Cinema and Radio in Britain and America, 1920-60 Jeffrey Richards, 2019-01-04 Cinema and radio in Britain and America 1920-60 charts the evolving relationship between the two principal mass media of the period It explores the creative symbiosis that developed between the two including regular film versions of popular radio series as well as radio versions of hit films This fascinating volume examines specific genres comedy and detective stories to identify similarities and differences in their media appearances and in particular issues arising from the nature of film as predominantly visual and radio as exclusively aural Richards also highlights the interchange of personnel such as Orson Welles between the two media Throughout the book runs the theme of comparison and contrast between the experiences of the two media in Britain and America The book culminates with an in depth analysis of the media appearances of three enduring mythic figures in popular culture Sherlock Holmes Tarzan and The Scarlet Pimpernel Students scholars and lay enthusiasts of cinema history cultural history and media studies will find this an accessible yet scholarly read

Corporeality in Early Cinema Marina Dahlquist, Doron Galili, Jan Olsson, Valentine Robert, 2018-10-16 Corporeality in Early Cinema inspires a heightened awareness of the ways in which early film culture and screen praxes overall are inherently embodied Contributors argue that on and offscreen and in affiliated media and technological constellations the body consists of flesh and nerves and is not just an abstract spectator or statistical audience entity Audience responses from arousal to disgust from identification to detachment offer us a means to understand what spectators have always taken away from their cinematic experience Through theoretical approaches and case studies scholars offer a variety of models for stimulating historical research on corporeality and cinema by exploring the matrix of screened bodies machine made scaffolding and their connections to the physical bodies in front of the screen

[Magic and Illusion in the Movies](#) George Higham,2024-11-13 From top hats to top secrets this book is a celebration of illusion technology and mechanisms of trickery through a genre crossing selection of films Heroes villains spies con men and madmen magicians all have utilized complex constructs and trickery in thrilling cinematic adventures from the earliest days of cinema to the present Current blockbusters such as Spider Man Far from Home and the Mission Impossible series feature amazing acts of deception often appearing far fetched that are in fact surprisingly close to today's technology Along with the James Bond saga classics such as The Wizard of Oz Nightmare Alley and The Sting are joined by a host of other movies superficially seeming to be very different yet proving there is more than meets the eye

[American Disaster Movies of the 1970s](#) Scott Freer,2023-10-19 American Disaster Movies of the 1970s is the first scholarly book dedicated to the disaster cycle that dominated American cinema and television in the 1970s Through examining films such as Airport 1970 The Poseidon Adventure 1972 Two Minute Warning 1976 and The Swarm 1978 alongside their historical contexts and American contemporaneous trends the disaster cycle is treated as a time bound phenomenon This book further contextualises the cycle by drawing on the longer cultural history of modernist reactions to modern anxieties including the widespread dependence on technology and corporate power Each chapter considers cinematic precursors such as the ark movie and contemporaneous trends such as New Hollywood vigilante and blaxploitation films as well as the immediate American context the end of the civil rights and countercultural era the Watergate crisis and the defeat in Vietnam As Scott Freer argues the disaster movie is a modern demotic form of tragedy that satisfies a taste for the macabre It is also an aesthetic means for processing painful truths and many of the dramatized themes anticipate present day monstrosities of modernity
