Wooldridge, 2011-11-11 Praise for *How to Live a Life of Adventure* After reading the first 20 chapters I was ready to tackle a grizzly bear, wrestle a sea lion, and climb Mount Everest. Not only does Wooldridge inspire you to live a maximum life, he shows you how to do it. I loved the adventures between every instructional chapter. I appreciated how thorough he was with references, key points, and guides. Roger Hamilton, teacher. I am a tomboy, I travel, and play sports. I'm also bold and sassy. This book addresses women who love to try everything once, twice, and more. Wooldridge covers everything women need to know about traveling, mountain climbing, rafting, horseback riding, backpacking, and much more. Sarah Gingrich, rodeo cowgirl. Emile Zola said, "I'm here to live out loud." Those words reflect the spirited life and writings of Frosty Wooldridge. His book reminds us that whether we trek high into the mountains or bike up hills closer to home, adventure awaits around the bend. I recommend this book for aspiring travelers as well as armchair explorers. He shows you how to make your dreams come true. Dan Millman, *Way of the Peaceful Warrior*. Hands down, this is the best adventure book I have ever read, with stories from all over the world. But wait, Wooldridge shows you how to go adventuring to make your own stories and fill your own scrapbook with memories. It's excellent in every way. Paul Margeletta, father, weekend warrior. This book is extraordinary. The information is so valuable that it should be read daily for inspiration and guidance. I had to stop myself from underlining every sentence in the book. I want to buy this life-changing book as a gift for everyone I know, especially my kids. Susan Scollozi, housewife, traveler. Half way through the concepts and practices in this profound book, I realized that the author may have meant to show readers how to live a life of adventure, but it occurred to me that this book shows anyone how to lead a very happy and successful life on a day-to-day basis. His concepts support mental, emotional, educational, and spiritual health. Every adult and kid in America needs to read this book. It's that good. Arthur Daniels, teacher. How the book will benefit you: You will discover your strengths, self-confidence, and passions. You may engage methodical steps for moving into your own fulfilling, adventure-filled life. You will build steadfast convictions and personal empowerment. You will find others to share your adventures. You will discover which kinds of adventures excite you. Check lists for men and women for every kind of adventure. You will never look back with regrets. Gilbertson: an American Family Adventure Verdi Gilbertson, 2014-10-29 Verdi Gilbertson was born
