The Afterlife Of Trisha Bumwood:

The Afterlife of Trisha Bumwood Francis DiPietro, 2000-12 THE AFTERLIFE OF TRISHA BUMWOOD is a triumphant soap opera of symbolism and a natural page turner Francis DiPietro has created a multi faceted gem of perspectives and philosophy To pitch it in one short line Jesus owns a convenience store With that as a premise we soon learn that he has fallen in love with Trisha Bumwood mother of one and a first time afterlifer What is the afterlife It s not what you might think Purposes abound strategy and scheming form potent undercurrents and the cumulatively addictive viewpoints in narrative weave the most pleasant and intriguing of spells Indeed no other novel displays the collective omnipotents of God Jesus the devil and the devil s son with such candor and flaw clarity and guile Other puissant parties are interested in Ms Bumwood too and she soon becomes the center for the affections of the most powerful beings in the afterlife What they all don t know is Trisha Bumwood is destined to foil their little game for she refuses to be a pawn and ultimately discovers a path that is uniquely her own

The Best of Francis DiPietro Francis DiPietro, 2001-11 Machiavellian melancholy Burroughsian bohemia Kafkaesque Kerouac and a wild unyielding humor abound From grammar school I ve been able to draw or write things that made people laugh says the author and that has progressed into a kind of free spirited entertainment Indeed this is less a Best of collection as it is an editorial challenge for the ten unique novels drawn upon and highlighted are themselves keys which urge further exploration of this fringe author s striking works In all honesty I love your manuscript and think it s creative and hilarious Caroline Lyddy Adult Trade Editorial Department Houghton Mifflin **Holland and Bonni** Francis DiPietro, 2001-02 A thieving uncle his strong willed niece two people thirty three years away from peace and quiet

Portobello Road Francis DiPietro, 2001-10 One man carries the weight of Generation X Kyle Waterman a mild mannered insurance agent from Denver quits his job and leaves his family to hop the first Greyhound to anywhere He thought he was escaping but with the help of a drug laden Indian named Emerson Redcreek and a macho arrogant wreck named Bill Capresci Kyle finds himself transported to the world of Portobello a Naked Lunch type universe where gophers talk drugs are king and Kyle is the leader of a growing anti establishment cult called Silverdew Gincane With members joining at every stop Kyle s cult quickly becomes one of the greatest enemies of the U S government He relocates his people to Paraguay only to have an army and the ghosts of his past follow and destroy him A seminal tour de force DiPietro is on the cutting edge of dangerous fiction with Portobello Road *The Piltdown Latitudes* Francis DiPietro, 2004-06 Prudholm Bay a sleepy seaside community with a bad attitude It may be the salty air it may be the industrial plants but Prudholm has nurtured quite an odd batch of townsfolk When Ariel the local party girl is found floating in the waters near Prudholm s Nine Points lighthouse it seemed like her story was over With diligence and fervor however someone has been digging up her corpse and copulating with it And the audacity of the necrophilia escalates while a relatively fruitless search ensues for her killer defiler Seeing his chance to capitalize on his town s misfortune Anslo Creevington the local millionaire constructs a theme park dedicated to

and depicting Ariel's various unearthings. Morals and scruples fly to the wind as the once quiet Prudholm Bay plunges into a mudpile of argument and exploitation. From the book: Was our action really so monstrous in a world where sirens have replaced birds in the night? A world where wars are conducted to sharpen the act of conducting? Only one man can save Prudholm from its vapid course and he's one of the prime suspects. *The Phoenix and the Scrolls* Francis

DiPietro, 2001-03-28 Forged by a demon. Foretold by destruction. Found by a madman. The Phoenix. The Scrolls present brave King Kyle of Tarylia with a supernatural foe, not to mention a resurrected gay wizard named Pomothus whose favorite spell is blasting balls. In the great tradition of classic Weird Tales pulp and such groundbreaking authors as Robert E. Howard, Conan and Roger Zelazny, Amber Francis DiPietro has created an homage to dark humor and high adventure. **Ethnic Windows**

& the Outside Within Francis DiPietro, 2001-04-24 In the novel *Ethnic Windows* a young man must overcome social discrimination to honor the memory of his lost love. Louis Porter had lived with his parents in the Charlestown projects in fear of the world around him until he met Marissa. Yet before their love could bloom, tragedy claimed her. Now Louis must do more than conquer his fears; he must find a way to pay homage to the girl who set him free. In *The Outside Within*, a powerful businessman struggles to understand why his younger brother is trying to sabotage his life and career. Action and betrayal abound in this fast-paced tale of justice and revenge. These two complete stories are a provocative illustration of the author's early and compelling work. **Swarm of Five** Francis DiPietro, 2006-08

Stories in *Swarm of Five* stand in complimentary contrast to one another, united by an arc of succulent imagery and memorable characters. From the wild, chaotic wry and politically apocalyptic overtones of *Beat Me Sweetly* to the subtle complexities of retelling the life of an unknown hero in *Legacy of a Teacher*, DiPietro strives to capture a diverse sampling from the borderlands of storytelling. The pseudo-autobiographical parody of *Groveling Music*. The Soundtrack to My Remarried Life presents the most engaging glimpse yet into the mind of this longtime author and veteran of the final age of pulp magazines. With DiPietro escaping to a park in Texas for six days while his new wife, half his age, goes to a resort spa to pamper herself at his expense. Insecurities and bawdy reminiscences abound as DiPietro, aging and rueful of his diminishing sexual prowess, travels the lonely spaces of America in deep thought and strange mood. Shorter works of *The Dojo Demon* and *When Pickpockets Collide* are experimental and wide-ranging psychological fantasies which explore the oft-dirty and unenviable depths of human machination. *Swarm of Five* accomplishes the difficult task of offering engaging tales in a spectrum of tastes and textures.
