. Overall, the consensus is that proposed reforms have a good chance of yielding significant benefits.

*Privatization and Restructuring of Electricity Provision* Daniel Czamanski, 1999-04-30 Before the energy crisis of the 1970s, electricity provision was a non-issue worldwide, but the crisis of 1973 induced policymakers to consider private and restructured electricity provision as an alternative to unified publicly and privately owned systems. Czamanski examines arguments and experiences concerning the divestiture of state-owned enterprises in a variety of political and technological contexts. He also considers restructuring under the Thatcher government in Great Britain, the reforms drafted by Czamanski in Israel, and restructuring in the United States, as well as events in Norway, the Pacific Rim, Canada, and the developing countries. In addition, he considers the advantages and disadvantages of privatizing through theoretical discussion and by exploring experiences in various countries.

*Prison Privatization* Byron Eugene Price, John Charles Morris, 2012-09-20 This book examines the current state of both the theory and practice of prison privatization in the United States in the 21st century, providing a balanced compendium of research that allows readers to draw their own conclusions about this controversial subject. This three-volume set brings together noted scholars and experts in the field to provide a comprehensive treatment of the subject of privatized prisons in the United States. It is a definitive work on the topic that synthesizes current thought on both the theory and practice of prison privatization. Volume I provides a broad brush overview of private prisons, discussing the history of prison privatization and examining the expansion of the private prison industry and the growth of inmate populations in the United States. Volume II focuses on the corrections industry itself, providing essays that explore the business models, profit motivations, economic factors, and operations of the corporations that offer corrections services, while Volume III explores the political and social environment of prison privatization. Academics, practitioners, policy makers, and advocates for and against private prisons will find this work useful and enlightening, while general readers can use the unbiased information to draw their own conclusions in respect to the merits of prison privatization.

*Public Administration & Public Management* Jan-Erik Lane, 2006-08-21 A perspective on the public sector that presents a concise and comprehensive analysis of exactly what it is and how it operates. Governments in any society deliver a large number of services and goods to their populations. To get the job done, they need public management in order to steer resources, employees, money, and laws into policy outputs and outcomes. In well-ordered societies, the teams who work for the state work

under a rule of law framework known as public administration This book covers the key issues of the principal agent framework and the public sector public principals and their agents the economic reasons of government public organization incentives and rationality in government the essence of public administration legality and the rule of law public policy criteria the Cambridge and Chicago positions public teams and private teams public firms public insurance public management policy Public Administration Public Management is essential reading for those with professional and research interests in public administration and public management *Rethinking Governance* Stephen Bell, Andrew Hindmoor, 2009-07-13 Several problems plague contemporary thinking about governance From the multiple definitions that are often vague and confusing to the assumption that governance strategies networks and markets represent attempts by weakening states to maintain control *Rethinking Governance* questions this view and seeks to clarify how we understand governance Arguing that it is best understood as the strategies used by governments to help govern the authors counter the view that governments have been decentred They show that far from receding states are in fact enhancing their capacity to govern by developing closer ties with non government sectors Identifying five modes of government governance through hierarchy persuasion markets and contracts community engagement and network associations Stephen Bell and Andrew Hindmoor use practical examples to explore the strengths and limitations of each In so doing they demonstrate how modern states are using a mixture of governance modes to address specific policy problems This book demonstrates why the argument that states are being hollowed out is overblown Constitutional Coup Jon D. Michaels, 2017-10-23 Americans hate bureaucracy though they love the services it provides and demand that government run like a business Hence today s privatization revolution Jon Michaels shows how the fusion of politics and profits commercializes government and consolidates state power in ways the Constitution s framers endeavored to disaggregate **The Procurement Revolution** Mark A. Abramson, Roland S. Harris, 2003 The ninth book in the IBM Endowment Series on the Business of Government The Procurement Revolution continues the tradition of timely and vital information dissemination which the series has come to stand for Focusing on the profound and revolutionary changes the government has had and will have to make in its approach to procuring goods and services this book strives to capture the creativity and energy that can and should be brought to government procurement 中国公共管理评论 2017-01-01 **Instability in Local Government Contracting and the Role of Monitoring** Amir Hefetz, 2002 **Reclaim the State** Hilary Wainwright, 2003-07-17 From England to Brazil and Norway to China Hilary Wainwright sets out on a quest to discover how people are creating new stronger forms of democracy **Journal of Economic Literature** , 1999 **Proceedings of the 2022 2nd International Conference on Public Management and Intelligent Society (PMIS 2022)** Adeel Luqman, Hongbo Li, Ghaffar Ali, 2023-05-19 This is an open access book The 2nd International Conference on Public Management and Intelligent Society PMIS 2022 was held on March 18 20 2022 in Xishuangbanna China The aim of the conference is to bring together innovative academics and

industrial experts in the field of Public Management and Intelligent Society to a common forum The primary goal of the conference is to promote research and developmental activities in Public Management and Intelligent Society and another goal is to promote scientific information interchange between researchers developers students and practitioners working all around the world
