

The American Far Right

Peter Davies, Derek Lynch

The American Far Right:

The Far Right in America Cas Mudde, 2017-09-22 This book collects Mudde's old and new blog posts, interviews and op-eds on the topic of the US far right ranging from right wing populists to neo-Nazi terrorists. The main emphasis of the book is on the two most important far right developments of the 21st century: the Tea Party and Donald Trump. Primarily aimed at a non-academic audience, the book explains terminology, clarifies the key organizations and people, and their relationship to liberal democracy.

The Christian Right, the Far Right and the Boundaries of American Conservatism Martin Durham, 2000. Mothers and meaning on the early modern English stage is a study of the dramatised mother figure in English drama from the mid-sixteenth to the early seventeenth centuries. It explores a range of genres: moralities, histories, romantic comedies, city comedies, domestic tragedies, high tragedies, romances and melodrama, and includes close readings of plays by such diverse dramatists as Udall, Bale, Phillip Legge, Kyd, Marlowe, Peele, Shakespeare, Middleton, Dekker and Webster. The study is enriched by reference to religious, political and literary discourses of the period from Reformation and counter-Reformation polemic to midwifery manuals and Mother's Legacies, the political rhetoric of Mary I, Elizabeth I and James VI, reported gallows confessions of mother convicts and Puritan conduct books. It thus offers scholars of literature, drama, art and history a unique opportunity to consider the literary, visual and rhetorical representation of motherhood in the context of a discussion of familiar and less familiar dramatic texts.

The Far-Right in World Politics Alexander Anievas, Richard Saull, 2024-11-01. This book addresses the reasons why the contemporary far right has gained political resonance in a variety of states across both the Global North and South. The rise of far right forms of politics in recent years throughout a range of geopolitical locales suggests the emergence of a distinct conjuncture in world politics, indicating a common set of enabling conditions and characteristics. It is this unprecedented context in the history of the post-war liberal international order that this edited volume aims to address. In doing so, it brings together a diverse range of scholars, many of whom have developed an internationally recognized expertise in the study of the far right and International Relations (IR). Reflecting a plurality of methodological and theoretical perspectives, the chapters cover a variety of theoretical and conceptual issues, including analyses of different geopolitical and national expressions of the contemporary far right. Notwithstanding such diversity, the primary analytical focus of the book is to situate and explain the far right as a distinct part of the history of modern international relations, especially with respect to the development of and crises within the contemporary international order. From this perspective, the contributions combine to demonstrate the deeply embedded symptoms of far right politics centred on racialized imaginaries across the globe and reproduced within the sinews of an evolving liberal international order, even as the far right also represents an antagonism to some elements of said order. Providing a much-needed global perspective, this book will be of great interest to students and scholars of populism, far right politics, conservatism and international relations. The chapters in this book were originally published as a special issue of *Globalizations* and are accompanied by a

new epilogue **Far-Right Fantasy** James Aho, 2015-12-22 Far Right Fantasy is a straight forward jargon free study of contemporary American right wing extremism Accessible to both professional and lay audiences it allows activists to speak for themselves in their own words It takes the self announced religious motivations of extremists seriously and illustrates this by citing numerous cases of radical politics The book addresses the strengths and weaknesses of the standard psycho social cultural explanations of far right activism It shows how extremists are similar educationally and psychologically to their more conventional neighbors that they get into the movement in the same way that others become peace activists or radical environmentalists namely through their ties with fellow workers and church goers family members and classmates and that their views are given a patina of certainty by being repeatedly corroborated within closed non contaminated communication systems The book avoids being preachy or judgmental but it does try to challenge readers morally by submitting far right fantasy to a formal ideology critique It does this by showing how the reforms it recommends a marketplace free of regulation draconian immigration restrictions an end to the federal reserve bank and the income tax a balanced budget amendment to the Constitution anti union right to work laws and a return to debt slavery the privatization of schools the post office and the commons and so on contradict its ostensible goal which is to protect and enhance middle class interests Far Right Fantasy is suitable for adoption as a supplemental text in political psychology and sociology sociologies of religion and knowledge collective behavior and American political history *The Longue Durée of the Far-Right* Richard Saull, Alexander Anievas, Neil Davidson, Adam Fabry, 2014-08-27 This volume brings together a number of international scholars to offer an original analysis of far right movements and politics challenging the existing literature through a very different methodological and theoretical perspective The approach offered here is that of longue dur e analysis whereby the far right is understood as an evolving subject of capitalist modernity The authors argue that an assessment of the contemporary characteristics of the far right needs to consider the ways in which it is a product of deeper and longer term structures of socio economic and political development than for example the inter war crises of capitalism The book aims to provide a critical and theoretically informed assessment of the history of the far right that centres on the international as key to any understanding its evolution and which distinguishes between the fascist and non fascist variants as an essential precondition for comprehending the far right presence in contemporary politics *Liberal Roots of Far Right Activism* Lars Erik Berntzen, 2019-10-16 This book explores the anti Islamic turn and expansion of the far right in Western Europe North America and beyond from 2001 and onwards Driven by terror attacks and other moral shocks the anti Islamic cause has undergone four waves of transnational expansion in the period since 2001 The leaders and intellectuals involved have varied backgrounds many coming from the left uniting historically opposed sets of values under their banner of a civilizational struggle against Islam The findings presented in this book indicate that anti Islamic initiatives in Western Europe and the United States form a transnational movement and subculture characterized by a fragile balance between liberal and

authoritarian values The author draws on a broad array of data sources and methods including network analysis and sentiment analysis to analyze the impact of the anti Islamic expansion and turn at a macro level and the theoretical implications for our understanding of the current far right flowing from this Offering an overview of anti Islamic activism the book explores the background of their leaders and ideologues provides an in depth look at their ideology online organizational networks and the views expressed by their online members as well as which emotions and messages continue to drive their mobilization The book will be of interest to scholars in the social movement field as well as political scientists sociologists and general readers interested in issues such as populism extremism and understanding the ways in which the contemporary far right challenges liberal democracies

Russia and the Western Far Right

Anton Shekhovtsov, 2017-09-08 The growing influence of Russia on the Western far right has been much discussed in the media recently This book is the first detailed inquiry into what has been a neglected but critically important trend the growing links between Russian actors and Western far right activists publicists ideologues and politicians The author uses a range of sources including interviews video footage leaked communications official statements and press coverage in order to discuss both historical and contemporary Russia in terms of its relationship with the Western far right Initial contacts between Russian political actors and Western far right activists were established in the early 1990s but these contacts were low profile As Moscow has become more anti Western these contacts have become more intense and have operated at a higher level The book shows that the Russian establishment was first interested in using the Western far right to legitimise Moscow's politics and actions both domestically and internationally but more recently Moscow has begun to support particular far right political forces to gain leverage on European politics and undermine the liberal democratic consensus in the West Contributing to ongoing scholarly debates about Russia's role in the world its strategies aimed at securing legitimation of Putin's regime both internationally and domestically modern information warfare and propaganda far right politics and activism in the West this book draws on theories and methods from history political science area studies and media studies and will be of interest to students scholars activists and practitioners in these areas

The Routledge Companion to

Fascism and the Far Right Peter Davies, Derek Lynch, 2005-08-16 The Routledge Companion to Fascism and the Far Right is an engaging and accessible guide to the origins of fascism the main facets of the ideology and the reality of fascist government around the world In a clear and simple manner this book illustrates the main features of the subject using chronologies maps glossaries and biographies of key individuals As well as the key examples of Hitler's Germany and Mussolini's Italy this book also draws on extreme right wing movements in Latin America Eastern Europe and the Far East In a series of original essays the authors explain the complex topics including the roots of fascism fascist ideology fascism in government and opposition nation and race in fascism fascism and society fascism and economics fascism and diplomacy

Women of the Far Right Glen Jeansonne, 1996 The majority of American women supported the Allied cause during World

War II and made sacrifices on the home front to benefit the war effort But U S intervention was opposed by a movement led by ultraright women whose professed desire to keep their sons out of combat was mixed with militant Christianity anticommunism and anti Semitism This book is the first history of the self styled mothers movement so called because among its component groups were the National Legion of Mothers of America the Mothers of Sons Forum and the National Blue Star Mothers Jeansonne examines the motivations of these women the political and social impact of their movement and their collaborations with men of the far right and also with mainstream isolationists such as Charles Lindbergh Drawing on files kept by the FBI and other confidential documents this book sheds light on the history of the war era and on women s place within the far right

Visualising far-right environments Bernhard Forchtner,2023-10-17 This volume presents ground breaking analyses of how the far right represents natural environments and environmentalism around the globe Images are not simply pervasive in our increasingly visual culture they are a means of proposing worlds to viewers Accordingly the book approaches the visual not as something extra or illustrative but as a key means of producing identities and doing politics Putting visuality centre stage and covering political parties and non party actors in Africa Asia Australia and New Zealand Europe and the United States contributors demonstrate the various ways in which the far right articulates natural environments and the rampant environmental crises of the twenty first century providing essential insights into such multifaceted politics

Post-Digital Cultures of the Far Right Maik Fielitz,Nick Thurston,2018-12-12 How have digital tools and networks transformed the far right s strategies and transnational prospects This volume presents a unique critical survey of the online and offline tactics symbols and platforms that are strategically remixed by contemporary far right groups in Europe and the US It features thirteen accessible essays by an international range of expert scholars policy advisors and activists who offer informed answers to a number of urgent practical and theoretical questions How and why has the internet emboldened extreme nationalisms What counter cultural approaches should civil societies develop in response

The Far-Right in Ireland Yasmine Ahmed,2025-08-08 Recent years have seen a rise in far right activity and protest in Ireland with an increase in the number of attacks and harassment episodes against minorities as well as politicians journalists and activists Addressing a lack of research on the subject this book is the first to analyse the rapidly escalating situation

Contributions from diverse sources including journalists and former Irish police officers explore the fundraising and online activities of far right groups in their opposition to the politics of gender sexual diversity and multiculturalism In exposing the rising threat from violent far right actors the book promotes a debate on how civil society can prevent and counteract the spread of such ideas

The ethics of researching the far right Antonia Vaughan,Joan Braune,Meghan Tinsley,Aurelien Mondon,2024-05-07 At a time when far radical and extreme right politics are becoming increasingly mainstream globally sometimes with deadly consequences research in these fields is essential to understand the most effective ways to combat these dangerous ideologies Yet engaging with texts and movements that do physical and verbal violence raises a number of

urgent ethical issues Until recently this has remained understudied as scholarship on the far right rarely delves explicitly and critically into the ethics of research This book seeks to remedy this significant gap in an otherwise extensive and growing literature Originating from a workshop series in 2020 in which an international group of academics at various career stages shared the ethical challenges and best practices they had developed in their research this edited collection draws together insights from these ongoing conversations offering urgent critical reflections on key ethical issues

Unreal City: The Strange Disappearance of Reality Mark Romel, 2018-04-10 It's finally happening Reality is disintegrating The Age of Nihilism is dawning Fake news post truth post facts alternative facts everyone has their own truth the Dunning Kruger effect Mythos hyperreality hyporeality virtual reality virtual irreality simulation simulacra the copy without the original the map that precedes the territory the authentic fake Whom will you believe Whom will you trust Who is telling the truth Who is lying to you It's time to explore the Unreal city the Unreal world Soon enough humanity itself will be Unreal

Legal Challenges to the Far-Right Natalie Alkiviadou, 2019-11-22 The work considers the international and European obligations of the UK in the realm of challenging the far right and assesses the extent to which it adheres to them It looks at the role of criminal law in tackling hate speech and hate crime and assesses how English law deals with political parties which may deviate from agreed norms and principles such as non discrimination The legal analysis is placed within a contextual framework of far right parties in the United Kingdom and also incorporates a definitional framework in terms of how the law defines themes relevant to challenging the far right such as racial discrimination terrorism and extremism The book presents a valuable guide for students academics and policy makers in the areas of International Human Rights Law Criminal Law Comparative Constitutional Law National Security Law Comparative Politics and Terrorism Studies

A Fortified Far Right? Katalin Petho-Kiss, Rohan Gunaratna, 2024-04-30 Petho Kiss and Gunaratna understand the nature of the threat posed by the far right because of their findings and they propose effective provisions and mechanisms for detecting and countering it The book undertakes a consistent procession and empirical examination of available information to arrive at the recognition that in order to dissolve the complexity of the associated threat we need to scrutinize the functioning of far right threat groups In depth and consistent analysis on their mode of operation and mindset enables us to identify ways to detect and counter their malicious efforts and activities The theoretical framework for the analysis lies upon the concept of wave theory The main question that this book examines is whether far right terrorism constitutes a new wave of global terrorism One question emerges from this statement that requires further elaboration Is far right terrorism a novel wave of terrorism If yes how is it novel and what are the novelties or developments in it This book is for scholars as well as practitioners in the counter terrorism CT and the prevention countering violent extremism PCVE field Through specific case studies students studying CT and or PCVE could gain insight into the operational functionalities of far right threat groups This may help them to get a more accurate understanding of the threat posed by these entities Examining the recruitment funding communication

practices and modus operandi of worrisome threat actors equips us to design the most effective countermeasures and identify the hiatuses in applicable legislative regimes

American Zealots Arie Perliger, 2020-08-18 In an unsettling time in American history the outbreak of right wing violence is among the most disturbing developments In recent years attacks originating from the far right of American politics have targeted religious and ethnic minorities with a series of antigovernment militants religious extremists and lone wolf mass shooters inspired by right wing ideologies The need to understand the nature and danger of far right violence is greater than ever In *American Zealots* Arie Perliger provides a wide ranging and rigorously researched overview of right wing domestic terrorism He analyzes its historical roots characteristics tactics rhetoric and organization assessing the current and future trajectory of the use of violence by the far right Perliger draws on a comprehensive dataset of more than 5 000 attacks and their perpetrators from 1990 through 2017 in order to explore key trends in American right wing terrorism He describes the entire ideological spectrum of the American far right including today's white supremacists antigovernment groups and antiabortion fundamentalists as well as the histories of the KKK skinheads and neo Nazis Based on these findings Perliger suggests counterterrorism policies that can respond effectively to the far right threat A groundbreaking examination of violence spawned from right wing ideologies *American Zealots* is essential reading for everyone seeking to understand the transformation of domestic terrorism

Far-Right Extremism Online Tine Munk, 2024-06-14 By imparting crucial insights into the digital evolution of far right extremism and its challenges this book explores how far right extremism has transformed utilising digital spaces for communication and employing coded language to evade detection Far right extremism has spread extensively across online platforms Flourishing within echo chambers these groups propagate different types of online and offline actions and advance their hateful ideologies to a wide ranging audience This book highlights the issues surrounding far right extremism which distinguishing it from terrorism and examining its contemporary digital manifestations Importantly it sheds light on how far right groups utilise online platforms for communication radicalisation and on ground actions relying on alternative truths misinformation conspiracy theories fashion and memes to connect with like minded individuals The book also addresses content moderation challenges and the impact of rising populism in today's political climate which fuels societal divisions and uncertainty *Far Right Extremism Online* is a valuable resource for academics students analysts and professionals working in counter extremism cybersecurity digital communication and national security It is also an indispensable guide for those concerned about far right extremism in the digital age

Right-Wing Terrorism in the 21st Century Daniel Koehler, 2016-10-04 This book is the first comprehensive academic study of German right wing terrorism since the early 1960s available in the English language It offers a unique in depth analysis of German violent extremist right wing movements terrorist events groups networks and individuals In addition the book discusses the so called National Socialist Underground NSU terror cell which was uncovered in late 2011 by the authorities The NSU had been active for over a decade and had killed at least ten people

as well as executing numerous bombings and bank robberies With an examination of the group s support network and the reasons behind the failure of the German authorities this book sheds light on right wing terrorist group structures tactics and target groups in Germany The book also contains a complete list of all the German right wing terrorist groups and incidents since the Second World War Based on the most detailed dataset of right wing terrorism in Germany this book offers highly valuable insights into this specific form of political violence and terrorism which has been widely neglected in international terrorism research

The Populist Radical Right Cas Mudde, 2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research

The American Far Right Introduction

In the digital age, access to information has become easier than ever before. The ability to download The American Far Right has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The American Far Right has opened up a world of possibilities. Downloading The American Far Right provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The American Far Right has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The American Far Right. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The American Far Right. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The American Far Right, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The American Far Right has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The American Far Right Books

What is a The American Far Right PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The American Far Right PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The American Far Right PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The American Far Right PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The American Far Right PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
