Isaeva,1993-01-01 According to Advaita Vedanta God or Brahman is identical with the inner self the Atman of each person while the rest of the world is nothing but objective illusion maya Shankara

maintains that there are two primary levels of existence and knowledge the higher knowledge that is Brahman itself and the relative limited knowledge regarded as the very texture of the universe Consequently the task of a human being is to reach the absolute unity and the reality of Brahman in other words to reach the innermost self within his or her own being discarding on the way all temporary characteristics and attributes **From Early Vedanta to Kashmir Shaivism** N.
