The Administrators Job Issues And Dilemmas:

The Administrator's Job R. K. Ready,1967 The Administrator's Job Robert Knowles Ready,1967 Critical Issues and Problems Facing the New Administration and Congress United States. Congress. Senate. Committee on Governmental Affairs,1989 Problems of Administration in Social Work Pierce Atwater,1940-01-01 Problems of Administration in Social Work was first published in 1940 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions

Educational Innovation in Economics and Business Administration: W. Gijselaers, 1995-01-31 During the last few years economics and business education have emerged as one of the largest fields of study in higher education At the same time the pressing concern for improving the quality of higher education has led to a definite need for more knowledge about effective instruction and innovation in economics and business education The book brings together many examples of reform in economics and business education Special attention is paid to the problem based learning approach which over the past ten years has developed as a very important innovation in higher education. The book contains contributions from a variety of institutions on the necessity of curriculum reform the choice of instructional methods assessment and testing and management of change It is of interest for teachers in higher education educational psychologists and any person interested in educational innovation in economics and business administration Oualitative Approaches to Criminal Justice Mark Pogrebin, 2003 The growth in popularity of qualitative research in the social sciences over the last two decades has been nothing short of amazing Qualitative Approaches to Criminal Justice Perspectives from the Field reveals some of the reasons for the success and stature of this unique methodological approach Exploring the real life experiences of criminal justice professionals this anthology is the first book to focus solely on the use of qualitative research in various components of the criminal justice system The collection is organized from two criminal justice perspectives one qualitatively oriented and the other system oriented including overviews of each qualitative method and commentaries that analyze the research techniques Case studies illustrating actual fieldwork practices bring theory vividly to life Qualitative Approaches to Criminal Justice Perspectives from the Field is multi faceted in both its content and application Through its investigative techniques which rely mainly on observations participant observation and open ended interviews qualitative research reveals parts of the social world that remain hidden to more traditional methodological techniques Recommended as a companion to an administration of criminal justice course as well as courses in qualitative research in criminal justice Also recommended as a supplemental text for any research methods course in a criminal justice degree program including sociology political science and legal studies Current Antitrust Problems United States. Congress. House. Committee on the Judiciary.
