Smugglers Moon A Sir John Fielding Mystery:

Smuggler's Moon Bruce Alexander, 2002-10-01 Blind magistrate Sir John Fielding investigates corruption and murder in the seaside town of Deal which has become a haven for smugglers *Descendants of Waverley* Martha F. Bowden, 2016-08-11 *Descendants of Waverley* examines contemporary novelists combination of historical authority and narrative art to create authentic and accessible depictions of the past This technique the romance of history challenges conventional theories that the novel as a genre erased the romance Individual chapters establish the critical framework analyze the strategies that authors use to romance history and demonstrate the subgenres that exist in current historical fiction While the author does not consider Walter Scott to be the inventor of historical fiction she demonstrates the ways in which contemporary fiction s techniques reflect the form of the genre that Scott both developed and theorized in the *Waverley* novels 1814 1832 In writing his historical romances Scott drew on the forms of the fictions that preceded his work especially Gothic fiction and was influenced by the fluid definitions of romance that permeated the theorizing of the novel and its development in the eighteenth century where fiction was described as evolving from and replacing romances and referred to as romances themselves She begins by tracing this history and moves on to discuss contemporary fiction both as technique in the uses of intertextuality and in as form in the increasing hybridity of contemporary fiction This hybridity is reflected in such forms as the historical detective novel the embedded narrative and the biographical novel the pedagogical elements inherent in the historical novel before Scott s oeuvre continue into the present The book ends with the recent phenomenon of historical fantasy in this subgenre the traits of more conventional historical fiction such as intertextuality and the tension between the familiar and strange combine with a playful form of fantasy that releases revenants among the Luddites and wizards into the Battle of Waterloo John Frow s theory of the slipperiness of genre is a critical component for explicating the most recent metamorphoses of historical fiction The critical framework also develops from recent and eighteenth century histories of the novel twentieth and twenty first century theories of Scott s influence and contemporary writers own reflections on what they do when they write historical novels Gumshoes Mitzi M. Brunsdale, 2006-04-30 The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears the locales in which the detective operates the detective s investigative methods and other important information Helpful bibliographical citations direct the reader to other interesting works The volume closes with a selected general bibliography various appendices and an extensive index The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before Many of the most popular mystery books appear in series and these series feature carefully developed detectives **Bowker's Guide to**

Characters in Fiction 2007 ,2008-02 *Rules of Engagement* Bruce Alexander,2006-02-07 Richly detailed fiction storytelling in the grand classic tradition The New York Times Fascinating and impeccably written should delight old fans and new readers Chicago Tribune Triumphant Publishers Weekly starred review When Lord Lammermoor plunges to his death from Westminster Bridge before a dozen witnesses his death is ruled a suicide But his fatal leap coincides with the arrival of Dr Goldsworthy a student of the famous Dr Anton Mesmer and his research into animal magnetism Sir John s suspicions grow when he learns that Goldsworthy s patron in London is none other than the beautiful Lady Lammermoor And the deeper Jeremy investigates the Lammermoor family the more suspects he discovers who stand to gain from Lord Lammermoor s death A wonderful series The Washington Post Book World *The Price of Murder* Bruce Alexander,2004-09-07 Experience the dangerous intrigue of Georgian England in this novel in Bruce Alexander s acclaimed historical mystery series featuring Sir John Fielding When the body of a young girl is pulled from the Thames blind magistrate Sir John Fielding s investigation leads his prot g Jeremy Proctor into the notorious Seven Dials section of London There the sordid inclinations of both the working class and aristocracy may be found and there Jeremy learns that the girl s mother has disappeared near the racetrack As he delves further into the mystery he will begin to realize just how high the stakes are and when an acquaintance of his own suddenly vanishes just how terribly steep the odds really are **Kliatt**

Young Adult Paperback Book Guide ,2002 **Sequels** Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **Murder in Retrospect** Michael Burgess,Jill H. Vassilakos,2005-06-30 The pleasures of mystery novels and historical fiction double when the two genres meet in a single book This detailed guide is the first to document and describe the diverse writings in the growing body of historical mystery literature Organized alphabetically by author name and series title the guide covers the works of approximately 70 authors and contains descriptions of more than 700 works with crime themes whether strictly in the mystery genre or a mainstream literary novel For those who want to read historical mysteries in sequence this is an essential guide and for those seeking background information on historical mysteries to guide their reading or collection development choices this book offers a level of detail that facilitates selection The pleasures of mystery novels and historical fiction double when the two genres meet in a single book This detailed guide is the first to document and describe the diverse writings in the growing body of historical mystery literature Its focus is on the best most representative most current and easily accessible publications with an emphasis on series novels Most have been released in the past decade with select classic historical mysteries e g Christie s Death Comes as the End 1945 also cited Organized alphabetically by author name and series title the guide covers the works of approximately 70 authors and contains descriptions of more than 700 works with crime themes whether strictly in the mystery genre or a mainstream literary novel For those who want to read historical mysteries in sequence this is an essential guide and for those seeking
