*The Adding Machine* William S. Burroughs, 2013-10-14 Sheer pleasure Wonderfully entertaining Chicago Sun Times  
Acclaimed by Norman Mailer more than twenty years ago as possibly the only American writer of genius William S Burroughs has produced a body of work unique in our time In these scintillating essays he writes wittily and wisely about himself his interests his influences his friends and foes He offers candid and not always flattering assessments of such diverse writers as Ernest Hemingway F Scott Fitzgerald Joseph Conrad Graham Greene Jack Kerouac Allen Ginsberg Samuel Beckett and Marcel Proust He ruminates on science and the often dubious paths into which it seems intent on leading us whether into outer or inner space He reviews his reviewers explains his famous cut up method and discusses the role coincidence has played in his life and work As satirist and parodist William Burroughs has no peer as these varied works written over three decades amply reveal

**The Adding Machine** William S. Burroughs, 1985 [New Qualitative Methodologies in Health and Social Care Research](#) Frances Rapport, 2004-08-02 This edited volume brings together innovative contributions from a range of health and social care professionals and research scientists who are interested in introducing new approaches to qualitative research into the world of health and social care A range of methodologies including discourse analysis imagework cut up technique minimalist passive interviewing technique and social action research are discussed along with their histories methods and their applicability to practice Illustrated by examples drawn from clinical and practice settings the book also explores recent developments and their implications for and impact on delivery and good practice evaluation in health and social care The book encourages an in depth appreciation of the concept of evidence what it means how it is arrived at and the consequences of it being applied and enables health and social care professionals academics and students to learn more about new qualitative methodologies broadens understanding of notions of good practice encourages new thinking about the application of methodologies to practice

[The Cambridge Companion to Joseph Conrad](#) J. H. Stape, 1996-06-27 The Cambridge Companion to Joseph Conrad offers a wide ranging introduction to the fiction of Joseph Conrad one of the most influential novelists of the twentieth century Through a series of essays by leading Conrad scholars aimed at both students and the general reader the volume stimulates an informed appreciation of Conrad s work based on an understanding of his cultural and historical situations and fictional techniques A chronology and overview of Conrad s life precede chapters that explore significant issues in his major writings and deal in depth with individual works These are followed by discussions of the special nature of Conrad s narrative techniques his complex relationships with late Victorian imperialism and with literary Modernism and his influence on other writers and artists Each essay provides guidance to further reading and a concluding chapter surveys the body of Conrad criticism

[The Typewriter Century](#) Martyn Lyons, 2021-02-01 This book captures the intensity of the relationship between writers and their typewriters from the 1880s when the machine was first commercialized to the 1980s when word processing superseded it Drawing on examples from the

United States Britain Europe and Australia The Typewriter Century focuses on celebrity writers including Henry James Jack Kerouac Agatha Christie Georges Simenon and Erle Stanley Gardner who wrote prolifically and mechanically developing routines in which typing handwriting and dictation were each allotted important functions The typewriter de personalized the text the office typewriter bureaucratized it At the same time some authors found a new and disturbing distance between themselves and their compositions while others believed the typewriter facilitated spontaneous and automatic typing The Typewriter Century provides a cultural history of the typewriter outlining the ways in which it can be considered an agent of change as well as demonstrating how it influenced all writers canonical and otherwise *The Future of Text and Image* Ofra Amihay, Lauren Walsh, 2012-01-17 The question of the relation between the visual and the textual in literature is at the heart of an increasing number of scholarly projects and in turn the investigation of evolving visual verbal dynamics is becoming an independent discipline This volume explores these profound literary shifts through the work of twelve talented and in some cases emerging scholars who study text and image relations in diverse forms and contexts The inter medial conjunctures investigated in this book play with and against the traditional roles of the visual and the verbal The Future of Text and Image presents explorations of the incorporation of visual elements into works of literature of visual writing modes and of the textuality and literariness of images It focuses on the special potential literature offers for the combination of these two functions Alongside examinations of major forms and genres such as memoirs novels and poetry this volume expands the discussion of text and image relations into more marginal forms for instance collage books the PostSecret collections of anonymous postcards and digital poetry In other words while exploring the destiny of text and image as an independent discipline this volume simultaneously looks at the very literal future of text and image forms in an ever changing technological reality The essays in this book will help to define the emergent practices and politics of this growing field of study and at the same time reflect the tremendous significance of the visual in today s image culture **The Writer on Film** J. Buchanan, 2013-06-03 Examining films about writers and acts of writing The Writer on Film brilliantly refreshes some of the well worn adaptation debates by inviting film and literature to engage with each other trenchantly and anew through acts of explicit configuration not adaptation **The New Statesman** ,1924 The A to Z of Postmodernist Literature and Theater Fran Mason, 2009 The A to Z of Postmodernist Literature and Theater examines the different areas of postmodernist literature and theater and the variety of forms that have been produced It contains a list of acronyms a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual writers important aesthetic practices significant texts and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first centuries operates Book Jacket Speculative Orientalism: Asian Religions in New Wave Science Fiction Sang-Keun

Yoo,2025-08-21 Examining the works of prominent New Wave science fiction authors from the 1950 1960s Sang Keun Yoo highlights the underexplored connection between American science fiction and Asian religions such as Taoism Buddhism and Hinduism The book considers how the major world wars of the 20th century Second World War the Cold War and the Vietnam War repositioned Asian culture in relation to the science fiction genre in the period Underpinning this study Sang Keun Yoo argues that Speculative Orientalism emerged in American science fiction during the 1950s and 60s This concept adopted various aspects of Asian religions to envision alternative worlds unburdened by the constraints of colonialism totalitarianism racism and sexism present in contemporary American society Bringing fresh perspectives to the works of William S Burroughs Philip K Dick Ursula K Le Guin and Samuel R Delany this book offers an insightful examination of the role of Asian religions in American science fiction and their impact on the genre s history **I'm Not a Film Star** Ian Dixon,Brendan Black,2022-07-14 The first collection dedicated to David Bowie s acting career shows that his film characterisations and performance styles shift and reform as decoratively as his musical personas Though he was described as the most influential pop artist of the 20th century whose work became synonymous with mask mystery sexual excess and ch ch ch changing genres Bowie also applied his genius to the craft of acting Bowie s considerable filmography is systematically examined in 12 scholarly essays that include tributes to Bowie s performance craft in other media forms Classic films such as The Prestige and Merry Christmas Mr Lawrence cult hits Labyrinth and The Man Who Fell To Earth as well as lesser known roles in The Image Christiane F and Broadway hit The Elephant Man are viewed not simply through the lens of Bowie s mega stardom but as the work of a serious actor with inimitable talent This compelling analysis celebrates the risk taking intelligence and bravura of David Bowie actor mime mimic and icon *Matters of Gravity* Scott Bukatman,2003-07-21 Accessible and wide ranging essays on cinema the body and the experience of modernity **The Beat Generation** Christopher Gair,2012-12-01 Without them the Hippies and the Punks would never have existed The Beat Generation were a radical group of American writers whose relaxed gritty and candid writing inspired generations In his chronicle of the origins adventures and inner workings of the Beat movement Christopher Gair reveals how it sparked one of the most important revolutions in American literature influencing everything from bebop to the Beastie Boys **In the Shadow of the Bomb** Niall Heffernan,2018-04-03 Detective McNulty applies bite marks to a deceased man s body with a set of dentures in The Wire illustrating how officialdom deals in falsehood Dr Strangelove lovingly describes the doomsday machine as being free from human meddling while it destroys the world highlighting the absurdity of placing systems above any moral considerations In Crash Ballard survives a car accident only to be cared for by a paternal technology that tends only to his physical needs a life of technical certitude bereft of beauty The Cold War with its promise of imminent and purposeless doom profoundly shaped the post modern world in ways that are not yet appreciated This study examines the Cold War zeitgeist and its aftermath as shown in fiction film and television **Naked Lens** Jack Sargeant,2011-04-25

Celebrating the celluloid expression of the Beat spirit arguably the most sustained legacy in U S counterculture Naked Lens is a comprehensive study of the most significant interfaces between the Beat writers Beat culture and cinema Naked

Lacan, Discourse, Event: New Psychoanalytic Approaches to Textual Indeterminacy Ian Parker, David Pavón-Cuéllar, 2013-10-30 Lacan Discourse Event New Psychoanalytic Approaches to Textual Indeterminacy is an introduction to the emerging field of Lacanian Discourse Analysis It includes key papers that lay the foundations for this research and worked examples from analysts working with a range of different texts The editors Ian Parker and David Pavón Cuéllar begin with an introduction which reviews the key themes in discourse analysis and the problems faced by researchers in that field of work including an overview of the development of discourse analysis in different disciplines psychology sociology cultural studies and political and social theory They also set out the conceptual and methodological principles of Lacan's work insofar as it applies to the field of discourse Ian Parker and David Pavón Cuéllar have divided the book into three main sections The first section comprises previously published papers some not yet available in English which set out the foundations for Lacanian Discourse Analysis The chapters establish the first lines of research and illustrate how Lacanian psychoanalysis is transformed into a distinctive approach to interpreting text when it is taken out of the clinical domain The second and third parts of the book comprise commissioned papers in which leading researchers from across the social sciences from the English speaking world and from continental Europe and Latin America show how Lacanian Discourse Analysis works in practice Lacan Discourse Event New Psychoanalytic Approaches to Textual Indeterminacy is intended to be a definitive volume bringing together writing from the leaders in the field of Lacanian Discourse Analysis working in the English speaking world and in countries where Lacanian psychoanalysis is part of mainstream clinical practice and social theory It will be of particular interest to psychoanalysts of different traditions to post graduate and undergraduate researchers in psycho social studies cultural studies sociology and social anthropology

**Human Services in the Network Society** Neil Ballantyne, Walter La Mendola, 2014-07-16 The Internet and the many applications it supports continue to transform and expand the ways in which it is possible to relate communicate collaborate and perform human service work In this book human service researchers and practitioners explore major opportunities and challenges to well being social justice and human service work that technology use in everyday life has exposed Drawing on the latest research their contributions examine issues associated with human service practices in the network society including the implications of an expanded capacity to share human service data across agency and national boundaries ethical issues associated with the use of remote sensing and surveillance technologies e g the satellite tracking of offenders and telecare services for older people the risks and benefits of social network sites including issues associated with online privacy intimacy and safety and the influence of technology mediated services on human relationships and the sense of being present with another person Human Services in the Network Society will be of considerable interest to human service professionals academics and

researchers who are concerned about the social impact of networked technologies This book was previously published as a special issue of the Journal of Technology in Human Services      **The Assemblage Brain** Tony D. Sampson, 2016-12-13 Once upon a time neuroscience was born A dazzling array of neurotechnologies emerged that according to popular belief have finally begun to unlock the secrets of the brain But as the brain sciences now extend into all corners of cultural social political and economic life a yet newer world has taken shape neuroculture which goes further than ever before to tackle the profound ethical implications we face in consequence The Assemblage Brain unveils a major new concept of sense making one that challenges conventional scientific and philosophical understandings of the brain Drawing on Deleuze and Guattari Tony D Sampson calls for a radical critical theory that operates in the interferences between philosophy science art and politics From this novel perspective the book is structured around two questions What can be done to a brain and What can a brain do Sampson examines the rise of neuroeconomics in informing significant developments in computer work marketing and the neuropharmaceutical control of inattentiveness in the classroom Moving beyond the neurocapitalist framework he then reestablishes a place for proto subjectivity in which biological and cultural distinctions are reintegrated in an understanding of the brain as an assemblage The Assemblage Brain unravels the conventional image of thought that underpins many scientific and philosophical accounts of how sense is produced providing a new view of our current time in which capitalism and the neurosciences endeavor to colonize the brain      **Journal for the Academic Study of Magic 2** Dave Evans, Various, 2004-05 This volume is a multidisciplinary peer reviewed print publication covering all areas of magic witchcraft paganism and all geographical regions and all historical periods      *Contemporary Masculinities in Fiction, Film and Television* Brian Baker, 2016-07-28 While masculinity has been an increasingly visible field of study within several disciplines sociology literary studies cultural studies film and tv over the last two decades it is surprising that analysis of contemporary representations of the first part of the century has yet to emerge Professor Brian Baker evolving from his previous work *Masculinities in Fiction and Film Representing Men in Popular Genres 1945-2000* intervenes to rectify the scholarship in the field to produce a wide ranging readable text that deals with films and other texts produced since the year 2000 Focusing on representations of masculinity in cinema popular fiction and television from the period 2000-2010 he argues that dominant forms of masculinity in Britain and the United States have become increasingly informed by anxiety trauma and loss and this has resulted in both narratives that reflect that trauma and others which attempt to return to a more complete and heroic form of masculinity While focusing on a range of popular genres such as Bond films war movies science fiction and the Gothic the work places close analyses of individual films and texts in their cultural and historical contexts arguing for the importance of these popular fictions in diagnosing how contemporary Britain and the United States understand themselves and their changing role in the world through the representation of men fully recognising the issues of race ethnicity class sexuality and age Baker draws upon current work in mobility studies and in the study of masculinities to

produce the first book length comparative study of masculinity in popular culture of the first decade of the twenty first century
