*The Africans* David Lamb, 2011-08-24 During the four years he spent in black Africa as the bureau chief for the Los Angeles Times David Lamb traveled through almost every country south of the Sahara logging more than 300 000 miles He talked to presidents and guerrilla leaders university professors and witch doctors He bounced from wars to coups oceans apart catching midnight flights to little known countries where supposedly decent people were doing unspeakable things to one another In the tradition of John Gunther's *Inside Africa* *The Africans* is an extraordinary combination of analysis and adventure Part travelogue part contemporary history it is a portrait of a continent that sometimes seems hell bent on destroying itself and of people who are as courageous as they are long suffering

[Queen Elizabeth II and the Africans](#) Raphael Chijioke Njoku, 2024-09-05 The road to Queen Elizabeth II's implementation of African reforms was rough especially in the first two decades following her ascension to the throne In this book Raphael Chijioke Njoku examines Queen Elizabeth II's role in the African decolonization trajectories and the postcolonial state's quest for genuine political and economic liberation since 1947 By locating Elizabeth at the center of Anglophone Africa's independence agitations the account harnesses the African interests to tease out the monarch's dilemma of complying with Whitehall's decolonization schemes while building an inclusive and unified Commonwealth in which Africans could play a vital role Njoku argues that to gratify British lawmakers in her complex and marginal place within the British parliamentary system of conservative versus reformist Elizabeth's contribution fell short of African nationalists' expectations on account of her silence and inaction during the African decolonization raptures Yet ultimately the author concludes she helped build an inclusive and unified organization in which Africans could assert and appropriate political and economic autarky
