Yoga: The Ever present Flower Osho, 2003 *Ever Present* Lord Joseph Gerry, Joseph John Gerry, 2002-09 As abbot of St Anselm's Abbey in Manchester New Hampshire and later as Bishop of Portland Maine Bishop Gerry reflects on Scripture the meaning of religious commitment and the religious implications of contemporary events The book is filled with humility humor and common sense *Rescuing Reason* R. Nola, 2012-12-06 Do knowledge and science arise from the application of canons of rationality and scientific method Or is all our scientific knowledge caused by socio political factors or by our interests in the socio political the view of sociologists of knowledge Or does it result from interplay of relations of power the view of Michel Foucault Or does our knowledge arise from the will to power the view of Nietzsche This volume sets out to critically examine the theses of those who would debunk the idea of rational explanation The book is wide ranging The theories of method of Quine Kuhn Feyerabend amongst others are discussed and related to the views of Marx Foucault Wittgenstein and Nietzsche as well as sociologists of science such as Mannheim and Bloor The author provides a wide interpretative framework which links the doctrines espoused by many of these authors it is argued that they inherit many of the difficulties in the Strong Programme in the sociology of knowledge and that they fail to reconcile the normativity of knowledge with their naturalism It is argued that neither relativists sceptics nihilists sociologists of knowledge nor the postmodernists successfully debunk the claims of rational explanation far from it these theorists presuppose much of the theory of methodology they deny *When the Eternal Can Be Met* Corey Latta, 2014-04-14 When the Eternal Can Be Met excavates the philosophy behind the theology of the twentieth century's most prominent Christian writers C S Lewis T S Eliot and W H Auden These three literary giants converted to Christianity within little more than a decade of one another and interestingly all three theological authors turned to the theme of time All three authors also came to remarkably similar conclusions about time positing that the temporal present moment allowed one to meet the eternal Decades before Lewis Eliot and Auden sought to creatively construct a fictive or poetic theology of time the prominent philosopher Henri Bergson wrote about time's power to transform an individual's emotional and spiritual state a theory well known by Lewis Eliot and Auden When the Eternal Can Be Met argues that one cannot fully understand Lewis Eliot and Auden's theology of time without understanding Bergson's theories From the secular philosophy of Bergson dawned the most important works of literary theology and treatments of time of the twentieth century and in the Bergson influenced literary constructs of Lewis

It Must Be Written! Christopher Anyanwu, 2021-07-08 *It Must Be Written* is an awesome book which is come to open your eyes to see the truth that is in the Holy Scriptures When religion is wrongly practiced and conducted outside the framework of in spirit and in truth it completely and ultimately destroys the human mind How to worship God is written therefore you cannot worship God anyhow and in your own way Man is not the way Jesus is the way Whatsoever you are doing in the name of the Lord whether it is preaching teaching and healing in his name it must be written After reading this book you will know for yourself if you have been sitting on the footstool of error or not because so many people think they are worshipping God but don t know they are busy worshipping something else This book is an eye opener to a range of issues that Christian believers are basking in but when you examine them you will find out that they are not supported by the Holy Scriptures of God If it is not written it is not sound and if it is not sound it is therefore erroneous Whatever is not from God cannot stand and you cannot pick and choose from the Holy Word of God to soothe your lifestyle *The End of the Timeless God* R. T.

Mullins, 2016-01-07 The claim that God is timeless has been the majority view throughout church history However it is not obvious that divine timelessness is compatible with fundamental Christian doctrines such as creation and incarnation Theologians have long been aware of the conflict between divine timelessness and Christian doctrine and various solutions to these conflicts have been developed In contemporary thought it is widely agreed that new theories on the nature of time can further help solve these conflicts Do these solutions actually solve the conflict Can the Christian God be timeless The End of the Timeless God sets forth a thorough investigation into the Christian understanding of God and the God world relationship It argues that the Christian God cannot be timeless **Report of the Joint Committee of the Michigan Legislature of**
