Children's Books from Other Countries Carl M. Tomlinson,1998-01-15 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in other countries Exposing children to this multi national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children s Books from Other Countries is a complete and current guide to international children s literature The concept of a bibliography of international children s literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children s books Children s Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children a brief history of the children s literature movement related books and awards and basic information about the International Board on Books for Young People IBBY and its American branch the United States Board on Books for Young People USBBY An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0 14 although a few outstanding young adult titles are included Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and Subject Index Affordable and readable this timely resource is certainly a must for librarians and teachers and other professionals working with children Sponsored by the United State

Building Children's Worlds Torsten Schmiedeknecht,Jill Rudd,Emma Hayward,2023-03-28 Children are the future architects clients and users of our buildings The kinds of architectural worlds they are exposed to in picturebooks during their formative years may be assumed to influence how they regard such architecture as adults Contemporary urban environments the world over represent the various stages of modernism in architecture This book reads that history through picturebooks and considers the kinds of national identities and histories they construct Twelve specialist essays from international scholars address questions such as Is modern architecture used to construct specific narratives of childhood Is it taken to support negative narratives of

alienation on the one hand and positive narratives of happiness on the other Do images of modern architecture support ideas of community Reinforce family values If so what kinds of architecture community and family How is modern architecture placed vis vis the promotion of diversity ethnic religious gender etc How might the use of architecture in comic strips or the presence of specific kinds of building in fiction aimed at younger adults be related to the groundwork laid in picturebooks for younger readers This book reveals what stories are told about modern architecture and shows how those stories affect future attitudes towards and expectations of the built environment
