Tantalizingly irreverent Camner s work smacks of the deliciously absurd with a point He is a brilliantly bizarre poet and master of the surreal Lenny DellaRocca The Poetry Museum Camner defies the traditional aesthetic concepts of poetry He targets a world of ideas in a rather active way as opposed to the more passive meditative aspects found in most poetry There is a linguistic simplicity to his poems an almost transparent quality over a rather complex web of experience and thought His poetry is life All you have to do is look The obvious and not so obvious Marta Braunstein editor Cambio Literary Journal

Camner writes in terse stark real verse that would make Hemingway raise his scotch glass in honor New Times Newspaper Camner s poetic style is reminiscent of Raymond Chandler s detective writing descriptive and terse with interesting plot lines His characters are certainly the product of a vivid imagination The Comstock Review Camner s humour noir is apparent in his poetics his spirited voice and unabashed freedom so alive even in his earliest poems Peter Hargitai A literary detour and well worth the trip Village Voice      [The American Catalogue](#) ,1905      **The American Catalog, 1900-1905** ,1905      [New Guide to Reference Books](#) Isadore Gilbert Mudge,American Library Association,1923      *The New American Poetry and Cold War Nationalism* Stephan Delbos,2021-08-20 This book examines Donald M Allen s crucially influential poetry anthology *The New American Poetry* 1945 1960 from the perspectives of American Cold War nationalism and literary transnationalism considering how the anthology expresses and challenges Cold War norms claiming post war Anglophone poetic innovation for the United States and reflecting the conservative American society of the 1950s Examining the crossroads of politics social life and literature during the Cold War this book puts Allen s anthology into its historical context and reveals how the editor was influenced by the volatile climate of nationalism and politics that pervaded every aspect of American life during the Cold War Reconsidering the dramatic influence that Allen s anthology has had on the way we think about and anthologize American poetry and recontextualizing *The New American Poetry* as a document of the Cold War this study not only helps us come to a more accurate understanding of how the anthology came into being but also encourages new ways of thinking about all of Anglophone poetry from the twentieth century and today      **El-Hi Textbooks & Serials in Print, 2003** ,2003
