The Adventure Of Holiness Biblical Foundations And Present Day Perspectives:

The Adventure of Holiness Brother John of Taizé, Saint John VII, 1999 This book is addressed to every person wishing to take part in the adventure of holiness that adventure which allows us a glimpse of the breathtaking beauty of communion in God and challenges us to personal responsibility for one another and the world in which we live *Life on the Edge* Brother John of Taizé, 2017-10-26 Is the Christian faith something that can peacefully exist alongside all the other aspects of an ordinary human life or does it by its very nature turn that life into something else The author of this book a member of a monastic community for over forty years obviously has a vested interest in the answer But even for believers caught up in the day to day life of society work and family the question is an important one at least if they are seeking a measure of consistency in the life they are living And does not the very fact that the question of the importance and urgency of faith needs to be asked witness to the eclipse of an eschatological outlook among Christians at any rate in the mainstream Churches Could this oversight not explain why an eschatological understanding of faith one which sees it as a radical world changing reality has been forced to take refuge often deformed to the point of being unrecognizable in small fanatical groups on the margins of the Christian world

The Wrath of a Loving God Brother John of Taizé, 2019-10-28 The portrait of an angry God quick to condemn that many people claim to find in the pages of the Bible is undoubtedly one of the greatest obstacles to faith The modern tendency to efface all traces of anger from our image of God is therefore comprehensible But might this procedure not risk mutilating the authentic character of the biblical God Could the theme of divine wrath properly understood rather than being a primitive vestige or an aberration perhaps offer a key to understanding a love as fierce as death an approach to the mystery of our redemption in Christ That is the challenge that this book attempts to take up

Metanoia Brother John of Taizé, 2021-06-22 How can one live an authentically Christian life Although many books and articles delineate the content of the Gospel message the form or shape of an existence based on faith has not been studied as thoroughly To use a language correctly it is not enough to know the vocabulary one must have a good grasp of its grammar This book attempts to deepen our knowledge of the grammar of the Christian life starting from the notion of metanoia Generally translated as repentance or conversion the word has in fact a much richer significance it describes a total reorientation and transformation of our being never accomplished once and for all through the action of the Spirit of the risen Christ Metanoia takes us out of our self centered outlook and our limited and self interested actions and brings us into God's today where we become witnesses to a real Presence that of the universal Body of Christ *Friends in Christ* Brother John Taizé, 2012 This text highlights the importance of friendship for human community Beginning with stories of friendship in biblical accounts and the teachings of the early leaders of the church Brother John describes friendship as the basis for community throughout the world and at Taizé Reading the Ten Commandments Anew frère John (de Taizé), 2004 The Ten Commandments transport most of us back to the religion of our childhood to catechism class or Sunday school They easily

evoke blind obedience sin and guilt a moralistic or legalistic mindset their negative approach seems to be at the opposite extreme from the positive religion of love and responsibility which we identify with Jesus Christ This book proposes to undertake a re reading of this well known biblical text to show how the Ten Commandments represent simple boundaries that protect our freedom to act and grow as children of a loving God They are road signs indicating the way to the One who is the Way to Life in all its fullness **The 40-Day Bible Adventure** Christopher D. Hudson,2011-01-01 Learning scripture is easy and fun with The 40 Day Bible Adventure This brand new book is ideal for individuals or groups promising greater understanding of the world s greatest Book In 15 minutes a day The 40 Day Bible Adventure will help you understand the storyline of the Bible from Genesis to Revelation There s helpful context for each book Setting Up the Story and 3 5 questions to engage you in key passages Critical Observations help explain the strange and mysterious elements of Bible stories while Take It Home sidebars provide ideas for practical application Give your Bible 40 days you ll appreciate it for the rest of your life
