The Alpha's Regret

Kim Moon, 2025-07-27 I Alpha Drake Collins Thaddeus reject you Layla Diana

Montez as my mate You are nothing to me now banished from this pack Forever What would you do if the man you gave your heart tossed you aside like yesterday's trash I gave Alpha Drake everything my loyalty my love my body I nearly died saving him But when I needed him most he turned cold mocked my scars and cast me out like I meant nothing Scarred Wolfless Pregnant I stumbled into Shadowsville Pack broken and barely alive That's when he found me Antoine Del Morino the elusive Southern Lycan King He saved me sheltered me and gave me the strength to rise again Years later I'm no longer the omega who begged to be loved I'm one of the strongest wealthiest Lunas alive And just when I finally start healing Alpha Drake returns begging for another chance But my heart now beats for the man behind the mask Should I give Drake a taste of his own rejection or fully surrender to the love Antoine offers me *The Alpha's Regret* Kristy J. Walker, The Alpha successor to the Northwood pack was consumed with pride and prioritized power and bloodline above all else When destiny provided him with the humble Luna as his mate he sneered This callous rejection shook the pack and after five days the tremors turned into a devastating avalanche A neighboring pack detecting vulnerability invaded destroying their land and permanently losing his loved ones including his spurned mate Darkness claimed him But when he awoke a sliver of sunshine revealed the same day the day he heartlessly abandoned his mate Fear was reflected in her eyes as she fled once more Was this a cruel joke from fate an opportunity to right his wrongs Or was he doomed to repeat this nightmare forever watching his pack collapse and his mate die Kai burdened by his prior mistakes realized that arrogance would not help him this time This chance this glimmer of hope was his chance to repair the broken relationship and safeguard those he had so carelessly failed

The Alpha's Oath Luci Xuân, Norah Brown never expected her quiet ordinary life to be torn apart in a single night What began as a chance encounter with a mysterious man quickly spiraled into something far darker His golden eyes his unshakable presence and the haunting words he spoke marked her in ways she could not understand He was powerful dangerous and bound by an oath older than either of them a vow that tied her fate to his No matter how hard she runs the shadows of the Alpha follow pulling her deeper into a world where strength and desire blur and every choice carries a price

Trapped between fear and an undeniable bond Norah must decide whether to resist the Alpha's claim or surrender to the destiny his oath has promised her

Trump and His Generals Peter Bergen, 2019-12-10 From one of America s preeminent national security journalists an explosive news breaking account of Donald Trump s collision with the American national security establishment and with the world It is a simple fact that no president in American history brought less foreign policy experience to the White House than Donald J Trump The real estate developer from Queens promised to bring his brash zero sum swagger to bear to cut through America s most complex national security issues and he did If the cost of his America First agenda was bulldozing the edifice of foreign alliances that had been carefully tended by every president from Truman to Obama then so be it It was clear from the first that Trump s inclinations were radically more blunt force than his predecessors When briefed by the Pentagon on Iran and the Strait of Hormuz he exclaimed The next time Iran sends its boats into the Strait blow them out of the water Let s get Mad Dog on this When told that the capital of South Korea Seoul was so close to the North Korean border that millions of people would likely die in the first hours of any all out war Trump had a bold response They have to move The officials in the Oval Office weren t sure if he was joking He raised his voice They have to move Very quickly it became clear to a number of people at the highest levels of government that their gravest mission was to protect America from Donald Trump Trump and His Generals is Peter Bergen s riveting account of what happened when the unstoppable force of President Trump met the immovable object of America s national security establishment the CIA the State Department and above all the Pentagon If

there is a real deep state in DC it is not the FBI so much as the national security community with its deep rooted culture and hierarchy The men Trump selected for his key national security positions Jim Mattis John Kelly and H R McMaster were products of that culture Trump wanted generals and he got them Three years later they would be gone and the guardrails were off From Iraq and Afghanistan to Syria and Iran from Russia and China to North Korea and Islamist terrorism Trump and His Generals is a brilliant reckoning with an American ship of state navigating a roiling sea of threats without a well functioning rudder Lucid and gripping it brings urgently needed clarity to issues that affect the fate of us all But clarity unfortunately is not the same thing as reassurance
