The merit of Captain Grose's Dictionary of the Vulgar Tongue has been long and universally acknowledged. But its circulation was confined almost exclusively to the lower orders of society; he was not aware at the time of its compilation that our young men of fashion would at no very distant period be as distinguished for the vulgarity of their jargon as the inhabitants of Newgate, and he therefore conceived it superfluous to incorporate with his work the few examples of fashionable slang that might occur to his observation. This dictionary identifies common slang words of the period as noted and documented by university students of the day.

1811 Dictionary of the Vulgar Tongue Francis Grose, 2014-12-10

Dictionary of the Vulgar Tongue, 1982 Dictionary of the Vulgar Tongue Captain Grose, 2012-03-08

The merit of Captain Grose's Dictionary of the Vulgar Tongue has been long and universally acknowledged. But its circulation was confined almost exclusively to the lower orders of society; he was not aware at the time of its compilation that our young men of fashion would at no very distant period be as distinguished for the vulgarity of their jargon as the inhabitants of Newgate, and he therefore conceived it superfluous to incorporate with his work the few examples of fashionable slang that might occur to his observation. But our Jehus of rank have a phraseology not less peculiar to themselves than the disciples of Barrington; for the uninitiated to understand their modes of expression is as impossible as for a Buxton to construe the Greek Testament. To sport an Upper Benjamin and to swear with a good grace are qualifications easily attainable by their cockney imitators; but without the aid of our additional definitions neither the cits of Fish street nor the boors of Brentford would be able to attain the language of whippism. We trust therefore that the whole tribe of second rate Bang Ups will feel grateful for our endeavour to render this part of the work as complete as possible.
