

The Achievement of
**William
Styron**

Edited by Robert K. Morris
with Irving Malin
Revised Edition

The Achievement of William Styron

The Achievement Of William Styron

Mark Hawkins-Dady

The Achievement Of William Styron:

The Achievement of William Styron R. K. Morris, 1975 **The Achievement of William Styron** Robert K. Morris, Irving Malin, 1975-01-01 *The Achievement of William Styron* Robert K. Morris, Irving Malin, 1981 *The Achievement of William Styron* Robert K. Morris, Irving Malin, 2008-06-01 The publication of *Sophie's Choice* one of William Styron's greatest literary achievements generated a new spark in the critical discussion of the author and is the main emphasis of the interview with Styron and one of the additional essays in this revised edition The interview was conducted by Robert K Morris the essay on *Sophie's Choice* by Richard Pearce Other essays include Jane Flanders on Styron's southern myth Philip W Leon on Styron's narrative technique and Ardner R Cheshire Jr and Mary S Strine on *The Confessions of Nat Turner* Originally published in 1975 *The Achievement of William Styron* was the first collection of critical essays on one of America's most distinguished contemporary fiction writers and it has become a standard work Essays from the original edition which are included in this revised edition are those by the editors and by Louis D Rubin Jr John O Lyons Jan B Gordon Robert Phillips and George Core *The Novels of William Styron: From Harmony to History* Gavin Cologne-Brookes, 1995

Violence and Compassion in the Novels of William Styron S. Laxmana Murthy, 1988 The Book Presents A Perceptive Study Of Styron's Concern With The Tragic Fact Of Human Existence As A Constant Endeavour To Affirm Love And Compassion Despite The Nihilistic Terror Caused By Ubiquitous Violence In Modern World It Has Chapters On *Lie Down In Darkness* *The Long March* *Set This House On Fire* And *The Confessions Of Nat Turner* **William Styron** James L. W. West, 2010-08-17 A mesmerizing biography of the 1 New York Times bestselling author of *Sophie's Choice* *The Confessions of Nat Turner* and *Darkness Visible* Entertainment Weekly William Styron was one of the most highly regarded and controversial authors of his generation In this illuminating biography James L W West III draws upon letters papers and manuscripts as well as interviews with Styron's friends and family to recount in rich detail the experiences that shaped each of his groundbreaking books From Styron's Southern upbringing which deeply influenced the Pulitzer Prize winning *The Confessions of Nat Turner* and National Book Award winning *Sophie's Choice* to his feud with Norman Mailer and the clinical depression that led to his acclaimed memoir *Darkness Visible* West's remarkable biography provides invaluable insight into the life and works of a giant of American literature **William Styron Revisited** Samuel Coale, 1991 Discusses the life and literary works of William Styron *In the Matter of Nat Turner* Christopher Tomlins, 2022-06-14 A bold new interpretation of Nat Turner and the slave rebellion that stunned the American South In 1831 Virginia Nat Turner led a band of Southampton County slaves in a rebellion that killed fifty five whites mostly women and children After more than two months in hiding Turner was captured and quickly convicted and executed In *The Matter of Nat Turner* penetrates the historical caricature of Turner as befuddled mystic and self-styled Baptist preacher to recover the haunting persona of this legendary American slave rebel telling of his self-discovery and the dawning of his Christian faith of an impossible task given to him by

God and of redemptive violence and profane retribution Much about Turner remains unknown His extraordinary account of his life and rebellion given in chains as he awaited trial in jail was written down by an opportunistic white attorney and sold as a pamphlet to cash in on Turner s notoriety But the enigmatic rebel leader had an immediate and broad impact on the American South and his rebellion remains one of the most momentous episodes in American history Christopher Tomlins provides a luminous account of Turner s intellectual development religious cosmology and motivations and offers an original and incisive analysis of the Turner Rebellion itself and its impact on Virginia politics Tomlins also undertakes a deeply critical examination of William Styron s 1967 novel The Confessions of Nat Turner which restored Turner to the American consciousness in the era of civil rights black power and urban riots A speculative history that recovers Turner from the few shards of evidence we have about his life In the Matter of Nat Turner is also a unique speculation about the meaning and uses of history itself

Volume 12, Tome IV: Kierkegaard's Influence on Literature, Criticism and Art Jon

Stewart, 2016-12-05 While Kierkegaard is primarily known as a philosopher or religious thinker his writings have also been used extensively by literary writers critics and artists This use can be traced in the work of major cultural figures not just in Denmark and Scandinavia but also in the wider world They have been attracted to his creative mixing of genres his complex use of pseudonyms his rhetoric and literary style and his rich images parables and allegories The present volume documents this influence in the different language groups and traditions Tome IV examines Kierkegaard s surprisingly extensive influence in the Anglophone world of literature and art particularly in the United States His thought appears in the work of the novelists Walker Percy James Baldwin Flannery O Connor William Styron Don DeLillo and Louise Erdrich He has also been used by the famous American literary critics George Steiner and Harold Bloom The American composer Samuel Barber made use of Kierkegaard in his musical works Kierkegaard has also exercised an influence on British and Irish letters W H Auden sought in Kierkegaard ideas for his poetic works and the contemporary English novelist David Lodge has written a novel Therapy in which Kierkegaard plays an important role Cryptic traces of Kierkegaard can also be found in the work of the famous Irish writer James Joyce

William Styron, an Annotated Bibliography of Criticism, 1978 Holocaust

Literature: Lerner to Zychlinsky, index S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004

Comparative Literary Dimensions Jay L. Halio, Ben Siegel, 2000 Comparative Literary Dimensions like its companion volume American Literary Dimensions honors the memory of Melvin J Friedman The authors studied include James Joyce Robert Graves and Virginia Woolf A wide range of classical

and modern writers and literary themes and concepts are discussed by international scholar critics such as Haskell Block Zack Bowen and Owen Aldrich The volume concludes with Jackson Bryer s detailed bibliography of Melvin Friedman s singular contribution to the study of modern literature American Literary Dimensions Ben Siegel, Jay L. Halio, 1999 This is the first of two volumes commemorating Friedman s life and work and includes essays on American literature poetry and remembrances **Civil Rights in the White Literary Imagination** Jonathan W. Gray, 2013-01-14 The statement The Civil Rights Movement changed America though true has become something of a cliché Civil Rights in the White Literary Imagination seeks to determine how exactly the Civil Rights Movement changed the literary possibilities of four iconic American writers Robert Penn Warren Norman Mailer Eudora Welty and William Styron Each of these writers published significant works prior to the Brown v Board of Education case in 1954 and the Montgomery Bus Boycott that began in December of the following year making it possible to trace their evolution in reaction to these events The work these writers crafted in response to the upheaval of the day from Warren s Who Speaks for the Negro to Mailer s The White Negro to Welty s Where Is the Voice Coming From to Styron s Confessions of Nat Turner reveal much about their own feeling in the moment even as they contribute to the national conversation that centered on race and democracy By examining these works closely Gray posits the argument that these writers significantly shaped discourse on civil rights as the movement was occurring but did so in ways that intentionally or not often relied upon a notion of the relative innocence of the South with regard to racial affairs and on a construct of African Americans as politically and or culturally naïve As these writers grappled with race and the myth of southern nobility their work developed in ways that were simultaneously sympathetic of and condescending to black intellectual thought occurring at the same time Rereading William Styron Gavin Cologne-Brookes, 2014-01-13 The first critical study of William Styron since his death in 2006 Rereading William Styron offers an eloquent reflection on the writer s works world and character Bringing an innovative approach to literary criticism Gavin Cologne Brookes combines personal anecdote scholarly research travel writing and primary material to provide fresh perspectives on Styron s achievements For Cologne Brookes rereading unfolds in two ways through close analysis of texts and through remembrance He begins with reminiscences about the man behind the books and then giving due consideration to Styron s stories incidental writings and posthumous publications interprets anew all his significant work from the nonfiction including his acclaimed memoir of depression Darkness Visible to the novels Lie Down in Darkness Set This House on Fire The Confessions of Nat Turner and Sophie s Choice Defining the relevance of Styron s writing in terms of everyday life Cologne Brookes explores the intricate relationships between an author his work and his readership and between history and fiction and writing and place The book s emphasis on subjectivity and dynamic interaction makes it unique in Styron criticism and a striking contribution to the debate about what it means to study literature **Twentieth-century American Literary Naturalism** Donald Pizer, 1982 Pizer explores six novels to define naturalism and explain its tenacious hold

throughout the twentieth century on the American creative imagination

History and the Contemporary Novel David Cowart, 1989 Cowart presents a study of international historical fiction since World War II with reflections on the affinities between historical and fictional narrative analysis of the basic modes of historical fiction and readings of a number of historical novels including John Barth's *The Sot-Weed Factor* Marguerite Yourcenar's *Memoirs of Hadrian* Russell Hoban's *Riddley Walker* Margaret Atwood's *The Handmaid's Tale* Giuseppe Tomasi Di Lampedusa's *The Leopard* D. M. Thomas's *The White Hotel* William Faulkner's *Go Down, Moses* and Umberto Eco's *The Name of the Rose* He proposes recognizing four modes of the historical novel: the past as a distant mirror of the present; fictions whose authors seek to pinpoint the precise historical moment when the modern age or some prominent feature of it came into existence; fictions whose authors aspire purely or largely to historical verisimilitude; and fictions whose authors reverse history to contemplate utopia and dystopia in the future. Thus historical fiction can be organized under the rubrics: The Distant Mirror, The Turning Point, The Way It Was, and The Way It Will Be. This fourfold schema and his focus on postwar novels set Cowart's work apart from previous studies which have not devoted adequate space to the contemporary historical novel. Cowart argues that postwar historical fiction merits more extensive treatment because it is the product of an age unique in the annals of history: an age in which history itself may end.

Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo-Saxon times to the current American, British, and Commonwealth scene. It is designed to help students, teachers, and librarians choose the most appropriate books for research and study.

Transforming the Rebel Self: Quest Patterns in Fiction by William Styron, Flannery O'Connor and Bobbie Ann Mason Sharon Therese Nemeth, 2010 Originally written as the author's dissertation.
