philosopher linguist poet novelist short story writer essayist playwright professor university administrator and Spanish public intellectual He had great intellectual integrity and moral courage Unamuno is not an easy philosopher to read He loved paradoxes and even at times contradictions Various interpreters have called him an atheist a sceptic a Protestant a pantheist a Catholic modernist and a good Catholic Passages can be found in his writings that can be taken to support all of these interpretations In the present book Jan E Evans does an incisive and thorough job of sorting through the Unamuno corpus and arriving at a definitive interpretation of his views One great asset of Evans work is the insight she gains by comparing Unamuno s works with the philosophers whom he admired most and considered his fellow travellers in the tragic sense of life These include Blaise Pascal 1623 1662 William James 1842 1910 and especially Soren Kierkegaard 1813 1855 This book examines the life and work of Unamuno through the lens of his faith Those who are not familiar with Unamuno will find here a clear exposition of the most important themes in the thinker s work along with a framework through which one can profitably begin to read his primary texts

Doubting Toward Faith Bobby Conway, 2015-09-01 Contrary to popular belief doubt is not the opposite of faith Rather doubts call for an important decision will you give in to unbelief or will you continue the journey toward faith Doubt can lead to confusion hopelessness and despair But as this eye opening book demonstrates doubts can also deepen your dependence on God develop your sense of empathy for others and motivate you to find satisfying answers to life s biggest questions Here you ll find practical ways to use your doubts to build your faith such as letting your doubts drive you to Jesus finding a safe community where you can doubt out loud and find support using a journal to clarify your doubts and the answers you find No one can eliminate all doubt this side of heaven So for now discover how to use your doubts to keep you headed in the right direction toward faith
