## **The Adventures Of Gideon:**

The Adventures of Gideon E. T. Hapgood, 1997      **The Adventures of Mona Pinsky** Harriet Ziskin, 1995 Harriet Ziskin's *The Adventures of Mona Pinsky* is one of the best most delicate and intriguing novels it has ever A been my privilege to read Her blend of politics and mysticism is absolutely delicious a Judy Grahn *The Adventures of Mona Pinsky* is crowded with authentic and singular characters a living and otherwise I liked Uncle Gabe and the world of mythic spirits that fit so comfortably into Mona's everyday world Mona is an especially engaging character who has carved out with her heroic reluctance and naive flamboyance a niche in my memory where she will always abide a M K Wren In this tale of adventure filled with magic and truth sixty five year old Mona Pinsky uncovers a plot of political manipulation and theft She faces ridicule anti-Semitism and ageism as well as alienation from her daughter but Mona refuses to be silenced She uncovers the inner strength to stand by her convictions and to speak out on an enchanting and heroic journey      *The Adventures of Gideon's Gang* Patsy Adkisson, 2021-05-21 Whether you are a single parent a co parent a grandparent or an adult raising children through adoption or fostering this book will encourage your heart with the many promises of God His commands and decrees are relevant to help us fight battles that were never intended for us to fight alone Exodus 14:14 says The Lord will fight for you you need only to be still God is ever at work in raising up a mighty army in each generation Will we be faithful to teach our children to walk in His ways and prepare them to Fight Right For our struggles are not against flesh and blood but against the rulers against the authorities against the powers of this dark world and against the spiritual forces of evil in the heavenly realms Ephesians 6:12 Join author Patsy Adkisson on an exciting journey in *THE ADVENTURES OF GIDEON'S GANG*      **Theological Adventures** Phillip Michael Garner, 2017-07-13 *Theological Adventures* began as a challenge to the teachers of The Institute for Global Outreach Developments International to provide me with those passages of Scripture they found the most difficult to produce an interpretive theology consistent with nonviolence and a nonviolent God The allegorical method for dealing with OT violence has not led to a constructive theology capable of eradicating violence from the Christian tradition However genre identification of particular books enables a reader to discern the prejudicial nature of a book claiming to speak for God e.g. Joshua as conquest narrative Judges as a reflection on violence and male/female relationships qualifies as a social critique on Israelite society This is wonderfully portrayed in the story of Samson as the archetypal strongman who represents Israel as a people It is healthy to be honest enough about OT Scripture to require basic morality as a guide for reading its claims and stories The gift of a moral conscience is a powerful voice for God's image in us I have found the OT to be consistent with the revelation of God in Christ Jesus when a person learns to read it correctly The guiding interpretive lens is honesty about the intolerable violence sanctioned in the OT      **History of the Israelite Nation** Isaac Mayer Wise, 1854      *A Theological Introduction to the Old Testament* Mark W. Hamilton, 2018 Ancient Israel's Scriptures have exerted worldwide influence for more than two millennia They explore human experience including the

human longing for the divine through the powerful media of story ritual wisdom and prophecy This book retraces the Bible's exploration and shows how not only its conclusions but the steps taken to reach them still matter Gideon's Rock

Katherine Cooper,1871      **The Literature of the Old Testament** George Foot Moore,2021-04-26 In The Literature of the Old Testament George Foot Moore presents a comprehensive examination of the literary forms historical context and thematic richness of the ancient texts found in the Hebrew Scriptures Moore adopts a critical approach integrating textual analysis with insights from historical criticism providing a nuanced understanding of the diverse genres from poetry and prophecy to wisdom literature and narrative His scholarly rigor uncovers the intricate layers of meaning and cultural significance embedded within these timeless writings offering readers a structured pathway through the complex tapestry of the Old Testament George Foot Moore a prominent biblical scholar and educator drew on his extensive background in Semitic languages and history to formulate a critical narrative of the Old Testament His expertise in textual criticism and a profound appreciation for the literary artistry of the Scriptures shaped his insights influencing generations of scholars and theologians Moore's commitment to academic integrity and clarity is evident throughout his work presenting the Old Testament as not merely a religious document but as a seminal part of world literature This seminal work is a must read for anyone interested in biblical studies theology or literary scholarship Moore's deep engagement with the texts invites readers to reconsider their approaches to these ancient writings positioning the Old Testament as a foundational piece of literary heritage deserving both analysis and appreciation      **Walk On Water** Deborah B. McDermet,2022-02-03 Most of us settle We live average safe mediocre lives But does that kind of living reflect what God has called us to The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may be conformed to the image of his Son Romans 8:29 Jesus did not live an ordinary life and nor should we Walk on Water invites believers to rise above the norm This daily devotional takes a fresh look at the Word of God Be inspired by the lives of Esther Daniel Jonah and others Be challenged with Jesus no nonsense conversations with the Pharisees and the disciples Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms In addition to daily devotionals twelve true stories experienced by Deb herself are added at the end of each month to encourage and humor the soul Gideon's Rock and Other Tales Katherine Cooper,1873      **Miserable but Motivated** Ben Hammond,2015-07-27 Sometimes worship comes easy When life seems to be sailing along smoothly without any significant troubles it may seem natural to burst out into spontaneous praise to God What are we to do then when things are not going well Difficulties arise plans are thwarted and life goes into a tailspin In the midst of all of this we know that we are supposed to worship God How can we do such a thing when He has allowed misery to overwhelm our lives It is within those darkest times that we need to remember why God deserves worship If we focus only on what He has done for us recently it may be impossible to summon up the desire to offer Him praise There is a secret however that serves as the key that will unlock the doorway of worship That secret is found in

His names Come along on this journey with Ben as he combines a biblical study of the names of God with personal examples to help you discover how to be motivated to worship God even when you are miserable in your circumstances Ben Hammond was born and raised in southwest Michigan He worked in the computer field for several years after earning a bachelor of science in computer information systems In 2001 he entered the full time pastoral ministry serving churches in Florida and West Virginia He is currently the pastor of First Baptist Church in Bremen Indiana Gideon's Curse David Niall Wilson, FROM USA TODAY BESTSELLING AUTHOR DAVID NIALL WILSON Just after the Civil War a preacher named Gideon Swayne journeyed south from Random Illinois to minister to the newly freed slaves In the bitter prejudice of North Carolina and the magic of the Great Dismal Swamp he made a home that home was taken from him in hatred and in violence The Pope plantation is mired in the old ways migrants work their land so they don t have to get their hands too dirty There are older ways than the Pope family built on slave labor and mired in their own past can imagine Their farm hand Gideon has seen his mother s reflection in the slime pools of the bog He s heard his great grandfather the first Gideon at Preacher s Marsh chanting on the night breeze He has seen eyes glowing green and glittering with hatred lining the trees along the fields and peering from the trees He has heard voices like drumbeats chanting in the night The dead are rising and they are coming Soon Gideon s curse is a novel of history It s a novel of freedom slavery magic and romance It s a glance into the violent past of the deep south and the hope of a better future *101 Bible Adventures* Carolyn Larsen,2012 Presents one hundred one Bible stories and equates them to present day life *Gideon's Rock, and Other Tales* afterwards COOPER SAUNDERS (Katharine),1874 **The Pilot** ,1904 **The Gideon** ,1914 The People of Ancient Israel J. Kenneth Kuntz,2009-07-01 Intended primarily as a textbook for undergraduates this volume has the following major divisions each divided into chapters I An introduction to the People including the essential stance of the biblical material methods of analysis and the geographical setting II The Origins of the People including a brief history of Old Testament criticism the patriarchal traditions the exodus event and the covenant at Sinai III The Growth of the People from the wilderness period to the time of Elijah IV The Demise of the People from the emergence of the literary prophets to the time of the exile V The Renewal of the People from the Second Isaiah through the end of the Old Testament period There is an extensive bibliography arranged topically and by chapters indexes of authors and subjects and photos and maps scattered appropriately throughout the volume Concerning many basic issues a range of scholarly opinions is cited followed by a judicious evaluation and a list of the author s conclusions Only occasionally may the average informed reader want to take serious issue with the author Each chapter dealing with the biblical text is accompanied by a list of passages which the student is to read in conjunction with it a helpful procedure Treatment of a particular segment of biblical material often includes discussion of its theological stance The author has included coverage of many more topics than introductions of comparable size From The Journal of Biblical Literature review by Lloyd R Bailey Duke University Professor Kuntz has written a very helpful introductory text The

traditions and texts of the Hebrew Bible are set within a historical framework but the text is more than a history of ancient Israel Kuntz presents in a succinct fashion major historiographical and interpretative positions He has included an excellent bibliography which includes commentaries atlases journals as well as bibliographies structured along the lines of the table of contents Kuntz has written a very readable and thorough introduction to the Hebrew Bible From The Journal of the American Academy of Religion by Richard D Hecht University of California Santa Barbara Although the subtitle includes the three areas of literature history and thought this volume is primarily concerned with the literature of the Old Testament A vast amount of information is made available in a breezy well articulated and engaging style Kuntz keeps his readers informed on presently controversial issues but he does not allow the intricacies of such current debates to obscure the flow of the work as a whole Each chapter is amply footnoted and an extensive annotated bibliography concludes the volume Some seventy photographs enhance an already clear and concise presentation The vigorous and open stance of the work evident in its lack of defensive or apologetic intent finds confirmation in the author s statement to engage in the Old Testament hermeneutical task is to engage in a dialogue with ancient Israel As that dialogue unfolds the interpreter will be required to place his own view of the world on trial Kuntz has ably demonstrated that the major task of introducing the Old Testament to the interested layperson can be accomplished successfully without jargon and sophisticated detail This volume deserves a wide readership and will serve as a very fine foundation in introductory courses to the entire Old Testament From The Catholic Biblical Quarterly by David P Reid SS CC Washington Theological Coalition Silver Spring Maryland      **Adventure Yourself** Tommy Barnett,2000 Many people in America hunger for adventure and pastor Tommy Barnett avows serving God is the greatest adventure imaginable      **The Ladies' Home Journal** ,1922      **Human Nature in the Bible** William Lyon Phelps,1923
