Ware,2000-11-07 Christians throughout history have been strengthened by their confidence that God knows everything about the future But consider this What if it simply is not true What if God can only rely on His best guess about tomorrow just as you and I do Would it not affect your trust in Him your confidence in facing the future your worship and your motivation to leave everything in His hands And yet this is the consequence that has to be faced if you trust what a number of leading voices in evangelicalism are proposing under the

doctrine of open theism In its redefinition of the nature of divine providence open theism adjusts the entire picture of God's sovereignty and involvement in our lives Bruce Ware carefully summarizes and critiques this dangerous doctrine from a thoroughly biblical perspective providing an excellent treatment of both the classical and openness views He explores their implications and faithfully pinpoints the subtle ways that open theism undermines our trust in God and lessens His glory in our lives

Wounded in Action T. Clement Robison,2010 Based on actual events and set against the historical backdrop of America's longest war Wounded in Action tells the compelling and gripping story of courage and determination of one of the Army's most elite combat soldiers as he faces the realities of surviving near fatal wounds and struggles to overcome the life changing devastation inflicted on his mind and body from the explosion of an enemy landmine Three Plots for Poe D.S.

Carroll, 2012-04-24 An old fashioned mystery a contemporary mystery and an avant garde mystery are presented in Three Plots for Poe This sequence is a tribute to the Gothic genius of Poe who shaped the mystery genre At the same time these tales explore three phases of the genres progress and at last escape its Gothic limits altogether An old fashioned mystery Death Calls the Shots invokes the golden age of pulp mysteries in a way that led Jacques Barzun one of the ultimate authorities on this era to express his admiration of the story for its mood plot pace and structure A contemporary mystery Love in the Modern Landscape offers an unusual blend of evil and intelligence endangering a pair of lovers who appear unequal to the threat An avantgarde mystery Still No Ice at the Fish Market opens with a pair of bangsa bomb exploding in the midst of lovemaking and ends up as one of the most unusual literary experiments in many years Two alternating narrators in this story capture the extremes of classic clarity and Gothic chaos wit and weirdness as they hand the story to each other from one chapter to the next until the final chapter blends their separate styles In all three novels passionate love affairs become more powerful than evil in competing for the center of the story As the genius who rules these Gothic games the ghost of Poe is exorcised at last
