The Age Of Consent

Abbie E. Goldberg

The Age Of Consent:

The Age of Consent M. Waites, 2005-08-10 The Age of Consent Young People Sexuality and Citizenship addresses the contentious issue of how children's sexual behaviour should be regulated The text includes A unique history of age of consent laws in the UK analysed via contemporary social theory A global comparative survey of age of consent laws and relevant international human rights law A critical analysis of how protectionist agendas shaped new age of consent laws in England and Wales in the Sexual Offences Act 2003 In depth theoretical discussion of the rationale for age of consent laws An original proposal to reduce the age of consent to 14 for young people who are less than two years apart in age Responding to contemporary concerns about young people's sexual behaviour sexual abuse and paedophilia this book will engage readers in law and socio legal studies sociology history politics social policy youth and childhood studies and gender and sexuality studies and professionals and practitioners working with young people

Sex and Harm in the Age of Consent Joseph J. Fischel, 2016-05-15 Sex and Harm in the Age of Consent cautions against the adoption of consent as our primary determinant of sexual freedom For Joseph J Fischel consent is not necessarily always ethically sound It is he argues a moralized fiction and it churns out figures for its normativity the predatory sex offender and the innocent child Examining the representation of consent in U S law and media culture Fischel contends that the figures of the sex offender and the child are consent's alibi its negative space enabling fictions that allow consent to do the work cut out for it under late modern sexual politics Engaging legal queer feminist and political theory case law and statutory law and media representations Fischel proposes that we change our adjudicative terms from innocence consent and predation to vulnerability sexual autonomy and peremption which he defines as the uncontrolled disqualification of possibility Such a shift in theory law and life would be less damaging for young people more responsive to sexual violence and better for sex

Criminal Law and Morality in the Age of Consent Aniceto Masferrer, 2021-02-09 This book discusses the relation between morality and politics and morality and law a field that has been studied for more than two thousand years The law is a part of human culture and this touches upon a dynamic reality that is connected to the relation between nature and freedom nature and culture If such relations are not clearly understood as is the case today the relation between morality and law cannot be properly comprehended either The relationship between morality and criminal law must constantly evolve to meet the needs of changing times and circumstances Social changes and new situations require new answers And since the relationship involves criminal law legal philosophy and legal history interdisciplinary approaches are always needed Featuring fifteen original contributions by legal scholars from various European and American universities the book does not pretend to solve the complexity of the relation between morality and criminal law but instead expresses criticism offers some proposals and stimulates further thought The book tackles the topic from an interdisciplinary perspective criminal law constitutional law legal philosophy and legal history among others As such it appeals not only to scholars and students but also to lawyers

policymakers historians theologians philosophers and general readers who are interested in the legal social political and philosophical issues of our time

Age of Consent Olivia Ferguson, 2010 In the United States each state determines the age at which a person can legally have sex Age of Consent laws exist to prevent exploitation of young people but these policies often spark debate because of their breadth and ambiguity Many people may wonder if these policies are too protective in some cases and too punitive in others This book offers a variety of perspectives on the effectiveness and impact of age of consent laws allowing readers to gain an insight into a broad and challenging dialogue The question of individual maturity in respect to consensual sex the impact of Sarah's law on the rights of parents and children and the criminal labeling of sexually active teens are just a few topics of discussion in this comprehensive anthology

The Age of Sex Corrie Decker, 2025 As in much of the world societies in precolonial East Africa what is today Kenya Tanzania and Uganda used rites of passage to chart an individual's social and developmental progress toward adulthood Under European colonialism from the 1890s to the 1960s colonial judicial systems and the emerging genre of ethnography converged to subject African people to standardized definitions of childhood and adulthood The coexistence of rites of passage and chronological age regulations generated confusion well into the postcolonial era and the question of when childhood ends sparked extensive debate about gender race and development Corrie Decker argues that ultimately these debates came down to the age of sex The age of sex a term Decker conceptualizes in this carefully researched monograph refers to the hypothetical moment when a girl becomes a woman capable of engaging in heterosexual activity and a boy becomes a man imbued with the right and responsibility to have heterosexual intercourse Colonial ethnographic studies reduced complex precolonial rites of passage to puberty rites fixated on these sexual transformations The resulting stereotypes influenced in turn how colonial and postcolonial court officials decided age of consent and other sex crime cases Court rituals thus legally transformed girls into women by ruling on their sexual maturity and boys into men by sentencing them to corporal punishment marking their acceptance of sexual responsibilities

Making Sense of Sexual Consent Mark Cowling, Paul Reynolds, 2017-03-02 The issue of sexual consent has stimulated much debate in the last decade The contributors to this illuminating volume make sense of sexual consent from various conceptual standpoints socio legal post structural philosophical and feminist The volume comprises a range of studies all based around consent within a specific context such as criminal justice homosexuality sadomasochism prostitution male rape learning disabilities sexual ethics and the age of consent It is the first collection to publish exclusively on issues of sexual consent and both makes sense of sexual consent in contemporary society and guides debate towards better consent standards and decisions in the future Making Sense of Sexual Consent will excite considerable discussion amongst academics professionals and all those who think that freedom to make decisions about our sexual selves is important It will set the agenda for debate on sexual consent into the 21st Century

The Concept of Representation in the Age of the American Revolution John Phillip Reid, 1989 Americans did not

rebel from Great Britain because they wanted a different government They rebelled because they believed that Parliament was violating constitutional precepts Colonial Whigs did not fight for American rights They fought for English rights from the Preface John Phillip Reid goes on to argue that it was generally the application not the definition of these rights that was disputed The sole and critical exception concerned the right of representation American perceptions of the responsibility of representatives to their constituents the necessity of equal representation and the constitutional function of consent had diverged gradually but significantly from British tradition Drawing on his mastery of eighteenth century legal thought Reid explores the origins and shifting meanings of representation consent arbitrary rule and constitution He demonstrates that the controversy which led to the American Revolution had more to do with jurisprudential and constitutional principles than with democracy and equality This book will interest legal historians Constitutional scholars and political theorists *The Scandal of the State* Rajeswari Sunder Rajan,2003-04-09 A major postcolonial feminist theorist explores the gendered nature of citizenship and the state **A Guide to America's Sex Laws** Richard A. Posner,Katharine B. Silbaugh,1996-10 Sex although considered by many in our culture the quintessential private activity is blanketed by a staggering number and variety of laws This first concise compendium of the nation s sex laws brings together in one place and summarizes the laws regulating personal sexual activity In doing so it reveals gaps anachronisms anomalies inequalities and irrationalities and provides an empirical basis for studies of sexual regulation From Alabama to Wyoming this informative and fascinating reference book will be an essential resource to a wide range of persons both within and outside the legal profession specialists in the regulation of sexual behavior students of the legislative process lawyers involved in family and sex law and anyone interested in social and political issues involving sexual orientation and sexual morality **Desire and Consent in Representations of Adolescent Sexuality with Adults** Maureen Turim,Diane Waldman,2023-10-02 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media Analyzing teenage sexual encounters with adults across a variety of media including films television novels and podcasts the volume takes a positive stance on the expression of teenage sexuality while remaining sensitive to the power of adults to abuse and manipulate The anthology treats these representations as negotiations between conflicting forces desire sexual self knowledge unequal power and the law the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense Questions of unequal power inherent in such relations are theorized The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives to consider how various forms of expression rework it formally These essays are attuned to both nuances of presentation and contexts of reception and they consider how aesthetics play a role Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality this book will be of great interest to scholars and students of media studies cultural studies film studies television studies sociology and gender studies *Sex Offenders and the Internet* Dennis Howitt,Kerry Sheldon,2009-09-28

Online the opportunity to commit a crime is never more than a few clicks away Sex Offenders and the Internet explores the nature of online sex offenders in order to help practitioners understand and treat this new category of client Kerry Sheldon and Dennis Howitt examine the research base by reviewing case studies and psychological profiles with a particular focus on paedophilic Internet sex offenders Issues covered include child pornography the often overlooked excuses for paedophilia and how we can move forward The result is a book that comprehensively details the nature of Internet sex offenders bringing together the relevant research into one essential volume

The Age of Consent Community Legal Information Association of Prince Edward Island,2009 *Sex and Society* Marshall Cavendish Corporation,2010-09 Moving beyond a partial view of only biology and psychology this work also examines the wide sociological dimensions of sex

The Routledge Handbook of the Ethics of Consent Peter Schaber,Andreas Müller,2018-06-14 While the importance of consent has been discussed widely over the last few decades interest in its study has received renewed attention in recent years particularly regarding medical treatment clinical research and sexual acts The Routledge Handbook of the Ethics of Consent is an outstanding reference source to this exciting subject and the first collection of its kind Comprising over thirty chapters by a team of international contributors the Handbook is divided into five main parts General questions Normative ethics Legal theory Medical ethics Political philosophy Within these sections central issues debates and problems are examined including the nature and normative importance of consent paternalism exploitation and coercion privacy sexual consent consent and criminal law informed consent organ donation clinical research and consent theory of political obligation and authority The Routledge Handbook of the Ethics of Consent is essential reading for students and researchers in moral theory applied ethics medical ethics philosophy of law and political philosophy This volume will also be very useful for those in related fields such as political science law medicine and social science

Sex-Positive Criminology Aimee Wodda,Vanessa Panfil,2020-09-17 Sex Positive Criminology proposes a new way to think about sexuality in the fields of criminology and criminal justice Sex positivity is framed as a humanizing approach to sexuality that supports the well being of self and others It is rooted in the principle of active and ongoing consent and it encourages perspectives that value bodily autonomy the right to access education and respect for sexual difference In this book the authors argue that institutions such as prisons schools and healthcare facilities as well as agents of governments such as law enforcement correctional officers and politicians can unduly cause harm and perpetuate stigma through the regulation and criminalization of sexuality In order to critique institutions that criminalize and regulate sexuality the authors of Sex Positive Criminology examine case studies exploring the criminalization of commercial sex and related harm at the hands of law enforcement experienced by those who sell sex They investigate sex education in schools reproductive justice in communities and institutions and restrictions on sexuality in places like prisons jails juvenile detention and immigrant detention facilities They look into the criminalization of BDSM practices and address concerns about young people s sexuality connected to age of consent and privacy violations The

authors demonstrate how a sex positive perspective could help criminologists policymakers and educators understand not only how to move away from sex negative frameworks in theory policy and practice but how sex positive criminological frameworks can be a useful tool to reduce harm and increase personal agency Written in a clear and direct style this book will appeal to students and scholars in criminology sociology sexuality studies cultural studies criminal justice social theory and all those interested in the relationship between sexuality and the crimino legal system **Forensic Psychology** Kenneth B. Cairns, 2023-08-18 *Forensic Psychology An Inside Perspective on Criminal Thinking and Behavior* offers undergraduates a concise accessible introduction to the field of forensic psychology With more than 20 years of experience as a forensic psychologist working with incarcerated people Dr Kenneth B Cairns provides a balance between not just forensics and psychology but also between theory and practical application Grounded in the cognitive behavioral approach and evidence based practices and research this text will focus on often overlooked areas such as the experiences of victims and first responders and the psychopathy of individuals convicted of mass murder spree killing and serial killing *The Sage Encyclopedia of LGBTQ+ Studies, 2nd Edition* Abbie E. Goldberg, 2024-01-16 The SAGE Encyclopedia of LGBTQ Studies 2nd Edition is aimed at students and educators interested in an interdisciplinary perspective on LGBTQ issues It examines and provides understandings of the lives and experiences of LGBTQ individuals with attention to the contexts and forces that shape their world The volume addresses questions such as What are the key theories used to understand variations in sexual orientation and gender identity What does LGBTQ affirmative therapy look like How have anti LGBTQ ballot measures affected LGBTQ people What are LGBTQ people s experiences during COVID 19 How were LGBTQ people impacted by the Trump administration What is life like for LGBTQ people living outside the United States This encyclopedia looks at LGBTQ issues and identity primarily through the lenses of psychology human development and sociology while emphasizing queer feminist and ecological perspectives on this topic Entries are written by top researchers and clinicians across multiple fields psychology human development gender queer studies sexuality studies social work nursing cultural studies education family studies medicine public health and sociology **Relating Intimacies** Julie Seymour, 1999-11-26 *Relating Intimacies* contains papers presented at the 1997 British Sociological Association Conference which discuss contemporary research and theorizing with regard to intimate relationships Researchers examine the development of new forms of intimate relationships exploring their emotional and legal dimensions the issues of parenting in a changing world and the tensions and negotiations which are managed by those in intimate relationships This volume will be of interest to sociologists social policy and gender studies students social workers and legal students **Routledge International Encyclopedia of Queer Culture** David A. Gerstner, 2006-03-01 The Routledge International Encyclopedia of Queer Culture covers gay lesbian bisexual transgender and queer GLBTQ life and culture post 1945 with a strong international approach to the subject The scope of the work is extremely comprehensive with entries falling into the broad categories of Dance Education Film Health Homophobia the Int

The Age Of Consent Introduction

In today's digital age, the availability of The Age Of Consent books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Age Of Consent books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Age Of Consent books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Age Of Consent versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Age Of Consent books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Age Of Consent books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Age Of Consent books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Age Of Consent books and manuals for download have transformed the way we access information. They provide a cost-effective and

convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Age Of Consent books and manuals for download and embark on your journey of knowledge?

FAQs About The Age Of Consent Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Age Of Consent is one of the best book in our library for free trial. We provide copy of The Age Of Consent in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Age Of Consent. Where to download The Age Of Consent online for free? Are you looking for The Age Of Consent PDF? This is definitely going to save you time and cash in something you should think about.
