**Becoming Beka Series** Sarah Anne Sumpolec, 2006-02-01 This set includes all five books of the Becoming Beka series: The Masquerade, The Alliance, The Passage, The Reveal, and The Encore. In The Masquerade, Beka Madison's good girl image has been crumbling around her since her mother's tragic death. She can't let her family discover she's not really a Christian, but her ragged emotions threaten to expose her. The Masquerade is an absorbing story of a teenage girl's struggle with self-discovery and the revelation that truth brings freedom. In The Alliance, Beka heads back to school with a new found faith, but that faith is tested sooner than she expected. As she spends time with the eclectic theater group, she is pulled further into her friendship with Gretchen, who has become fascinated with the occult and convinces Beka there is no harm in the tarot cards, crystals, and spells that their group of friends is dabbling in. Beka also struggles in her growing relationship with Mark, who is pressuring her to spend time with him behind her father's back. In the midst of all these shifting alliances, Beka must decide where her true loyalties lie. In The Passage, it's springtime in Bragg County and love is in the air. A church retreat allows Beka to get to know Josh better, but she learns that even though she likes him, his college choice may put a wrench in their relationship. Confused about her relationship with Josh, Beka seeks out Mark for solace. When Mark tries getting physical with Beka, she ponders issues of purity. In The Reveal, Beka, after a summer filled with work and guitar lessons, spends ten days in Haiti before launching into her senior year. She seems to be on stable footing, but everyone around her is falling apart. Surprises await Beka as she faces Gretchen after her two-month stay in detention. Gretchen is darker and moodier. Then there's Mark, who worms his way back into Beka's affections despite her father's refusal to let them officially date. In The Encore, Beka returns for the final semester of her senior year and quickly finds herself in trouble. The song she wrote and performed offended a fellow student, and the principal blames Beka and her teacher, Mr. Thompson. Meanwhile, she's torn between two different guys, Mark and Josh. And as she prepares for her father's upcoming wedding, Beka is devastated to learn the family will be moving out of their house and into her dad's fiancée's house. Soon, Beka is overwhelmed with decisions, including the option to sign a record contract and move to LA after graduation.
