**Worldview of the Word of Faith Movement: Eden Redeemed** Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism *COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology*,

**Invisible Rivals** Jonathan R. Goodman, 2025-06-17 A multidisciplinary view of how our competitive and cooperative natures make us human For centuries people have argued about whether humans are moral animals good or bad cooperative or competitive altruistic or selfish The debates continue today dressed up in the language of modern science In this book Jonathan R Goodman makes the case for synthesizing the two sides Drawing on insights from anthropology evolutionary biology and philosophy he argues that rather than being fundamentally cooperative or competitive we are capable of being both and of exploiting each other when there is an opportunity to do so The core of invisible rivalry is how we make ourselves and others believe that we are acting cooperatively even as we manipulate those around us for our own benefit In confronting this collective tendency toward self interest Goodman says we can make the fundamental first step in fixing the

breakdown of trust in society Consequently we will be better able to combat the myriad issues we face today including widespread inequality misinformation in a new technological environment and climate change

**Seduction of the Heart** Tim LaHaye, Ed Hindson, 2010-06-14 Christians are engaged in the ultimate battle the battle for the heart The overwhelming influences of the media materialism and selfish ambition threaten to decay even the most tender of hearts While the world screams to the contrary every Christian must fight to maintain a clear conscience and discover what it really means to have the heart of God On the heels of his New York Times bestseller Mind Siege Tim LaHaye with Ed Hindson equip readers with armor to guard their hearts and draw nearer to God Some chapter titles include The Battle for the Heart The Ultimate Deception The Erosion of Trust A Prescription for the Heart Finding God's Heart

**Televangelism and American Culture** Quentin J. Schultze, 2003-09-15 Not just another trashing of televangelism Schultze's sensitive critique of present patterns of religious programming is meant to promote a more responsible Christian use of the television medium His book deserves to be read by all who care deeply about the obedient proclamation of the gospel in contemporary culture Richard Mouw The problems Schultze addresses are more profound than sexual or financial scandals They are rather problems of idolatry substituting a charismatic image on the screen of God heresy defining the faith by what it will do for me and ecclesiastical suicide transforming churches into audiences Amazingly after such an indictment Schultze holds out hope for the Christian use of television Mark Noll The most intelligent report on televangelism that I have read and I suspect the best ever Clearly the work of a smart student a discerning watcher and fair critic of the media but best of all a careful Christian mind Lewis Smedes Schultze's concluding chapter should be required reading for every Christian It provides solid biblical guidelines for calling religious broadcasters to accountability challenges individual Christians as well as the Christian media to be more critical and selective in their support of religious broadcasters and calls Christian educators to address the implications of living in the television age Steve Rabey Christianity Today A disturbing book useful both for the author's cultural and Christian critique and for his citation of a wide range of evidence Lloyd Averill The Christian Century

**One From Among Thy Brethren** H. Raymond Godfrey, 2022-02-03 In the New Testament the apostle Paul conveyed Christ's command that Christian men should lead the faith Let your women keep silence in the churches 1 Corinthians 14:34-35 Suffer not a woman to teach nor to usurp authority over the man 1 Timothy 2:11-15 and the family Wives submit yourselves unto your own husbands Colossians 3:18 In the Old Testament Moses conveyed God's command that an Israelite man should lead the nation of Israel One from among thy brethren shalt thou set king over thee Deuteronomy 17:15 It is clear from the Bible that God intends for men to lead the faith family and nation but never has a detailed explanation been given as to why this is the case This book is an endeavor to provide that detailed explanation In 1920 American men granted women the right to vote and thereby relinquished their leadership of the nation to women Since then men have also relinquished their leadership of the faith and the family to women As a result of men relinquishing their leadership duties the faith family and

nation are becoming increasingly separated from God resulting in a growing embrace of sexual immorality homosexuality transgenderism pedophilia pornography abortion irrational fear Marxist ideology Christian persecution fatherless families atheism revisionist history book burning rioting unmanageable debt and so on God has a masculine personality and He wants the faith family and nation to have the same masculine personality This is why He commands Christian men to lead the faith family and nation and this is why today s feminine leadership has separated us from God This growing separation between us and God is frightening and painful to experience and it is destroying the faith family and nation However it has one benefit it allows us to see the devastating consequences of feminine leadership God hates the fact that we are separated from Him and He wants us to come back to Him The only way to do this is to return the faith family and nation to masculine leadership as intended by God and commanded by the Bible     *It's a New Day* Scott Billingsley,2008-04-22 Examines how popular American religious leaders navigate problems of race and gender in society     **Participation and Covenant** Dick Moes,2024-03-13 In *Participation and Covenant* Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God s fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton s presentation but rather an ontology of participating in God s loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton s framework of covenant theology     Nation'S Historical Sense and Ecclesiality for Life Junes Almodiel,2011-07-13 The Book is about the history of struggle for respect of human dignity and freedom against man made darkness in which I F I is one expression This book aims to make people see that nation s human struggle is one venue to see the human design that by it man is one manifestation of the great Designer Creator The hope through it is that human history should be respected and sanctity be preserved and not be altered by propaganda and lies instead record of actuality and of truth in which by honesty liberates the oppressed and the oppressor Then we can affirm the truths of Jesus for life With all sects of prosperity self and of claims today Christianity seems reduced into selective Bible ism conversation in the table between pro imperialist and nationalistic heavenward and earthward is needed to make sense of Christianity here and now Jesus said Love the Lord your God with all your heart mind spirit and strength man s total being cannot pretend to be spirit only cannot dictate God to be for spirit and heaven only Historical sense shaped ecclesiality for the whole global community of all race     *Angle of Deception* Case

Dwain Waldrep,Scott Billingsley,2012-04-03 Harrell's connections with these religious movements point to his deeper ongoing concerns with class gender and race as core factors behind religious institutions and he has unblinkingly investigated a wide range of social dynamics     *Beyond the Boundaries* Monté Harris,2004-12-01 There is no available information at this time Author will provide once available
