of Irish and British literature of the past thirty years acting not just as a crucial insight into the life and works of a much revered writer but also a history of post war Irish literature and its close ties to British and American literary life One of the greatest writers of our era Hilary Mantel McGahern brings us that tonic gift of the best fiction the sense of truth the sense of transparency that permits us to see imaginary lives more clearly than we see our own John Updike *Dublin in Books* Dublin Public Libraries,1988

**JFK's Last Hundred Days** Thurston Clarke,2013-07-16 A Kirkus Best Book of 2013 A revelatory minute by minute account of JFK s last hundred days that asks what might have been Fifty years after his death President John F Kennedy s legend endures Noted author and historian Thurston Clarke argues that the heart of that legend is what might have been As we approach the anniversary of Kennedy s assassination JFK s Last Hundred Days reexamines the last months of the president s life to show a man in the midst of great change finally on the cusp of making good on his extraordinary promise Kennedy s last hundred days began just after the death of two day old Patrick Kennedy and during this time the president made strides in the Cold War civil rights Vietnam and his personal life While Jackie was recuperating the premature infant and his father were flown to Boston for Patrick s treatment Kennedy was holding his son s hand when Patrick died on August 9 1963 The loss of his son convinced Kennedy to work harder as a husband and father and there is ample evidence that he suspended his notorious philandering during these last months of his life Also in these months Kennedy finally came to view civil rights as a moral as well as a political issue and after the March on Washington he appreciated the power of Reverend Martin Luther King Jr for the first time Though he is often depicted as a devout cold warrior Kennedy pushed through his proudest legislative achievement in this period the Limited Test Ban Treaty This success combined with his warming relations with Nikita Khrushchev in the wake of the Cuban missile crisis led to a détente that British foreign secretary Sir Alec Douglas Home hailed as the beginning of the end of the Cold War Throughout his presidency Kennedy challenged demands from his advisers and the Pentagon to escalate America s involvement in Vietnam Kennedy began a reappraisal in the last hundred days that would have led to the withdrawal of all sixteen thousand U S military advisers by 1965 JFK s Last Hundred Days is a gripping account that weaves together Kennedy s public and private lives explains why the grief following his assassination has endured so long and solves the most tantalizing Kennedy mystery of all not who killed him but who he was when he was killed and where he would have led us *Nora* Nora Szechy,2006-04

*NORA* An Ordinary Girl from Inchicore is a poignant memoir of growing up in Inchicore Dublin in the 1940 s and 50 s With humor and pathos Nora tells of the day to day drama in a large Catholic family and the interaction with her nine siblings She tells of the discipline in an all girl Catholic school and the kindness and sometimes cruelty of the good nuns Nora takes us with her through the streets of her beloved Dublin as she cycles to work or takes the bus into town We absorb the unique atmosphere the sights the smells and the colorful speech of Dubliners We go dancing with her in The Golden Years of ballroom dancing and follow her romance with a handsome student from Trinity College We hear of the adoption of a baby

Hassett,2021-11-02 Kevin Hassett wasn t always a Trump supporter Before his surprising appointment as the top White House economist he took a dim view of the populist agenda and mercurial temperament of the man who had won control of the Republican Party But experience would soon change his mind As chairman of the President s Council of Economic Advisers Hassett helped Donald Trump bring about a golden age of prosperity in which Americans who had been left behind by decades of failed policy were given the opportunity to succeed The miracle lasted three years until a virus from China killed it Trump proved that a mix of free market principles and enlightened nationalism could revive the American economic dynamo Guided by an unlikely team of brilliant advisers and driven by his own force of will he recognized that Washington bureaucrats had undermined the American dream by inserting themselves into every aspect of the economy These experts were leading us down the path to socialism and Trump fought like mad to turn things around Enjoying not only direct access to the president but also his trust and respect Hassett was involved in almost every important policy debate After two

exhausting but successful years he stepped down from the CEA and returned to private life only to return as a special adviser on pandemic policy in 2020 The Drift offers a unique perspective on a pivotal presidency Unconnected and un beholden to Donald Trump Kevin Hassett came to the administration with a critical eye But working with Trump the president convinced him that this flawed leader might be the only man who could halt the drift toward a statist and moribund economy Filled with urgent lessons this book is essential reading as the drift resumes
