Which Side of Your Brain Am I Talking To? - the Advantages of Using Both Sides of Your Brain Boye De Mente,2005-04

The human brain has a left side and a right side and it is well known that the two sides are programmed to perform different functions There is growing evidence that sexual gender the language one first learns as a child and the culture in which one is raised play primary roles in determining which side of the brain is engaged at particular times *THE PLAGUE OF MALE DOMINANCE* Boye De Mente,2014-09-12 Human males have been responsible for most of the violence that has plagued humanity since the origin of the species It is something programmed into males by their genes This built in mindset is responsible for the present state of affairs in the United States and the economic social and religious problems in virtually all other societies Virtually all of the male created institutions have traditionally been designed to keep women from using their minds and to repress their natural sexuality and this especially applies to man made religions This book details the overall failures of American culture from economics education entertainment politics and religions to sexual behavior It maintains that human beings cannot achieve even half of their potential until women play an equal if not primary role in the affairs of humanity It also makes other suggestions for overcoming the built in handicaps of humanity **THE GRAND CANYON**

**ANSWER BOOK! - Everything You Might Want to Know About the Grand Canyon and Then Some! , Why Ignorance, Stupidity and Violence Plague Mankind! , The Origins of Human Violence! - Male Dominance, Ignorance, Religions & Willful Stupidity!** Boyé De Mente,2010-05-24 Despite the ages that have passed since homo sapiens developed the ability to think and behave in ways that transcended our animal origins and in remarkable ways distinguished us from other primates male humans in particular have continued to exhibit animalistic behavior and today remain fixated on violence not only toward other humans but also toward animals other species of life and the Earth itself There is more to the story of why so many human males are prone to engage in violence and remarkably most of this story has to do with attempts by men to establish controls and high standards for human behavior that to an astonishing degree had the opposite effect The author says the reason for this dichotomy is that these religious inspired attempts were based on the misunderstanding misuse and abuse of human sexuality combined with the fundamental ignorance and willful stupidity of human males He explains why and how this incredible situation developed and continues today and includes some extraordinary recommendations *THE ME CHANGE....AND THE MODERN MANNERS ADVANTAGE* Anthony Beringen,2012-02-15 Lured by the promise of a brand new life some people move to a quaint hamlet by the sea Others are attracted by the peace and quiet of open green fields fresh air blue skies and the wholesome lifestyle promised by a rural life in the countryside *THE ME CHANGE* is about a relocation of a completely different kind It s about a clever adjustment to your inner thought processes to focus more clearly on what you can do better to cope with what s happening in the chaotic aggressive and digitally enhanced world around you on the outside Modern manners represent the precision tools contained

within your ME CHANGE toolbox They are the skills habits and overall social finesse that give you the lasting confidence to interact intelligently and in a much more effective way They are simple yet proven strategies to reshape your personal brand as they help you transition from being merely socially functional to a higher state of being socially effective Do something great for yourself today and make a ME CHANGE Reduce stress change gears and embrace a new direction to improve the overall quality and happiness of your life There is a new modern manners advantage in town and it has nothing to do with which fork you use *The Incredible Power of Serendipity!* Boye De Mente, 2012-05-22 How Serendipity Shaped the Life of Author Boy Lafayette De Mente This is the personal memoir of author Boy Lafayette De Mente the 4th of ten children born to poor parents in an isolated valley in the Ozark Hills of southeast Missouri and raised during the Great Depression of the 1930s He went on to have a remarkable life which he attributes to the incredible power of serendipity As editor of The IMPORTER magazine in Tokyo in the late 1950s and early 1960s and as the author of numerous pioneer books on the mindset and business practices of the Chinese Japanese and South Koreans he made major contributions to the initial rise of Japan South Korea Taiwan Hong Kong and China as economic superpowers He played a leading role in helping to launch the career of Thunderbird School of Global Management alumnae brother Merle Hinrichs who became the largest trade magazine publisher in Asia a major financial donor to Thunderbird and member of the board of directors And he launched the publishing career of Kentucky hillbilly Larry Flynt who achieved great wealth and notoriety as the publisher of HUSTLER magazine and champion of freedom of speech On the day De Mente met Flynt he told his wife that he had just met a 26 year old man who had the intelligence and drive to become president of the United States by the time he was old enough to qualify for the office De Mente's encounters and relationships with such extraordinary individuals as Admiral Chester W Nimitz America's ranking naval officer during World War II Akio Morita co founder and leading light of what was to become the Sony empire Toshio Karita former protocol officer for the Imperial Family of Japan and Daisetsu Suzuki Japan's leading Zen master plus many more were experiences he could not have even dreamed about before they happened His story is an example of the potential of ordinary individuals to achieve significant things when life presents opportunities and they follow up on them Leadership Education and Training (LET 1), 1999 Army JROTC leadership education & training, 2002
