Smoke's Way William Stafford,1983 **Contemporary American Poetry** Lloyd M. Davis,1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 *Travel Writing and Environmental Awareness* Françoise Besson,2023-08-24 Travel writing presents stories of human journeys and can guide us towards a better perception of our connections with the nonhuman world This book is a collection of essays by writers and scholars from China England France India Tunisia and the United States of America It discusses sustainable travels and travel writing and explores the sense of connection with nature From travels around one's home to mountain hikes and bicycle rides it also reminds us that planes can be used in a responsible way It discusses conscious travelling and shows the important role texts play in educating us on this issue This multidimensional book encompasses several literary genres essays autobiographies mountain reports novels poetry journals graphic novels and scientific reports It is aimed at all those who have some interest in travel ecology and the philosophy of place **Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States *An Energy Field More Intense Than War* Michael True,1995-11-01 American history abounds with a rich tradition of literature dealing with nonviolence In a work that spans from the seventeenth century to the present Michael True brings to light the strong but long neglected strain in American culture nonviolence as an active response to conflicts and divisiveness In identifying writings about action for social change he distinguishes literary works from peace advocacy and nonviolence and relates them to broad currents of United States history The Quakers of the 1680s and abolitionists of the 1850s the sanctuary Movement and Plowshares of the 1980s novelists from Nathaniel Hawthorne to Norman Mailer and poets from Walt Whitman to Denise Levertov all have written powerful works on nonviolent action Through this literature the author explores the beauty of an important theme in American literature At a time when people face widespread injustice True reminds us that nonviolence holds a significant place in our country's history *Ecocritical Aesthetics* Peter Quigley,Scott Slovic,2018-02-28 This lively collection of essays explores the vital role of beauty in the human experience of place interactions with other species and contemplation of our own embodied lives Devoting attention to themes such as global climate change animal subjectivity environmental justice and activism and human moral responsibility for the environment these contributions demonstrate that beauty is not only a meaningful dimension of our experience but also a powerful strategy for inspiring cultural transformation Taken as a whole

they underscore the ongoing relevance of aesthetics to the ecocritical project and the concern for beauty that motivates effective social and political engagement

The Pacific Northwest Raymond D. Gastil, Barnett Singer, 2010-04-23 The Pacific Northwest for the purposes of this book mostly Oregon and Washington has sometimes been seen as lacking significant cultural history Home to idyllic environmental wonders the region has been plagued by the notion that the best and brightest often left in search of greater things that the mainstream world was thousands of miles away or at least as far south as California This book describes the Pacific Northwest's search for a regional identity from the first Indian European contacts through the late twentieth century identifying those individuals and groups who at least struggled to give meaning to the Northwest experience It places particular emphasis on writers and other celebrated individuals in the arts detailing how their lives and works both reflected the region and also enhanced its sense of self
